A Message from our Principal

It is difficult to believe that we are already four weeks into the second semester. Last week, we honored over 100 students who received a 4.0 G.P.A. for the first semester! It is very difficult to earn a 4.0 G.P.A. at The Castle, and we appreciate all of the effort these students applied to their classwork. Many of these students are also active in extracurricular activities, clubs and athletics. Look for these students as well as other honor roll students later in this newsletter!

We also played West in basketball this last weekend--our girls won and our boys lost; however, what was really cool was to see Jim Baggot Gymnasium full to the brim with students and families. Our students cheered appropriately and seemed to have a lot of fun.

Parent-Teacher Conferences

Parent-Teacher Conferences are scheduled for **Thursday, February 20th from 4pm - 8pm**. We will hold these conferences in the gym and lobbies (arena-style). In addition, we hold a meeting for those interested in Advanced Placement classes, Honors-level classes and the other programs and classes we offer here at Central that same night—6pm and 7pm in the Lecture Hall upstairs right off the gym lobby.

FAFSA

Parents: If your **senior** has not yet applied for the FAFSA (Free Application for Federal Student Aid), they should do so during break. Scholarship applications will begin opening in January, and many will not process applications if the FAFSA isn't complete. Go to www.fafsa.ed.gov. You will need 2016 taxes for you and your senior (if applicable). There will be help available during Parent Teacher Conferences in the Library Computer Lab.

AP Classes for the 2020-21 School Year

The next few months are an important time for our AP program at Greeley Central. It's hard to believe, but by the end of the month, discussions will begin about classes for the 2020-2021 school year! The lifeblood of our AP program is the simple act of students registering for an AP class. The 22 AP classes that are offered at Greeley Central are made possible by students.

Taking an AP class is a great way to challenge yourself academically and show colleges that you are serious about your education. Since AP courses are rigorous and require you to study for a comprehensive exam, they teach you skills that will help you in college classes. According to College Board, students who take AP exams get higher grades in college than those with similar classes who don't take AP exams.

Next year we will be continuing to offer the AP Capstone program at Greeley Central. This is a diploma program from College Board designed to equip students with skills in research, teamwork, collaboration, and communication skills increasingly valued by colleges. To earn the AP Capstone diploma, students will take AP research, AP Seminar, 4 AP classes of their choice, and score a 3 or higher on each exam. AP seminar will continue to be offered in the next year for sophomores and juniors who want to pursue this prestigious opportunity.

In addition, we are excited to adopt a new AP course in Computer Science. More on this to come; however, if you have any questions about AP classes, on February 20th at Greeley Central during Parent/Teacher Conferences please stop by the lecture Hall at 6:00 or 7:00 for an AP discussion and Q & A.

Tutoring After School...and Saturday School

Need some help with a class or two? Need some extra time to get some other homework completed?

Well, you're in luck! Tutoring is available for GCHS students Tuesday-Friday (when school is in session) from 3:30pm-5:00pm in the Library Computer Lab (room 215).

If tutoring is cancelled, we will announce the cancellation as soon as we know.

Questions? Contact Bre Staut (bstaut@greeleyschools.org), Julie Boecking-Rowell (jrowell@greeleyschools.org), or Justin Davis (jdavis@greeleyschools.org).

Also, Saturday school will be offered throughout the rest of the semester and will be held from 8am-11am on the semester 2 Saturdays listed below. Help in all content areas will be provided. If you have questions regarding Saturday school, please contact Amy Bekins at abekins@greeleyschools.org.

Dates for Saturday school during semester 2 are listed below:

- February 8
- February 22
- March 7
- April 4
- April 18
- May 2
- May 16

Graduation Information

Please note that graduation for the class of 2020 will be held at District 6 Stadium (100 N. 71st Avenue) on the Northridge High School campus. Graduation will be held on Saturday, May 23rd at 12pm.

Finals will be held May 18th through Thursday, May 21st. A final bell schedule will be posted as soon as one becomes available.

Testing Information - WIDA Testing

WIDA testing will occur January 21 - January 27. Student rosters and room locations will be created and put around the school so that students know when and where they will be testing. Make-up sessions will be available to students January 28 - February 14.

WIDA testing provides the opportunity to all English Language Learners to show proficiency in ELA while testing in the following domains: Listening, Reading, Writing and Speaking. A student can meet the ELA graduation requirement if he/she moves up one level as a result of the WIDA.

Athletics

Encourage your student to come and support their peers who are playing in a winter sport. Every week there is at least one opportunity to attend a "home" event. Going to sporting events fosters a feeling of belonging and builds school spirit. Check the Greeley Central home page under "Athletics" for the most up-to-date schedule. Go Cats!

Spring Sports are just around the corner. Registration for them starts on February 1. If your student plans to participate in a spring sport please plan on attending the Spring Sports Night on Monday, February 24th at 6:30pm in the Library. There will be a general meeting there before breaking off into groups by sport. Important information pertaining to your student's sport will be given at this meeting. Spring sports include Baseball, Girls Soccer, Boys Swimming (register through Greeley West), Girls Tennis, Boys/Girls Track & Field, Girls Golf (register through Northridge), and new this year, Boys Volleyball. The start of spring sports will be Monday, March 2nd right after school at 3:30pm.

To register, use the following link (also located on the Greeley Central home page:

<https://greeleycentral-ar.rschoolday.com/>

Head Coaches for Greeley Central Spring Sports are:

- Boys/Girls Track & Field (co-ed) - Marty Neibauer (mneibauer@greeleyschools.org)
- Baseball - Zach Brockmann (zbrockman@greeleyschools.org)

BRIGHT FUTURES GRANT PROGRAM

The Bright Futures program was designed with one objective in mind—strengthening the vitality of the Weld County community through its workforce. By nurturing and supporting our young generation, we are building a strong foundation for a stable economy. Understanding the importance of trade skills as well as academic skills, the Board of Commissioners designed the program to financially assist students who pursue post-secondary education or training from an accredited higher-education institution or certified training program. The program is funded by taxpayers for qualifying Weld County residents who have graduated from high school, GED recipients and honorably discharged U.S. Veterans, after 2016. Qualified and accepted recipients receive financial assistance for pursuing post-secondary education or training from a Title IV accredited higher education institution or certified training program.

For more information go to <http://www.brightfuturesco.com>. Please see flyer later in this newsletter.

Excellence Assembly & Pep Rally (held Friday, January 24th)

On Friday, January 24th we held our Excellence Assembly & Pep Rally in preparation of the Greeley Central versus Greeley West basketball games on Saturday, January 25th. In this assembly, we honored those students who have achieved in and outside of the classroom. We acknowledged our students who received a 4.0 during semester one, our AP Scholars, and our Athletes/Scholar Athletes. Please see the list of students and their honors from this assembly located later in this newsletter.

Panorama Family Survey February 3rd-28th, 2020

The Panorama Family survey will open February 3rd and run through February 28th.

The Panorama Company will send email messages to all email addresses listed as parent/guardian in Infinite Campus. This means that if both parents are listed in IC, then each parent will each receive the same survey link and information for their student(s). This is a change from prior years.

Each family will get a link for every school they have a child(ren) enrolled. If there is more than one student enrolled in the same school, parents will be instructed via the email communication from Panorama to answer the survey with their oldest student in mind.

The survey can be accessed using a computer, tablet, or smartphone. The survey is offered in 4 languages: English, Spanish, Somali and Arabic.

Greeley Central will have opportunities to complete this survey during our Parent Teacher Conferences on Thursday, February 20th. Please check your email and complete this survey.

If you can't find your email with this survey link, we will have a generic link located on the Greeley Central homepage for you to use for your Greeley Central student. The link is below as well:

Central vs West Basketball (held on Saturday, January 25th)

Saturday, January 25th was the 54th year of the Greeley Central versus Greeley West basketball rivalry. If you wanted to show up later to the game, you probably wouldn't be able to fit yourself through the door...the **GYM WAS PACKED!** This game brought back memories of how packed our gymnasium and games used to be and the excitement that came with hosting a game at Greeley Central. The Wildcat spirit was definitely present and Mr. James Baggot would be proud of the turnout and sportsmanship in his gym! Let's continue this excitement!

The games were exciting and the student body was very much into the games. We ended up splitting the games with West - our girls' team defeated the Spartans 52-39 and our boys' team lost to the Spartans 36-58.

Leading up to the rivalry games, both Greeley Central and Greeley West took on the challenge of raising funds for one family from each school who is going through (or has gone through) cancer. Both schools sold t-shirts with all proceeds going to these two families.

In between the two games Greeley Central presented a donation to Alma Sanchez and her mom, Alma Valverde.

The girls kept the travelling trophy, the "**Amy Harbert Memorial Award**". This award is presented to the outstanding Girls' basketball player in the Central vs West basketball game. Amy Harbert played her high school career at Greeley West High School and sadly lost her life when she was struck by a drunk driver on her way to attending college at Hastings College in Nebraska. Amy will always be remembered as a passionate player and person who challenged others and herself to be the best they could be. The winner of this year's award went to Micaela Hidalgo.

What a great night to be a Wildcat showing our Pride, Class, and Dignity!

AP TEST REVIEW SESSIONS AT GREELEY CENTRAL

With Advanced Placement testing coming this spring, students in some AP courses will be able to take part in the following test review sessions. Locations are as noted. Please put these dates on your calendar. The review sessions **held at Greeley Central (AP English)** will run from **8am-12pm** in the Greeley Central Library. All other AP review sessions at the other high schools will be determined by those schools. **See their websites for further details and times.**

There will also be an AP night during our February Parent Teacher Conferences starting at 7pm in the P.E. Lecture Hall. Signs will point you in the right direction for this meeting. This meeting is geared toward the parents of our current students who would like more information regarding our AP program and its benefits and requirements/costs.

Notes from the Health Office:

WASH YOUR HANDS FREQUENTLY!!!!

Flu season is here.....

- The CDC recommends that everyone 6 months and older get vaccinated this season.
- Here are some other tips for staying healthy:
 - Wash your hands with soap and water frequently during the flu season.
 - Avoid touching your eyes, nose or mouth.
 - Cover your mouth or tuck it into your elbow when coughing or sneezing.
 - Avoid contact with people who are sick.
 - Don't share drinks or utensils with others.
 - Stay home with fever over 100.5 F, chills, head and body aches, or uncontrollable cough.
- For more information about flu prevention, <https://www.cdc.gov/flu/protect/habits.htm>

Vision/Hearing Screening

- If you receive a Vision Referral Letter for your student in the mail, this means that your child did not pass the screening and needs further vision follow-up with a vision professional.
- Medicaid, CHP+, and private insurance cover vision exams and glasses. If you do not have insurance and need assistance with getting a vision exam or glasses for your student, please contact the health office for additional resources.

FREE & REDUCED LUNCHES

Every year each student who wishes to be considered for free & reduced lunches must have their parent or guardian fill out a new application.

The best method of doing this is online. Completing your application online takes significantly less time and will facilitate a quicker turnaround time for determining your status.

Please click the link below to take you to this online application:

<https://d6applyformeals.greeleyschools.org/>

If you prefer to fill out a paper application you can pick this application up from the main office or go directly to Nutrition Services at the Service Center located at 2504 4th Avenue. Please note that filling out a paper application does take longer to process and get results.

Please note that students who have not had an application processed by one of the last days in September will have a "paid" status until approximately the end of the first week in October. After that date, the student's free & reduced status will be revoked, so please don't wait until the last minute to complete this application. Please check with Nutritional Services for all required due dates & information:

[Click here for the Nutritional Services Page](#)

ATTENDANCE

To report an absence for your student please call the attendance line directly at **(970) 348-5014**.

Please also remember to bring a photo ID with you when you come to pick up your child. Although some staff may know the parents of students, not everyone in the office may be familiar with you or your child.

We require at least one (1) hours' notice to release students so please plan ahead.

Thank you for your cooperation.

[CLICK HERE to go to the Attendance page.](#)

Please note that during testing, field trips, or athletic events, your student may initially be marked absent until later that afternoon. Attendance for some testing or school events is delayed due to receiving final student attendance lists from the testing rooms or field trip chaperones/coaches. We thank you in advance for your understanding.

PARKING ISSUES

Please be aware of where you are parking in each of the parking lots. There have been instances where emergency vehicles have needed to access the school and cars have been illegally parked in the lots, making it impossible for these vehicles to get where they need to be.

We realize that with the larger student population this year it is tougher to find available parking spaces. Please remember that in order to keep the flow of traffic through the parking lots, everyone needs to adhere to all parking signs and lines.

With the increased number of illegally parked vehicles this year, from this point on (April 5th, 2019), our School Resource Officers from the Greeley Police Department will be issuing tickets for those cars parked illegally.

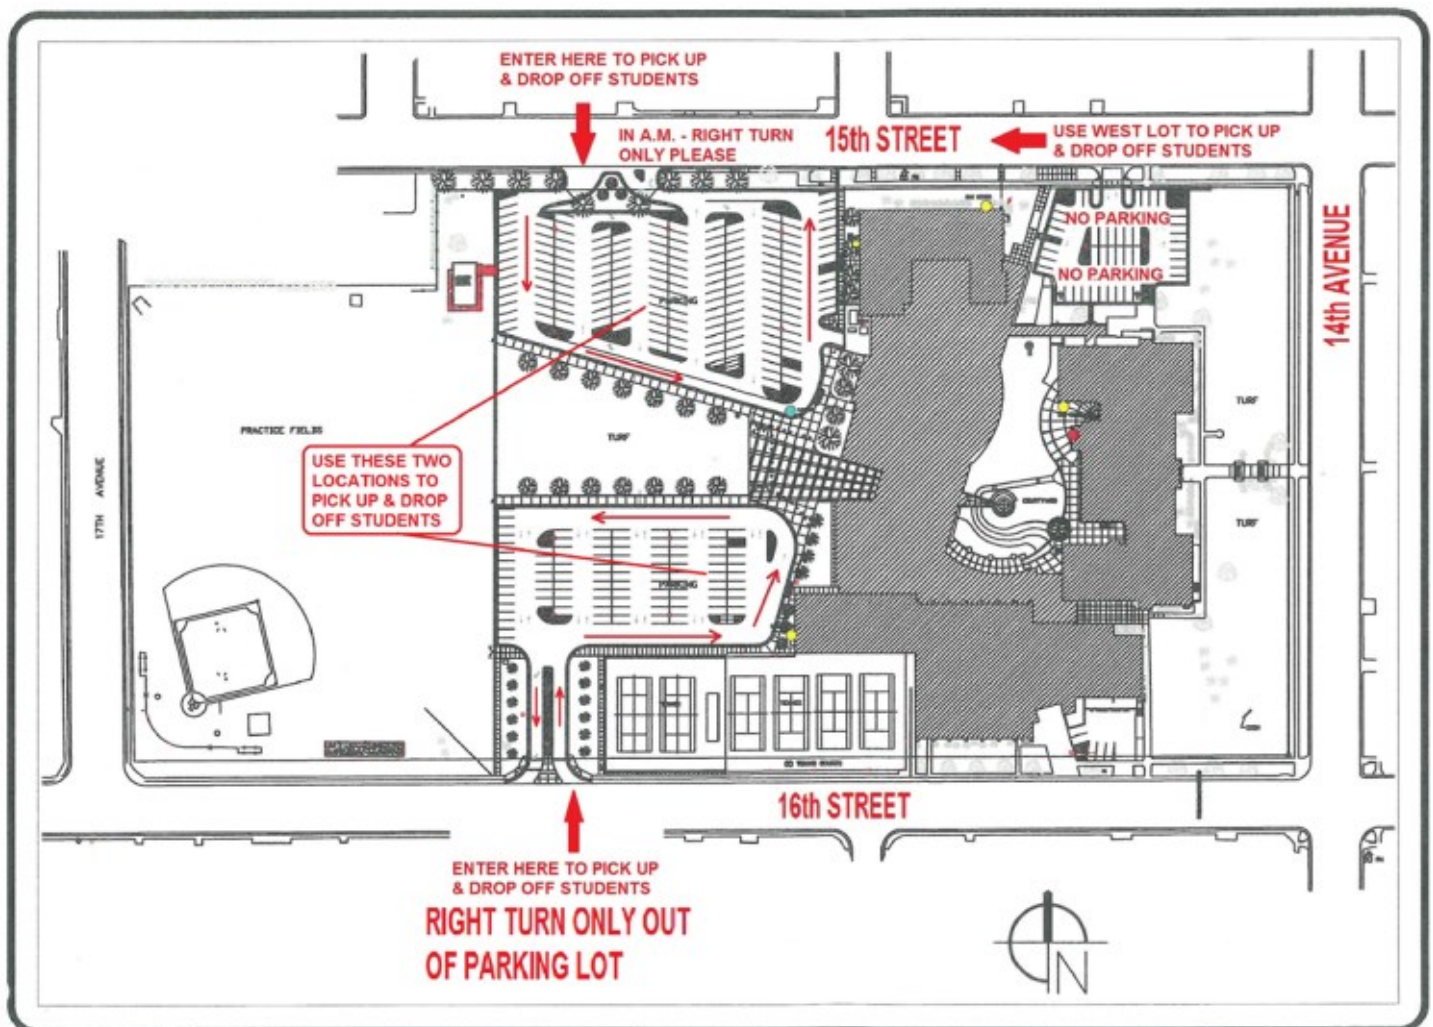

STUDENT DROP-OFF

NO PARKING OR WAITING IN THE BUS LOADING ZONES! (Bus loading zones are on the North side of the school ALL ALONG 15th STREET) This is a traffic code violation and we have had multiple instances where buses are not able to pull in to pick up students due to parents/guardians parking illegally in these spots.

Please drop students off at the West entrance (student parking lot) in the morning for school. This parking lot is designed for a better flow of traffic. The Faculty parking lot (located on the North side of the building) is not designed for high-volume traffic and by trying to drop your student off at the North doors creates a bottle-neck on 15th Street and in the parking lot itself.

The West entrance (student parking lot) creates a safer area for your student to get into the building rather than having them walk across 15th Street in traffic. Thank you for your attention to this as we strive to keep the area safe for not only your student but for you as well

We will be blocking off the Faculty parking lot in the mornings and afternoons to try to eliminate this bottleneck. Please do not stop in the middle of the street (15th Street) to let your students run across traffic. This is not safe and is not legal. Please use the student parking lot for dropping off students.

 - Read all instructions and click **Apply**.
 - Use an email address (preferably not a school-related email) that you check frequently, as we will use it to contact you throughout the application process. (**Write it down below!**)
 - *Already started the application or applied previously?* Go to www.smarterselect.com and login using the same email address and password you used previously. Contact us if you do not remember your information.

Email Address: _____ Password: _____

☐ Complete Your Application

- **Complete all required questions**, including the personal statement and activities/involvement sections, as fully as possible. Don't leave sections blank if you don't have to. We want to know all about you!
- Provide the contact information for your **transcripts and reference** (see below).

☐ Request Transcript (for high school seniors)/OR Include Transcript (for current college students or non-traditional students)

- **High School Seniors ONLY:** Input the contact information for the school official in charge of transcript requests. This is usually a school administrator, registrar, or counselor.
- An email will be sent to the contact you list requesting your official transcript. *It is best practice for you to contact this school official to notify them that they will be receiving this online request in their email.*
- You will be notified when the email is sent and also when the official transcript has been fulfilled by your contact.
- Your application is not complete without your official transcript and it must be received by the deadline.
- **Current College Students or Non-Traditional Students ONLY:** Attach your most recent transcript.

☐ Request Reference Information

- Input the contact information for **an adult who knows you well** and is willing to answer a few questions about you. (Examples include a teacher, coach, mentor, supervisor, or religious leader; no family members).
- An email will be sent to the individual with a link to complete a questionnaire.
- You will be notified when the email is sent and also when the questions have been completed by your contact.
- Your application is not complete without your reference and it must be received by the deadline.

☐ Submission

- **Check the box** that you agree to the terms of the application and click **Submit**.
- You can "submit" your application even if you haven't received your transcript and/or your reference information. Your application will be considered **"pending"** until those items are received. Once they are received, your application will automatically move to "submitted" status. Make sure to follow-up with the individuals from whom you requested your transcript and reference so they know the application deadline (4:00 p.m. on February 13, 2020).
- Any errors will be flagged in red and must be **corrected** before you can submit your application.
- Notification of scholarship awards and declines will be sent by mail or email in April 2020.

How Sick is Too Sick?

When Children and Staff Should Stay Home from School or Child Care

There are three main reasons to keep sick children and adults at home:

1. The child or staff member does not feel well enough to take part in usual activities. For example, a child is overly tired, fussy or will not stop crying.
2. A child needs more care than teachers and staff can give while still caring for the other children.
3. The symptom or illness is on this list, and staying home is required.

Remember, the best ways to stop the spread of infection is through good hand washing and staying home when sick.

Symptoms	Child must stay home?
Diarrhea Frequent, loose, or watery stools (poop) compared to normal ones that are not caused by food or medicine.	Yes - if there are other symptoms along with the diarrhea (such as vomiting, fever, abdominal pain, jaundice, etc.), the diarrhea cannot be contained in the toilet, there is blood or mucous in the stool, the child is in diapers or the staff member handles food or bottles. Children and staff may return 24 hours after their last episode of diarrhea unless the diarrhea is caused by an illness that requires them to stay home longer.
Fever Fever with behavior change or other illness. Babies who are 4 months or younger need to see a doctor right away for a fever of 100° F or higher.	A child should not be excluded if they have a fever with no other symptoms unless they are 4 months old or younger. Yes - if there is also a rash, sore throat, throwing up, diarrhea, behavior changes, stiff neck, or difficulty breathing.
"Flu-Like" Symptoms Fever over 100° F with a cough or sore throat. Other flu symptoms can include tiredness, body aches, throwing up, and diarrhea.	Yes - for at least 24 hours after the fever is gone. The fever needs to be gone, without using medicine that reduces the fever (acetaminophen or ibuprofen).
Coughing	Yes - if the coughing is severe, uncontrolled, or the child has wheezing, rapid or trouble breathing. Medical attention is needed for wheezing, rapid or trouble breathing. <u>Note:</u> Children with asthma may go to school with a written health care plan and the school is allowed to give them medicine and treatment.
Mild Respiratory or Cold Symptoms Stuffy nose with clear drainage, sneezing, and mild cough.	No - children and staff may go to school if they able to take part in usual activities. Children and staff should stay home if the symptoms are severe. This includes fever and if a child is not acting normally and/or has trouble breathing.
Vomiting/Throwing Up Throwing up two or more times in the past 24 hours, there are other symptoms in addition to the vomiting (such as fever, diarrhea, etc.).	Yes - until 24 hours after throwing up stops or a doctor says it is not contagious. If a child has a recent head injury, watch for other signs of illness and for dehydration. Adults who handle food and bottles must be excluded.

See second page for a list of illness that may require children or staff to stay home.

Illness	Child must stay home?
Chicken Pox	Yes - until the blisters have dried and crusted (usually 6 days).
Conjunctivitis (pink eye) Pink color of eye and thick yellow/green discharge	No - children and adults do not need to stay home unless they have a fever or are not able to participate in usual activities. Call your doctor for advice and possible treatment.
Croup (see Coughing)	Call your doctor for advice. <u>Note:</u> Children and staff may be able to go to school unless they are not well enough to take part in usual activities.
Fifth's Disease	No - the illness is no longer contagious once the rash appears.
Hand Foot and Mouth Disease (Coxsackie virus)	No - unless the child or adult has mouth sores, is drooling and is not able to take part in usual activities.
Head Lice or Scabies	Yes - children may stay at school or child care until the end of the day but cannot return until after they have had the first treatment.
Hepatitis A	Yes - until 1 week after the illness starts and when the child or staff is able to take part in normal activities. Children and staff should not go to another facility during the period of exclusion.
Herpes	No - unless there are open sores that cannot be covered or there is nonstop drooling.
Impetigo	Yes - children and adults needs to stay home until antibiotic treatment has started.
Ringworm	Yes - children may stay at school or child care until the end of the day but cannot return until after they have had the first treatment. Keep the area covered for the first 3 days if participating in sports with person to person contact.
Roseola	No - unless there is a fever or behavior changes.
RSV (Respiratory Syncytial Virus)	No - children and staff can go to school unless they are not well enough to take part in usual activities and/or they have trouble breathing. Call your doctor for advice.
Strep Throat	Yes - for 12 hours after starting antibiotics unless the doctor says that it is okay to return to school sooner. Children and staff also need to be able to take part in usual activities.
Vaccine Preventable Diseases Measles, Mumps, Rubella (German Measles), Pertussis (Whooping Cough)	Yes - Children and staff can return to school once the doctor says they are no longer contagious.
Yeast Infections Thrush or Candida diaper rash	No - follow good hand washing and hygiene practices.
Other Symptoms or illnesses not listed	Contact the child care center director or school health staff to see if the child or staff member needs to stay home.

This was developed in collaboration with the Children's Hospital of Colorado School Health Program.
