

**Greeley-Evans**

Weld County School District 6

1025 NINTH AVENUE | GREELEY, COLORADO 80631  
970-348-6000 | WWW.GREELEYSCHOOLS.ORG

**BOARD OF EDUCATION**

# **MEETING AGENDA**

**September 12, 2011  
Administration Building  
Board Room**

## **District 6 Mission Statement**

*School District 6 provides a quality education for every learner within a system of high expectations and rigorous, focused instruction.*

## **Strategic Plan *Reaching for Excellence 2009-2014***

### **Increase Academic Achievement**

All Greeley-Evans School District 6 students will be proficient or advanced in state academic standards as measured by the Colorado Student Assessment Program (CSAP).

### **Strengthen Relationships**

All relationships within Greeley-Evans School District 6 will be characterized by open, equitable and two-way communication, unifying the district community and dedicated to student achievement.

### **Improve Organizational Effectiveness**

Greeley-Evans School District 6 will be an effective organization characterized by a culture of systemic practices and outcomes that produce high academic achievement by all students in all areas of the state academic standards.

#### *A few welcoming notes:*

- The Board's meeting time is dedicated to the mission and top-priority focus areas.
- Your insights are needed and welcomed and the Board encourages you to meet with the most appropriate person.
- "Communication" is an opportunity to present brief comments or pose questions to the Board for consideration or follow-up. Each person is asked to focus comments to five minutes. The boundaries are designed to help keep the meeting focused and in no way should limit conversations beyond the Board meeting.
- The "consent agenda" is based around decision points backed by prior information/discussion or highly routine.
- If you are interested in helping School District 6's achievement effort, please talk with any member of the leadership team or call the District office at 970-348-6012. Opportunities abound. Your participation is highly desired.
