A Message from our Principal

Merry Christmas and Happy Holidays from the Castle,

It's December! It's a great time of year for family and sharing and giving. I'm amazed that the 2nd semester is so close to the end. With that in mind, final exams are right around the corner, signaling the end of the first semester! Credits and attendance are so important! And being present during these last 3 weeks are extremely important. Having poor attendance is the primary cause of students not passing classes and not earning credits for graduation! The final exam schedule for the Fall Semester can be found in this newsletter below.

It's also a great time of year because of our holiday performances; make sure that you check out our holiday Arts Magnet Performances that are listed later in this newsletter!

I wanted to let you know of a couple of concerns at The Castle--our students getting to class on time and our failure rate.

During the first semester, we have had an extremely high amount of student tardies in all classes. It is important for your student to be in class and on time--there is no good reason for a student to be tardy. We'd love to include your help in this--teachers will be contacting parents on a regular basis if tardies continue in a class. If tardies continue to be a problem, detentions will be assigned by teachers and eventually, administrators. Being on time is an important life skill and necessary to ensure that instruction is not missed. It is also a necessary job skill, which I know most of you understand. Please have a conversation with your students about being in class and being there on time!

PRIDE

CLASS

DIGNITY

We are working hard to provide teaching and learning to our students; however, we have an unusually high failure rate. We have provided after-school tutoring and are hosting Saturday School every other week as well as leveraging a bit more time for Seminar. These are opportunities to further help your student succeed. In addition, our teachers meet on Professional Learning teams to ensure their curriculum is engaging and challenging. Please help us by encouraging your student to complete his/her homework, give them a safe, quiet space in which to complete it, and encourage him or her to stay after school and/or attend Saturday School. We want all our students to walk across our stage at graduation and go on from the Castle to live happy, productive, engaged lives.

SAT Practice....

The State of Colorado will be offering the SAT test during the state testing window for Juniors. This FREE college reportable entrance test is important for all students. Because the importance of it, this assessment, a team of GCHS teachers are developing structured practice to ALL of our juniors. We will have an in-school "SAT Field Trip" during February or March to offer this training and experience to our juniors. This training, usually very expensive when offered by outside agencies, will be provided to all juniors for FREE. The scheduled date will be announced after the Holiday Break!

Cary Smith, Principal

Tutoring After School...and Saturday School

Need some help with a class or two? Need some extra time to get some other homework completed?

Well, you're in luck! Tutoring is available for GCHS students Tuesday-Friday (when school is in session) from 3:30pm-5:00pm in the Library Computer Lab (room 215).

If tutoring is cancelled we will announce the cancellation as soon as we know.

Questions? Contact Bre Staut (bstaut@greeleyschools.org), Julie Boecking-Rowell (jrowell@greeleyschools.org), or Justin Davis (jdavis@greeleyschools.org).

Also, Saturday school will be offered throughout the year. Dates are listed below and will be from 8am-11am on the remaining semester 1 Saturdays listed below. Help in all content areas will be provided. If you have questions regarding Saturday school, please contact Amy Bekins at abekins@greeleyschools.org. **The remaining date for Saturday school is December 14th.**

Senior News

We are still working on our FAFSA. What is FAFSA?

To apply for federal student aid, such as federal grants, work-study, and loans, you need to complete the Free Application for Federal Student Aid (FAFSA). FAFSA gives you access to the largest source of financial aid to pay for college or career school. In addition, many states and colleges use the student's FAFSA information to determine his or her eligibility for state and school aid, and some private financial aid providers may use the student's FAFSA information to determine whether the student qualifies for their aid. The Greeley Central Senior team is still helping our families complete this important step. Please reach out to them to make an appointment.

All senior students should have received an email invitation to join our senior class Google classroom which was sent to their school email. Please be sure that you accept the invitation, we will be updating it daily and sending important information this way.

Here you will be able to:

- Access instructions for completing your senior duties
- Contact the senior team
- Download forms
- Access your senior checklist
- Scholarship Applications

*If you haven't received an invite use the code **um3r6ge** to become a member of the class. Every senior must join.*

Parents and guardians may request access to the Google classroom by emailing Ms. Boschmann at kboschmann@greeleyschools.org or Mrs. Koesler at ckoesler@greeleyschools.org.

A Message from the Counselors

How to make an appointment with the counselor:

- Go to www.greeleyschools.org/greeleycentral
- Click Menu
- Click on Counseling Tab
- Scroll to find your counselor (all the way at the bottom)
- Click on **MAKING AN APPOINTMENT WITH:**
 - 9th grade- Mrs. Parsell
 - 10th grade-Mrs. Dillon
 - 11th grade-Mrs. Villarreal
 - 12th grade-Ms. Boschmann
 - 12th grade College- Mrs.Koesler

Please make sure to follow enter all of the information requested on the appointment screen and add the reason why you are making the appointment. This will help the counselors to be prepared for the meeting.

Freshman:

My name is Sarah Parsell and I am the Freshman Counselor. In the second six weeks, our focus is getting those grades up! Tutoring is available to students after school Tuesday through Friday and is a great way to get in those missing assignments. We are also working on second semester schedules and will have Freshman finalized by the end of the month. Make an appointment with me if you have questions.

Sophomore:

My name is Sara Dillon and I am the Sophomore Counselor. At the end of October we took the ASVAB which with a score of 31 or higher checks off the new additional graduation requirements for both Math and English. I am working to finalize second semester schedules which I hope to have done by the end of the month. One focus right now is working with students who struggled in classes last year to try and get grades up so they can graduate on time at Central. Please encourage your students to take advantage of after school tutoring Tuesday- Fridays from 3:30 to 4:45 and Saturday Schools on November 9, November 23 and December 14 from 8am-11am. Please schedule an appointment with me for any questions or concerns.

Junior:

My name is Kendra Villarreal. I am super excited to be the Junior Counselor! It is exciting to be looking forward to graduation and accomplishing future goals with the class of 2021!

Currently, we are talking about career plans and ensuring our Juniors have completed the new Graduation Guideline requirements set by the state of Colorado. Students need to achieve scores on tests that show competency in Math and English. Many of our juniors have accomplished this requirement by scoring a 31 on the ASVAB. The next opportunity will be taking the SAT test in April. Students must earn a 500 in Math and a 470 in English to reach this requirement.

To prepare, students can access free SAT preparation activities on khanacademy.org. Test practice books are also available online or at local bookstores.

To make an appointment to see me, go to www.greeleyschools.org/greeleycentral; hover over "Counseling", scroll down the page and click on "Make an appointment with Mrs. Villarreal. I can also be reached at 970-348-5020.

A Message from the Counselors Continued

Senior:

My name is Katrina Boschmann, I am the Senior class counselor this year and Claudia Koesler is the College Counselor. If you have questions or need assistance with FAFSA, scholarships or college applications please make an appointment with Mrs. Koesler. If you have questions about credits, graduation requirements or scheduling classes please make an appointment with Ms. Boschmann. Currently we are located on the 2nd floor in room 226 at (970) 348-5116 and soon we will be moving into our newly renovated offices in room 113 across the hall from the attendance office. Our phone numbers will be changing at that time as well. Please be alert for those upcoming changes in how to find us. Please check-in for all appointments with Heather Endres in the counseling office and she will contact us, that way you won't miss us if we're not in the office!

Career Pathway Specialist:

My name is Lizette Guerrero and I am the Career Pathway Specialist at GCHS. I am excited to work with all grade levels to identify each student's interest and help align their post-secondary plans with their career goals. I'd like to invite you to our Cars, Careers and Community Fest happening on November 7th here at Central from 11:30 to 4:00! Visit our GCHS Facebook page for more details.

My office is located on the first floor of the Castle in room 117 and my office number is 970-348-5019.

Feel free to reach out and see you at our festival!

Notes from the Health Office:

Flu season is here.....

- The CDC recommends that everyone 6 months and older get vaccinated this season.
- Here are some other tips for staying healthy:
 - Wash your hands with soap and water frequently during the flu season.
 - Avoid touching your eyes, nose or mouth.
 - Cover your mouth or tuck it into your elbow when coughing or sneezing.
 - Avoid contact with people who are sick.
 - Don't share drinks or utensils with others.
 - Stay home with fever over 100.5 F, chills, head and body aches, or uncontrollable cough.
- For more information about flu prevention, <https://www.cdc.gov/flu/protect/habits.htm>

Vision/Hearing Screening

- If you receive a Vision Referral Letter for your student in the mail, this means that your child did not pass the screening and needs further vision follow-up with a vision professional.
- Medicaid, CHP+, and private insurance cover vision exams and glasses. If you do not have insurance and need assistance with getting a vision exam or glasses for your student, please contact the health office for additional resources.

FREE & REDUCED LUNCHES

Every year each student who wishes to be considered for free & reduced lunches must have their parent or guardian fill out a new application.

The best method of doing this is online. Completing your application online takes significantly less time and will facilitate a quicker turnaround time for determining your status.

Please click the link below to take you to this online application:

<https://d6applyformeals.greeleyschools.org/>

If you prefer to fill out a paper application you can pick this application up from the main office or go directly to Nutrition Services at the Service Center located at 2504 4th Avenue. Please note that filling out a paper application does take longer to process and get results.

Please note that students who have not had an application processed by one of the last days in September will have a "paid" status until approximately the end of the first week in October. After that date, the student's free & reduced status will be revoked, so please don't wait until the last minute to complete this application. Please check with Nutritional Services for all required due dates & information:

[Click here for the Nutritional Services Page](#)

Click Here to Apply Online for
Free & Reduced Meals!

ATTENDANCE

To report an absence for your student please call the attendance line directly at **(970) 348-5014**.

Please also remember to bring a photo ID with you when you come to pick up your child. Although some staff may know the parents of students, not everyone in the office may be familiar with you or your child.

We require at least one (1) hour's notice to release students so please plan ahead.

Thank you for your cooperation.

[CLICK HERE to go to the Attendance page.](#)

Please note that during testing, field trips, or athletic events, your student may initially be marked absent until later that afternoon. Attendance for some testing or school events is delayed due to receiving final student attendance lists from the testing rooms or field trip chaperones/coaches. We thank you in advance for your understanding.

PARKING ISSUES

Please be aware of where you are parking in each of the parking lots. There have been instances where emergency vehicles have needed to access the school and cars have been illegally parked in the lots, making it impossible for these vehicles to get where they need to be.

We realize that with the larger student population this year it is tougher to find available parking spaces. Please remember that in order to keep the flow of traffic through the parking lots, everyone needs to adhere to all parking signs and lines.

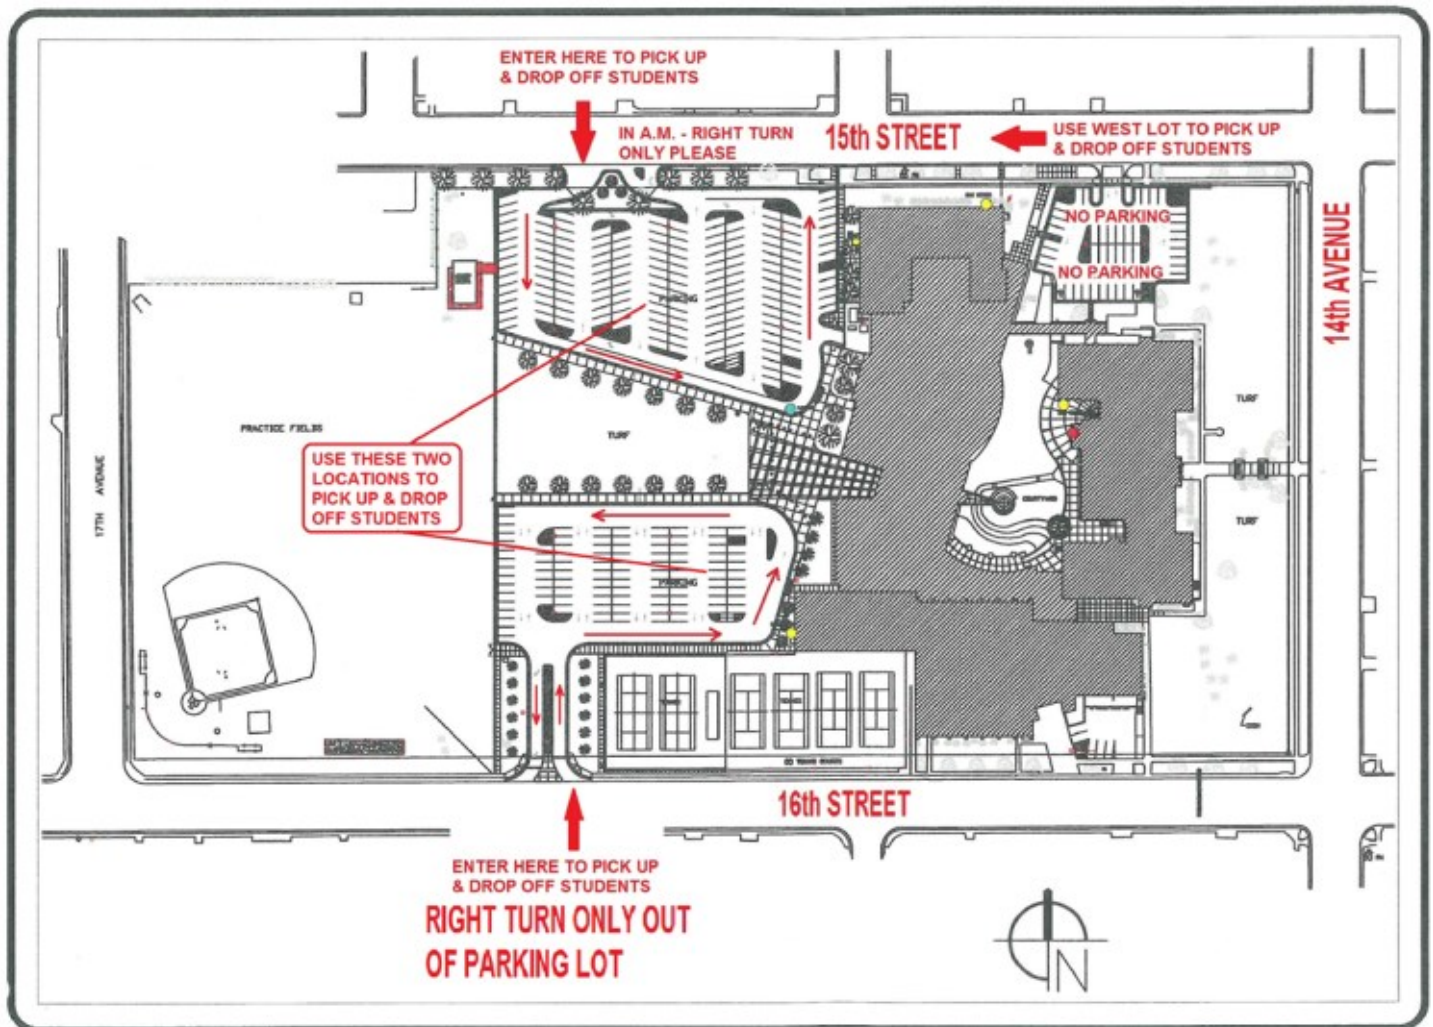

With the increased number of illegally parked vehicles this year, from this point on (April 5th, 2019), our School Resource Officers from the Greeley Police Department will be issuing tickets for those cars parked illegally.

STUDENT DROP-OFF

Please drop students off at the West entrance (student parking lot) in the morning for school. This parking lot is designed for a better flow of traffic. The Faculty parking lot (located on the North side of the building) is not designed for high-volume traffic and by trying to drop your student off at the North doors creates a bottle-neck on 15th Street and in the parking lot itself.

The West entrance (student parking lot) creates a safer area for your student to get into the building rather than having them walk across 15th Street in traffic. Thank you for your attention to this as we strive to keep the area safe for not only your student but for you as well

We will be blocking off the Faculty parking lot in the mornings and afternoons to try to eliminate this bottleneck. Please do not stop in the middle of the street (15th Street) to let your students run across traffic. This is not safe and is not legal. Please use the student parking lot for dropping off students.

November 5, 2019

Dear Parents,

This month, our school will continue asking for your child's feedback through an online survey in order to learn more about student experiences in our district. The survey will be given beginning November 18th through December 20th, and will be taken by all students in the district who are in grades 3-12.

Our school district has partnered with a third-party vendor, Panorama Education, to administer the survey in our school. The survey will be given online and students will complete the survey at school. The survey will not take more than 20 to 30 minutes for students to complete.

All survey responses about classrooms are kept confidential and a student's specific answers will never be made available to any district staff. The survey does not count for points, and will have no reflection on your child's grades.

The feedback received from the online survey will provide invaluable insights into student experiences and how to improve and adapt our district to your child's needs. If your child doesn't feel like they have enough information to answer a question, they will be able to skip the question.

Thank you for allowing us to improve your child's experience,

Cary Smith, Principal
