It is difficult to believe that we are already four weeks into the second semester. Last week, we honored over 100 students who received a 4.0 G.P.A. for the first semester! It is very difficult to earn a 4.0 G.P.A. at The Castle, and we appreciate all of the effort these students applied to their classwork. Many of these

students are also active in extracurricular activities, clubs and athletics.

Look for these students as well as other honor roll students later in this newsletter!

NEW DATE for Parent-Teacher Conferences

Due to the success of our boys and girls basketball teams, GCHS may be hosting a second round state playoff game. We will need to move our Parent-Teacher Conference date to **Tuesday, February 27th from 4pm - 8pm.**

President's Day

There will be no school for students or staff on Monday, February 19th for President's Day. School will resume at 8:00am on Tuesday, February 20th.

ATTENTION PARENTS!

Parents: If your **senior** has not yet applied for the FAFSA (Free Application for Federal Student Aid), they should do so during break. Scholarship applications will begin opening in January, and many will not process applications if the FAFSA isn't complete. Go to www.fafsa.ed.gov. You will need 2016 taxes for you and your senior (if applicable). There will be help available during Parent Teacher Conferences in the Library Computer Lab.

Advanced Placement Test Reviews

With Advanced Placement testing coming this spring.

Students in some AP courses will be able to take part in the following test review sessions. Locations to be determined.

Please put these dates on your calendar.

There will also be an AP night during Parent Teacher Conferences starting at 7pm. More information will be available as we get closer to conferences.

AP Classes for the 2018-19 School Year

The next few months are an important time for our AP program at Greeley Central. It's hard to believe, but by the end of the month, discussions will begin about classes for the 2018-2019 school year! The lifeblood of our AP program is the simple act of students registering for an AP class. The 22 AP classes that are offered at Greeley Central are made possible by students.

Taking an AP class is a great way to challenge yourself academically and show colleges that you are serious about your education. Since AP courses are rigorous and require you to study for a comprehensive exam, they teach you skills that will help you in college classes. According to College Board, students who take AP exams get higher grades in college than those with similar classes who don't take AP exams.

Next year we will be offering the AP Capstone program at Greeley Central. This is a diploma program from College Board designed to equip students with skills in research, teamwork, collaboration, and communication skills increasingly valued by colleges. To earn the AP Capstone diploma, students will take AP research, AP Seminar, 4 AP classes of their choice, and score a 3 or higher on each exam. AP seminar will be offered in the next year for sophomores and juniors who want to pursue this prestigious opportunity. (See Diagram Below Regarding AP Capstone Diploma)

If you have any questions about AP classes, on February 27th at Greeley Central during Parent/Teacher Conferences please stop by the library at 7:00 for an AP presentation.

AP Test Registration

Students will register for AP exams the week of February 12 in their AP classes. A student's signature to take the exam will insure one will be ordered. If a student signs up to take the exam, they have committed to a \$15 dollar nonrefundable fee. AP exams cost \$94 per test. Students that participate in the free and reduced lunch program are eligible to have test fee reduced per exam *if a nutritional services letter for free and reduced lunch is turned in on or before March 15th*. The letter may be turned into Nancy Kern in the main office. Final Payment is due to the finance office by March 15th.

You can pay online using the school's web store by [CLICKING THIS LINK.](#)

GCHS approved by The College Board to offer the AP Capstone Diploma.

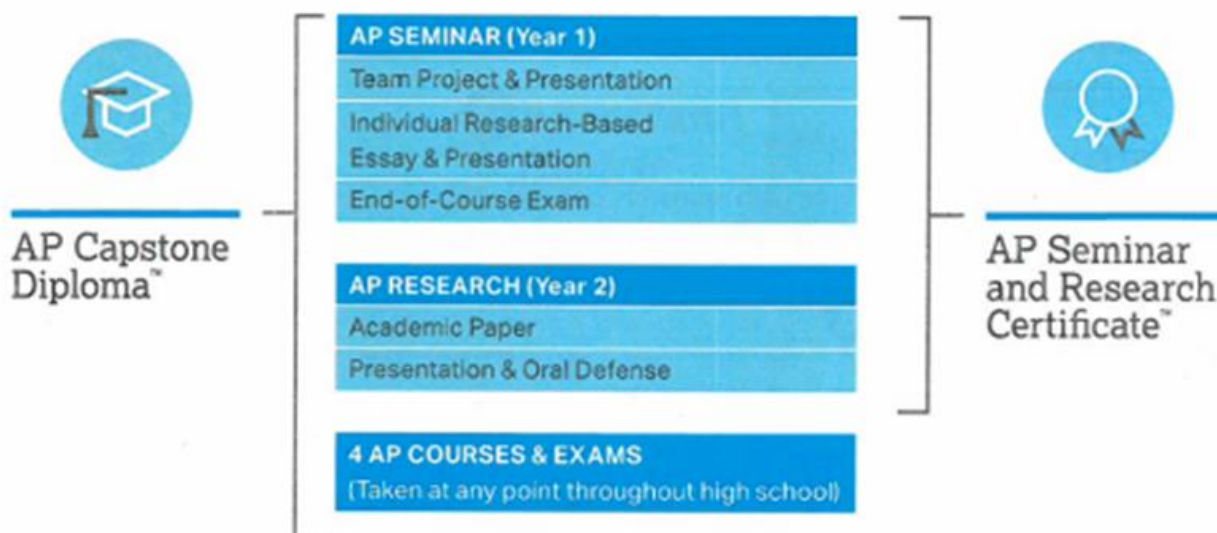

How AP Capstone Works

The College Board's AP Capstone is an innovative college-level program based on two new courses—AP Seminar and AP Research—that complement and enhance discipline-specific AP courses.

The program gives students a chance to practice core academic skills they need to complete college. The ability to think independently, write effectively, research, collaborate, and learn across disciplines is essential for success in college, career, and beyond.

Students who earn scores of 3 or higher in AP Seminar and AP Research and on four additional AP Exams of their choosing receive the AP Capstone Diploma™. This signifies their outstanding academic achievement and attainment of college-level academic and research skills. Students who earn scores of 3 or higher in both AP Seminar and AP Research but not on four additional AP Exams receive the AP Seminar and Research Certificate™.

AP Capstone was developed in response to feedback from higher education and is easily implemented, affordable, and flexible. It has the potential to differentiate and transform high schools and their students by elevating the learning environment through a challenging, college-level program with high standards of assessment.

Although details are still being finalized, the AP Seminar will be offered in 2018.19 and the AP Research Course will be offered in 2019.20.

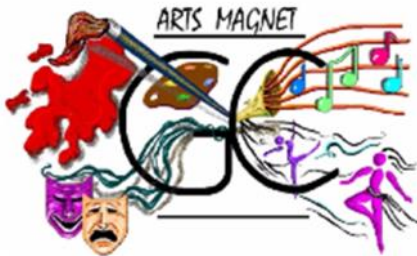

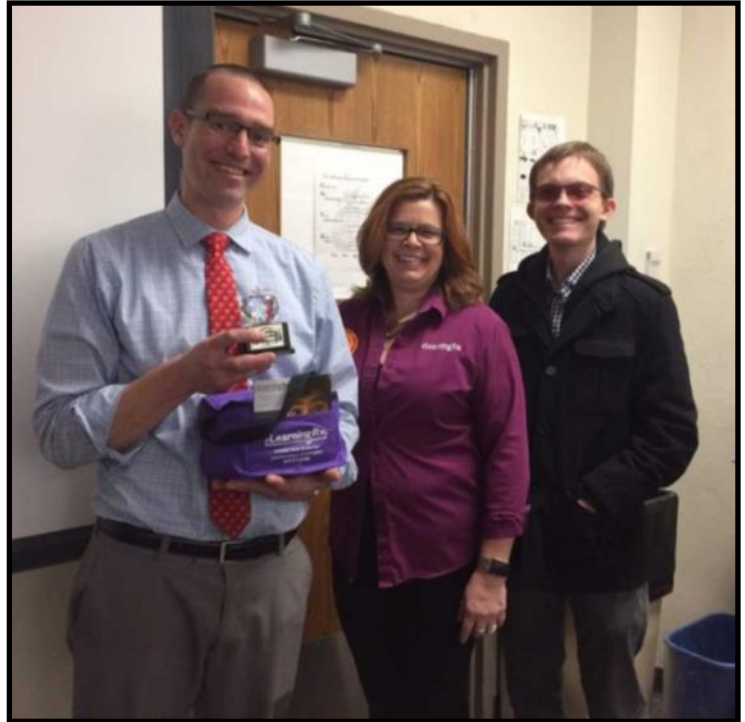

Crystal Apple Award for Northern Colorado

Once a month, the radio station WAY-FM takes submissions for their Crystal Apple Award. Students share how their teacher has gone above and beyond the call of duty. This is a great way to honor teachers for all of their hard work.

On January 31st, WAY-FM made their way to Greeley Central High School. We want to congratulate WAY-FM's January 2018 winner, our very own, Mr. Justin Davis!

"Way" to go, Justin and thanks for your hard work.

Spring Sports begin on Monday, February 26th.

Bright Futures Grant Program changes for 2018 graduates!

The Bright Futures program was designed with one objective in mind—strengthening the vitality of the Weld County community through its workforce. By nurturing and supporting our young generation, we are building a strong foundation for a stable economy. Understanding the importance of trade skills as well as academic skills, the Board of Commissioners designed the program to financially assist students who pursue post-secondary education or training from an accredited higher-education institution or certified training program. The program is funded by taxpayers for qualifying Weld County residents who have graduated from high school, GED recipients and honorably discharged U.S. Veterans, after 2016. Qualified and accepted recipients receive financial assistance for pursuing post-secondary education or training from a Title IV accredited higher education institution or certified training program.

Seniors we will have a special Bright Futures meeting in Seminar on Thursday, February 8th. For more information go to <http://www.brightfuturesco.com>. There will be a district Bright Futures meeting on February 28th, 2018 from 6-7:30 pm in the D6 Administration Building in the 1st Floor conference room. There is also a flyer later in this newsletter.

BRIGHT FUTURES

Residents of Weld County who graduate from high school or receive their high school equivalency may apply for the Bright Futures stipend. Students should talk with their school counselors for additional details.

PROGRAM OVERVIEW:

1

Annual amount a student can receive each year up to \$2,000.

7

Move the stipend from “first dollar in” to “last dollar in”. This means that the Bright Futures stipend will be applied in conjunction with all other scholarships or stipends instead of initially.

2

Proof of Weld County residency.

8

Require an annual 16 hours of community service in Weld County from each student in the program. Eight hours completed by June 30, and the other 8 hours by October 31. Hours may be completed early and combined with any community service hours required as part of graduation or other organization requirement (ie., Student Council, National Honor Society, Sports, etc.)

3

Complete a Bright Futures application

9

The stipend may be used to include only schools/institutions within Colorado and its bordering states that Bright Futures has or will have a memorandum of understanding (MOU) with.

4

Attend a meeting which will explain application process, requirements, and provide a highlight of local career opportunities and training that may be required in those careers.

10

Donations - Bright Futures is subject to available funds. Consider donating at www.brightfuturesco.com

5

Complete the Free Application for Federal Student Aid (FAFSA).

6

The stipend must begin within two years and completed within six years.
