Parent Teacher Conferences October 2

We will have our first Parent Teacher Conference on Wednesday, October 2nd from 4pm-8pm. We will utilize our arena style format for these conferences. Please enter through the West entrance to pick up report cards, teacher locations, login instructions for the parent portal on infinite campus, and also to pick up any photos or proofs for your student's school pictures.

No School for Students October 11th & October 14th

There will be no school for students on Friday, October 11th. Teachers will be in professional development all day. And on Monday, October 14th, there is no school for students or teachers for our mid-semester break. Enjoy the long weekend.

Sports Registration for Winter Sports

Winter sports are just around the corner and we will open up registration for Winter sports some time in October. Please keep checking the school's website for information as we will open up winter sports registration on Monday, October 21st. Winter sports night will be Monday, November 11th at 6:30pm in the GCHS Library with Winter sports starting on Monday, November 18th right after school.

The GCHS Athletic Department is also looking for parents to join the school's athletic booster club (the Wildcat Foundation) for this year. If you are interested in attending meetings and growing GCHS Athletics, please email Sean Scribbick @ sscribbick@greeleyschools.org or call 970-348-5000.

Tutoring After School...and Saturday School

Need some help with a class or two? Need some extra time to get some other homework completed?

Well, you're in luck! Tutoring is available for GCHS students Tuesday-Friday (when school is in session) from 3:30pm-5:00pm in the Library Computer Lab (room 215).

If tutoring is cancelled we will announce the cancellation as soon as we know.

Questions? Contact Bre Staut (bstaut@greeleyschools.org), Julie Boecking-Rowell (jrowell@greeleyschools.org), or Justin Davis (jdavis@greeleyschools.org).

Also, Saturday School will be offered throughout the year. Dates are listed below and will be from 8am-11am on the remaining semester 1 Saturdays listed below. Help in all content areas will be provided. If you have questions regarding Saturday School, please contact Amy Bekins at abekins@greeleyschools.org:

Senior News

- **FAFSA (FREE APPLICATION FOR FEDERAL STUDENT AID):** Opens Oct 1 Priority deadline is Mar1st.
- SAT Registration Deadline for Nov. 2 test is October 3.
- FAFSA Night: Help night for parents and students October 8 from 5-8 pm in the Castle Library Computer lab.
- Bright Futures Mandatory Meeting: This grant opportunity requires all seniors to attend this meeting on October 10 at 9:45 am.
- College Day/Night Fair: This fair is sponsored by Colorado College and High School Relations. All D6 students and their families are invited to attend from 6-7 on October 28 at University High School. See Ms. Boschmann, Mrs. Koesler or Ms. Guerrero for a registration barcode.
- ASVAB: All Sophomores will take the ASVAB on October 29, 30, 31. This assessment will measure career and college readiness. A score of 31 will meet one graduation requirement.
- Colorado Free Application Day: We will have College Representatives at Central on October 15 to assist with free college applications!! All 2020 graduates are invited to participate. For more information on the free application codes, please visit <https://www.mycoloradojourney.com>.

All senior students should have received an email invitation to join our senior class Google classroom which was sent to their school email. Please be sure that you accept the invitation, we will be updating it daily and sending important information this way.

Here you will be able to:

- Access instructions for completing your senior duties
- Contact the senior team
- Download forms
- Access your senior checklist
- Scholarship Applications

*If you haven't received an invite use the code **um3r6ge** to become a member of the class. Every senior must join.*

Parents and guardians may request access to the Google classroom by emailing Ms. Boschmann at kboschmann@greeleyschools.org or Mrs. Koesler at koessler@greeleyschools.org.

Bond Issue Information

This November's election is an important one for not only Greeley Central High School, but for the entire school District. Please see the **Bond Letter to Parents** found in this newsletter along with the **Bond Fact Sheets** for information. This bond measure is being proposed to address issues with our aging facilities, safety in our buildings, among other things. Please read these documents so that you can be well-informed on what the bond issue covers and what it doesn't cover.

$$\begin{array}{ccccccc} \pi \approx & (1-2)+3 & 2 > -3 & \infty & \times & \div & \\ \sqrt{2} & 1+2 \cdot 3 & 0.999... = 1 & & & & \\ 5(2+2) & 101_2 = 5_{10} & 5^2 & 3.14 & & & \end{array}$$

Math Students Of The Month

Congratulations to our Math Students of the Month, as determined by the Math Department! Way to go!

Upcoming Events

Here are a few of our upcoming dates:

Oct. 2	4pm-8pm	Parent Teacher Conferences
Oct. 8	5pm-8pm	Senior Parent Scholarship Help Night (FAFSA) in GCHS Library
Oct. 9	7pm	Fall Music Concert 1 (Instrumentalists) in GCHS Auditorium FREE
Oct. 10	7pm	Fall Music Concert 2 (Vocalists) in GCHS Auditorium FREE
Oct. 11	all day	School Improvement Day - NO SCHOOL FOR STUDENTS
Oct. 14	all day	Mid-Semester Break - NO SCHOOL FOR STUDENTS OR STAFF
Oct. 16	8am-11am	PSAT/NMSQT Testing
Oct. 29	5pm-7pm	Trick or Treat in the Castle
Oct. 29-31	all day	ASVAB testing 10th grade

As always, check our webpage for all upcoming events, activities, and sports details (www.GreeleySchools.org/GreeleyCentral).

Trick or Treat at the Castle

It's that time of the year again...Trick or Treat at the Castle! This year, our Trick or Treat at the Castle is planned for Tuesday, October 29th from 5pm-7pm. Please check our school website for any changes to this event.

GREELEY CENTRAL HIGH SCHOOL

Bell Schedule

The 7 Period Modified Block Schedule is below. Mondays will have all 7 classes. Tuesdays and Fridays will have all 7 classes as well as a required Seminar class. We will have a block schedule with an "Odd Day" on Wednesdays (Blocks 1,3,5,7) and an "Even Day" on Thursdays (Blocks 2,4,6). These classes are 95 minutes long. There will be a required Seminar class on Thursdays. School staff will develop and communicate expectations regarding this time to all students at the beginning of each school year. Daily announcements may occur during the second class of each day.

Monday

Block 1	8:30-9:20
Block 2	9:25-10:20
Block 3	10:25-11:15
Block 4	11:20-12:10
Lunch	12:10-12:45
Block 5	12:50-1:40
Block 6	1:45-2:35
Block 7	2:40-3:30

Tuesday / Friday

Block 1	8:00-8:50
Block 2	8:55-9:45
Block 3	9:50-10:40
Block 4	10:45-11:35
Lunch	11:35-12:10
Block 5	12:15-1:05
Block 6	1:10-2:00
Seminar	2:05-2:35
Block 7	2:40-3:30

Wednesday

Block 1	8:00-9:35
Block 3	9:45-11:20
Lunch	11:20-12:05
Block 5	12:10-1:45
Block 7	1:55-3:30

Thursday

Block 2	8:00-9:35
Seminar	9:45-11:20
Lunch	11:20-12:05
Block 4	12:10-1:45
Block 6	1:55-3:30

FREE & REDUCED LUNCHES

Every year each student who wishes to be considered for free & reduced lunches must have their parent or guardian fill out a new application.

The best method of doing this is online. Completing your application online takes significantly less time and will facilitate a quicker turnaround time for determining your status.

Please click the link below to take you to this online application:

<https://d6applyformeals.greeleyschools.org/>

If you prefer to fill out a paper application you can pick this application up from the main office or go directly to Nutrition Services at the Service Center located at 2504 4th Avenue. Please note that filling out a paper application does take longer to process and get results.

Please note that students who have not had an application processed by one of the last days in September will have a "paid" status until approximately the end of the first week in October. After that date, the student's free & reduced status will be revoked, so please don't wait until the last minute to complete this application. Please check with Nutritional Services for all required due dates & information:

[Click here for the Nutritional Services Page](#)

Click Here to Apply Online for
Free & Reduced Meals!

PARKING ISSUES

Please be aware of where you are parking in each of the parking lots. There have been instances where emergency vehicles have needed to access the school and cars have been illegally parked in the lots, making it impossible for these vehicles to get where they need to be.

We realize that with the larger student population this year it is tougher to find available parking spaces. Please remember that in order to keep the flow of traffic through the parking lots, everyone needs to adhere to all parking signs and lines.

With the increased number of illegally parked vehicles, our School Resource Officers from the Greeley Police Department will be issuing tickets for those cars parked illegally.

STUDENT DROP-OFF

Please drop students off at the West entrance (student parking lot) in the morning for school. This parking lot is designed for a better flow of traffic. The Faculty parking lot (located on the North side of the building) is not designed for high-volume traffic and by trying to drop your student off at the North doors creates a bottleneck on 15th Street and in the parking lot itself.

The West entrance (student parking lot) creates a safer area for your student to get into the building rather than having them walk across 15th Street in traffic. Thank you for your attention to this as we strive to keep the area safe for not only your student but for you as well.

ATTENDANCE

To report an absence for your student please call the attendance line directly at **(970) 348-5014**.

Please also remember to bring a photo ID with you when you come to pick up your child. Although some staff may know the parents of students, not everyone in the office may be familiar with you or your child.

Thank you for your cooperation.

[CLICK HERE to go to the Attendance page.](#)

Please note that during testing, field trips, or athletic events, your student may initially be marked absent until later that afternoon. Attendance for some testing or school events is delayed due to receiving final student attendance lists from the testing rooms or field trip chaperones/coaches. We thank you in advance for your understanding.

Greeley Central High School

Mr. Cary Smith, Principal
Greeley, Colorado 80631
Ph (970) 348-5009 Fax (970) 348-5030

Dear Wildcat Families:

November 5 is a very important election day for Greeley-Evans School District 6, and I want to be sure our families have the factual information they need to make an informed decision at the polls.

A Citizen's Task Force asked the District 6 Board of Education to place a bond issue on the November 5 ballot. This ballot measure asks voters in Greeley and Evans to approve a \$395 million bond issue that can be used for building improvements, repairs and renovations, as well as equipment and furniture. It cannot be used for salaries or programs.

It has been 17 years since District 6 has built any additional schools, and, in nearly the same time, the district has grown by 7,000 students. District-wide our schools are 5,000 students over capacity, and 142 of our classrooms are portable buildings.

Overall, this bond issue will help District 6 to begin to address overcrowding and plan for future growth. Five schools have been recommended for demolition and a complete rebuild: Greeley West High School, Madison Elementary School, Scott Elementary School and Brentwood Middle School. The first two--Greeley West and Madison--will be demolished and rebuilt as larger schools with more capacity. As well, a new K-8 school will be funding to provide additional classrooms and relieve overcrowding.

Large additions will also be constructed at McAuliffe STEM Academy K-8 and Chappelow Arts Magnet K-8. Both schools are significantly over capacity and facilities such as gymnasiums, cafeterias and performing arts spaces are not adequate for the number of students.

If 4C is approved by voters, every school in District 6, including charter schools, will receive money for repairs and renovations, like heating and cooling upgrades, roof repairs, carpet replacement and asbestos abatement, paint in critical areas and improvements for accessibility to comply with the Americans With Disabilities Act. Every school will also receive money for upgrades to safety and security, including safe entryways at all schools and improved door hardware for interior doors.

Also, each school will be provided funding for instructional upgrades to be determined through a collaborative process that will include the school community. Improvements could include STEM labs, project-based learning spaces, furniture, classroom modifications, fine arts equipment and supplies, health and wellness equipment and spaces, or other capital improvements that support career and technical education programs.

I have again included the flyer that talks about how much our schools will receive from Bond Issue 4C. I ask that you take a minute to review this, and if you have any questions, please let me know.

If you would like more information, including commonly asked questions about Bond Issue 4C, the ballot please visit the District 6 website at www.greeleyschools.org/2019bond.

Thank you for taking the time to learn about this important ballot issue, and all the other local elections that will be on the November 5 ballot. This is an all mail-in election, and ballots will begin being sent to homes in Weld County on October 14. We encourage you to participate in this election. Thank you, Wildcats!

Mr. Cary Smith, Principal

Greeley Central High School

Mr. Cary Smith, Principal
Greeley, Colorado 80631
Ph (970) 348-5009 Fax (970) 348-5030

Estimadas familias de la Greeley Central Wildcats:

El 5 de noviembre es un día de elecciones muy importante para el Distrito Escolar 6 de Greeley-Evans y quiero asegurarme que nuestras familias tengan la mayor información que necesitarán para poder tomar una decisión informada al votar.

Un comité conformado por ciudadanos solicitó a la Mesa Directiva del Distrito 6 que colocara una propuesta "bond issue" en la papeleta electoral del 5 de noviembre. Esta medida electoral pide a los votantes en Greeley y Evans aprobar una propuesta de \$ 395 millones que podrán usarse para hacer reparaciones, mejoras y renovaciones de edificios escolares, así como también a equipos y muebles. No podrá usarse para salarios o programas.

Han pasado 17 años desde que el Distrito 6 construyó escuelas nuevas, y en ese mismo lapso de tiempo el distrito ha tenido un crecimiento de aproximadamente 7,000 estudiantes. En todo el distrito, nuestras escuelas tienen un sobrecupo de más de 5,000 estudiantes y 142 de nuestras aulas son edificios portátiles.

En general, esta propuesta ayudará al Distrito 6 a empezar a resolver el problema de sobrecupo y a planificar para el crecimiento futuro. Se nos ha recomendado que cinco escuelas sea derrumbadas y se vuelvan a reconstruir en su totalidad: la Escuela Preparatoria Greeley West , Escuela Primaria Madison, Escuela Primaria Scott y la Escuela Secundaria Brentwood. Las dos primeras, Greeley West y Madison, serán derribadas y reconstruidas como escuelas más grandes y con mayor capacidad. Así también, se utilizarán estos fondos para construir una escuela nueva K-8 que proporcionará aulas adicionales y resolverá el sobrecupo.

También se harán adiciones importantes a la Academia McAuliffe STEM K-8 y Chappelow Arts Magnet K-8. Ambas escuelas tienen un sobrecupo significativo y las instalaciones de sus gimnasios, cafeterías y espacios de artes escénicas no son adecuadas para la cantidad de estudiantes.

Si los votantes aprueban la propuesta 4C, todas las escuelas del Distrito 6, incluyendo las escuelas chárter, recibirán fondos para reparaciones y renovaciones, tales como mejoras a los sistemas de calefacción y aire acondicionado, reparaciones de techos, reemplazo alfombras y remover asbesto, pintar donde sea más necesario y mejoras para la accesibilidad en conformidad con la Ley de Americanos con Discapacidades. También cada escuela recibirá fondos para mejorar la seguridad, incluyendo la seguridad de entradas en todas las escuelas y cerrojos y equipo de las puertas interiores.

Además, cada escuela recibirá fondos para actualizar la instrucción; esto se determinará mediante un proceso colaborativo que incluirá a la comunidad estudiantil. Las remodelaciones podrán incluir laboratorios STEM, espacios de aprendizaje en base a proyectos, mobiliario, modificaciones en los salones, equipo y materiales para las artes, equipos y espacios para bienestar y salud, u otras mejoras importantes que ayudan a los programas de educación profesional y técnica.

Nuevamente adjunto he incluido el volante que habla sobre cuánto recibirán nuestras escuelas del Bond Issue 4C. Le pido que tome un minuto para leerlo, y si tiene alguna pregunta, hágamelo saber.

Si desea obtener más información, incluyendo preguntas más frecuentes sobre la propuesta 4C, el lenguaje utilizado en la boleta electoral, el estudio de necesidades de instalaciones o sobre el registro de votantes, visite la página de internet del Distrito 6 en la www.greeleyschools.org/2019bond.

Gracias por tomarse el tiempo para informarse sobre este importante tema de la papeleta electoral y sobre todas las demás propuestas o elecciones locales que se estarán en la papeleta electoral del 5 de noviembre. Esta es una elección por correo y el 14 de octubre se comenzarán a enviar las papeletas electorales a los hogares del condado Weld. Lo animamos a participar en esta elección. ¡Gracias!

Cary Smith, Director

2019 Bond Proposal

Greeley Central High School Investment Plan

1515 14th Avenue
Greeley, Colorado

Year constructed: 1927
Number of students: 1,545 (2018)
Building capacity: 1,261
Number of staff: 112
Student grade levels: 9-12

Square footage of main building: 207,991
Number of temporary portable classrooms: 0

PROPOSED REPAIRS AND RENOVATION IN THE 2019 BOND ISSUE

- Enhance safety and security, including improved entry
- Partial roof replacement
- Replace aging door hardware for improved function and security
- Remove and replace areas of worn carpet and flooring; abate asbestos where needed
- Paint and refinish walls and ceilings based on greatest need
- Replace boilers and cooling tower
- Accessibility improvements in accordance with the Americans with Disabilities Act (ADA)

PROJECTED BUDGET:

\$8,650,000 - \$10,110,000*

**Final budget will be developed in the design phase*

INSTRUCTIONAL/CAREER AND COLLEGE PREPARATION UPGRADES

Each school will be provided funding for instructional upgrades to be determined through a collaborative process that will include the school community. Improvements could include STEM labs, project-based learning spaces, furniture, classroom modifications, fine arts equipment and supplies, health and wellness equipment and spaces, or other capital improvements that support programs and students.

PROJECTED BUDGET:

\$1,500,000

Expenditure of these dollars will be unique to each building and will be overseen by the District 6 Department of Finance and the Bond Oversight Committee.

For more information, visit www.greeleyschools.org/2019bond

Greeley-Evans
WELD COUNTY SCHOOL DISTRICT 6

Arguments for:

- Greeley-Evans School District 6 schools are currently 5,000 students over capacity district-wide.
- District 6 has not constructed any additional, non-charter schools since 2003. The District has grown by 7,000 students in the past 20 years.
- The money from this ballot measure will provide much-needed funding for repairs and renovations of public schools, including charter schools.
- This ballot issue will also begin to address capacity issues by constructing a new K-8 and adding capacity to some schools.
- The State of Colorado does not provide specific funding to school districts for capital improvements, including new schools, major renovations and repairs, upgrades to security and safety, upgrades to systems such as heating and cooling, or renovations for programs. The only funding available for capital projects comes through state grants, which require significant matching funds and don't cover all needs.
- It is the responsibility of District 6 and the community to do everything possible to ensure students and staff are safe. This measure would pay for additional security measures, such as safe entryways, updated locks and door hardware and the removal of some portable buildings.
- A Bond Oversight Committee will be appointed to ensure that District 6 uses the money from the Bond to fund programs and learning opportunities as promised.

Arguments against:

- Taxes should not support schools because they only serve students, which is a small segment of the population.
- This measure would increase property taxes. Due to the Gallagher amendment, this puts a larger burden on business owners in the communities of Greeley and Evans.
- District 6 doesn't need additional revenue. It should make cuts to fund facility needs.
- There is not sufficient accountability or oversight on how this money will be used.
- It is the responsibility of the state to fund public education. This measure asks local property owners to take on some of that responsibility.
- Some may not agree with how District 6 has spent its money to this point, and believe there is room for better financial management.
- District 6 should find money from other sources, such as charitable organizations and grants.

Propuesta en la Papeleta Electoral “Bond Issue” del 2019

Plan de Inversión de la Escuela Preparatoria Greeley Central

**1515 14th Avenue
Greeley**

Año de construcción: 1927
Número de estudiantes: 1,545 (2018)
Capacidad del edificio: 1,261
Número de empleados: 112
Nivel académico: 9-12

Pies cuadrados del edificio principal: 207,991
Número de salones portátiles temporales: 0

RECOMENDACIÓN DE REPARACIONES Y RENOVACIONES EN LA PROPUESTA DEL 2019:

- Mejorar la seguridad y protección, incluyendo seguridad de entradas
- Reemplazo parcial del techo
- Para mejorar la funcionalidad y seguridad, reemplazar cerrojos y equipo antiguo de las puertas
- Reemplazar y remover partes de pisos y alfombras que estén desgastados; remover asbesto donde sea necesario
- Pintar y restaurar paredes y techos en donde sea más necesario
- Reemplazar boilers y unidad de refrigeración
- Mejorar la accesibilidad en conformidad con la Ley de Americanos con Discapacidades (ADA, por sus siglas en inglés)

Presupuesto Proyectado:

\$8.65 millones - \$10.11 millones*

**El presupuesto final se desarrollará durante la fase de diseño*

REMODELACIONES A EDIFICIOS PARA MEJORAR LA INSTRUCCIÓN/PREPARACIÓN VOCACIONAL Y SEGUIMIENTO A LA UNIVERSIDAD

Cada escuela recibirá fondos para actualizar la instrucción estos cambios serán determinados a través de un proceso colaborativo que incluirá a la comunidad estudiantil. Las remodelaciones podrán incluir laboratorios STEM, espacios de aprendizaje en base a proyectos, mobiliario, modificaciones a los salones, equipo y materiales para las Artes, equipo y espacios para bienestar y salud u otras mejoras importantes que ayudan a los estudiantes y programas.

Presupuesto Proyectado:

\$1.5 millones

Cada edificio usará sus fondos de diferente manera y serán supervisados por el Departamento de Finanzas del Distrito 6 y el Comité de Supervisión de la Propuesta.

Para más información, visite la página de internet
www.greeleyschools.org/2019bond

Greeley-Evans
WELD COUNTY SCHOOL DISTRICT 6

Argumentos a Favor:

- A nivel distrito, las escuelas del Distrito Escolar 6 de Greeley-Evans actualmente tienen un sobre cupo de 5,000 estudiantes a nivel distrito.
- El Distrito 6 no ha construido ninguna escuela adicional, aparte de escuelas chárter desde el 2003. En los últimos 20 años el Distrito ha tenido un crecimiento de más de 7,000 estudiantes.
- El dinero recaudado de esta propuesta en la papeleta electoral proporcionará fondos muy necesarios para reparaciones y renovaciones de escuelas públicas, incluyendo las escuelas chárter.
- Esta propuesta también nos dará la oportunidad de empezar a resolver problemas de sobre cupo al construir una nueva escuela K-8 y así agregar más cupos en algunas escuelas.
- El estado de Colorado no proporciona fondos específicos para mejoras capitales a los distritos escolares, incluyendo escuelas nuevas, renovaciones y reparaciones importantes, actualizar sistemas de seguridad y protección, mejorar sistemas de calefacción y aire acondicionado o renovaciones de programas. Los únicos fondos disponibles para proyectos capitales provienen de subsidios estatales, los cuales requieren fondos complementarios significantes y aun así no alcanzan a cubrir todas las necesidades.
- Es la responsabilidad del El Distrito 6 y de la comunidad de hacer todo lo que esté a su alcance para garantizar la seguridad de estudiantes y del personal. Esta medida pagaría por medidas de seguridad adicionales, tales como seguridad de las entradas a los edificios, actualizar los cerrojos y equipo de puertas, y para quitar algunos de los edificios portátiles.
- Se nombrará a un Comité de Supervisión de la Propuesta para garantizar que el Distrito 6 utilice los fondos de la propuesta (Bond) para costear los programas, reparaciones, renovaciones y mejoras según lo prometido.

Argumentos en Contra:

- Los impuestos no deben usarse para financiar las escuelas porque estas solo sirven a los estudiantes, los cuales son solo un pequeño sector de la población.
- Esta medida aumentará los impuestos prediales. La enmienda Gallagher causa que esto sea una carga más grande a los dueños de negocios en las comunidades de Greeley y Evans.
- El Distrito 6 no necesita ingresos adicionales. Deberá hacer recortes para poder financiar las necesidades de los edificios.
- No hay suficiente supervisión o claridad en cómo se utilizará este dinero.
- El estado tiene la responsabilidad de financiar la educación pública. Esta medida pide a los propietarios locales asumir parte de esta responsabilidad.
- Algunas personas pueden no estar de acuerdo en cómo el Distrito 6 ha usado el dinero hasta ahora, y creen que existe un margen para un mejor el manejo financiero.
- El Distrito 6 debe encontrar fondos a través de otras fuentes, tales como organizaciones sin fines lucrativos o subsidios.
