Our Mission:

Accepting the challenge of tomorrow, our mission is to create a nurturing learning environment where we reach for and realize our potential.

School Focus:

S. Christa McAuliffe dared to reach the stars as America's First Teacher in outer space. Her extraordinary enthusiasm, courage, humility, and commitment inspired the nation. Here at S. Christa McAuliffe S.T.E.M. Academy, we strive to uphold her legacy by promoting excellence each and every day. With students as our number one priority, we remain focused on the whole child. We are extremely proud to be named after such a great hero who stood for so much!

We are committed to providing a range of services to meet the unique needs of our students. Using a Multi-Tiered System of Support, our staff is able to differentiate instruction and provide varied academic and social experiences for all students. Our Gifted and Talented program and other enrichment opportunities are available to extend the learning of our high-achieving students. To ensure the needs of our students with disabilities are met, we use a team approach in providing a wide range of services in the regular education and the special education settings. Parents are critical to the success of their child. At McAuliffe S.T.E.M. Academy, we believe in the power of collaboration among families and staff in order to foster success and excellence with all students who attend our school.
