A Message from our Principal

February was a busy month for the Wildcats. We sent six wrestlers to State, three choir members to State; twenty-one students to HOSA State, eight students to All-City Orchestra, eight students to the FBLA district competition, four students to the DECA State competition, and we hosted a first round girls' basketball playoff game in Jim Baggot Gymnasium. We hosted future Wildcats from middle school in our building; we had our first Parent Teacher Conferences of the 2nd semester, and it was awesome to have the parents provide dinner for the faculty and staff.

On February 14, we held our third annual "I Love My Future" event. About 150+ seniors joined to complete Bright Futures, Colorado Opportunity Fund and FAFSA applications, get scholarship information, and speak with representatives about next steps. The event was highlighted as seniors utilized a photo booth and decorated a cookie.

In March we will begin to prepare for testing. We have SAT, PSAT10 and PSAT9 coming up in early April. Teachers will be working with their students on test-strategies. Also, our AP students will begin preparing for AP tests later in May.

Attendance continues to be a concern. Our Average daily attendance is 86.9%--very low—since the beginning of this semester. That means on average 210 students are not in class each day. Parents please help us encourage your students to be in every class every day. Please stress the importance of creating the habit of showing up consistently. It is important for your son or daughter's future.

Cary Smith, Principal

Notes from the Health Office:

WASH YOUR HANDS FREQUENTLY!!!!!!

Flu season is here.....

- The CDC recommends that everyone 6 months and older get vaccinated this season.
- Here are some other tips for staying healthy:
 - Wash your hands with soap and water frequently during the flu season.
 - Avoid touching your eyes, nose or mouth.
 - Cover your mouth or tuck it into your elbow when coughing or sneezing.
 - Avoid contact with people who are sick.
 - Don't share drinks or utensils with others.
 - Stay home with fever over 100.5 F, chills, head and body aches, or uncontrollable cough.
- For more information about flu prevention, <https://www.cdc.gov/flu/prevent/actions-prevent-flu.htm>

Vision/Hearing Screening

- If you receive a Vision Referral Letter for your student in the mail, this means that your child did not pass the screening and needs further vision follow-up with a vision professional.
- Medicaid, CHP+, and private insurance cover vision exams and glasses. If you do not have insurance and need assistance with getting a vision exam or glasses for your student, please contact the health office for additional resources.

FREE & REDUCED LUNCHES

Every year each student who wishes to be considered for free & reduced lunches must have their parent or guardian fill out a new application.

The best method of doing this is online. Completing your application online takes significantly less time and will facilitate a quicker turnaround time for determining your status.

Please click the link below to take you to this online application:

<https://d6applyformeals.greeleyschools.org/>

If you prefer to fill out a paper application you can pick this application up from the main office or go directly to Nutrition Services at the Service Center located at 2504 4th Avenue. Please note that filling out a paper application does take longer to process and get results.

Please note that students who have not had an application processed by one of the last days in September will have a "paid" status until approximately the end of the first week in October. After that date, the student's free & reduced status will be revoked, so please don't wait until the last minute to complete this application. Please check with Nutritional Services for all required due dates & information:

[Click here for the Nutritional Services Page](#)

ATTENDANCE

To report an absence for your student please call the attendance line directly at **(970) 348-5014**.

Please also remember to bring a photo ID with you when you come to pick up your child. Although some staff may know the parents of students, not everyone in the office may be familiar with you or your child.

We require at least one (1) hour's notice to release students so please plan ahead.

Thank you for your cooperation.

[CLICK HERE to go to the Attendance page.](#)

Please note that during testing, field trips, or athletic events, your student may initially be marked absent until later that afternoon. Attendance for some testing or school events is delayed due to receiving final student attendance lists from the testing rooms or field trip chaperones/coaches. We thank you in advance for your understanding.

PARKING ISSUES

Please be aware of where you are parking in each of the parking lots. There have been instances where emergency vehicles have needed to access the school and cars have been illegally parked in the lots, making it impossible for these vehicles to get where they need to be.

We realize that with the larger student population this year it is tougher to find available parking spaces. Please remember that in order to keep the flow of traffic through the parking lots, everyone needs to adhere to all parking signs and lines.

With the increased number of illegally parked vehicles this year, from this point on (April 5th, 2019), our School Resource Officers from the Greeley Police Department will be issuing tickets for those cars parked illegally.

STUDENT DROP-OFF

NO PARKING OR WAITING IN THE BUS LOADING ZONES!

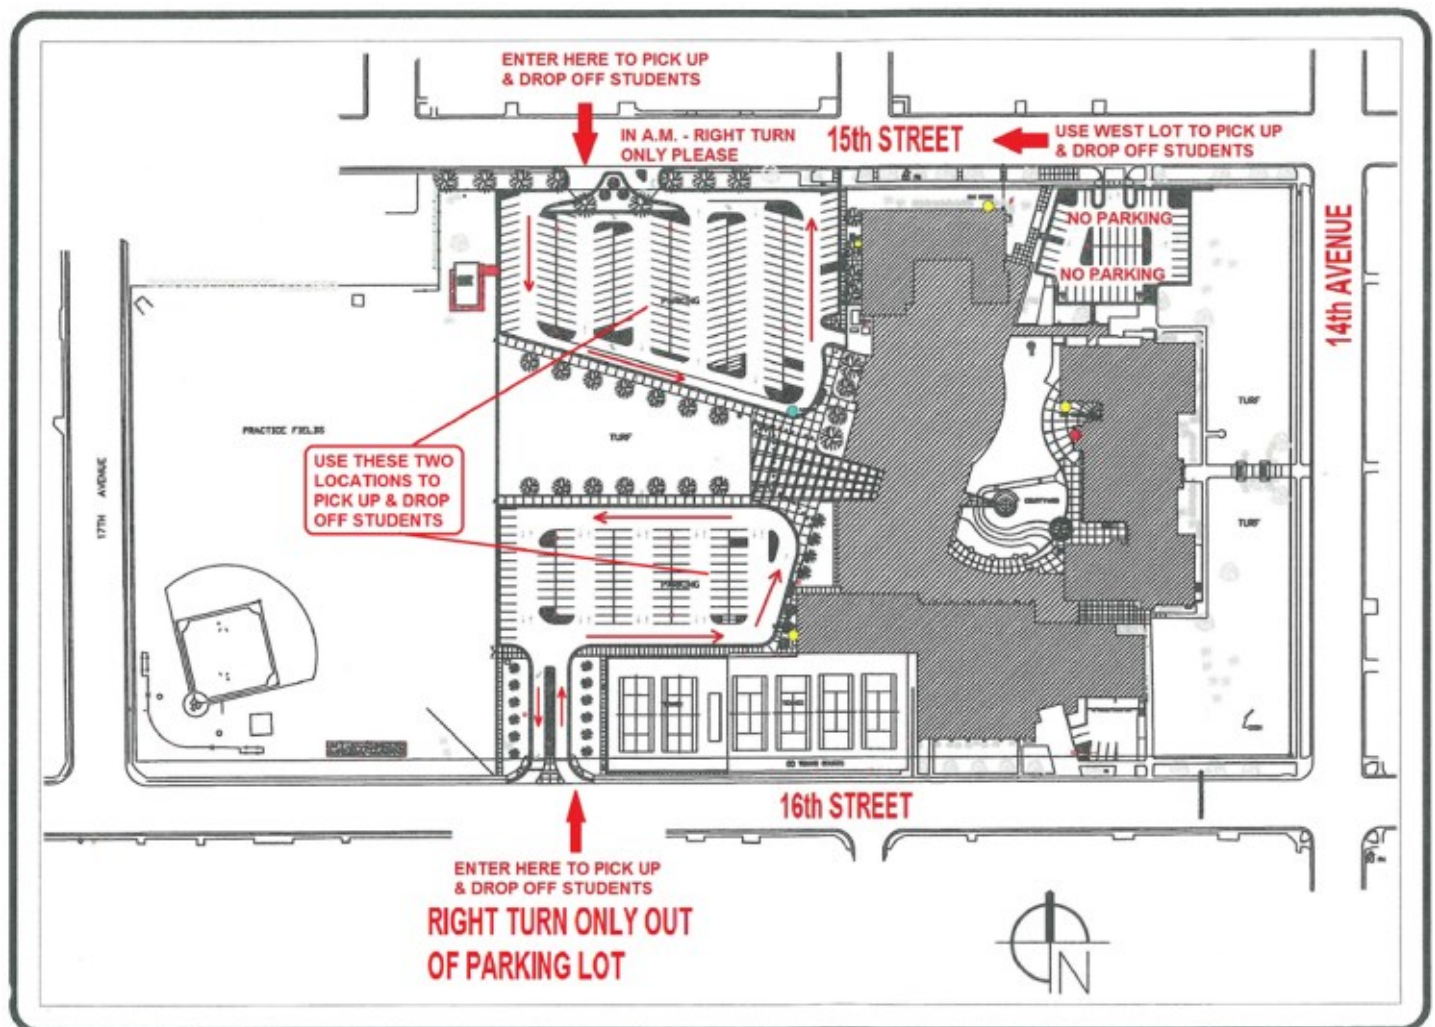

(Bus loading zones are on the North side of the school ALL ALONG 15th STREET)

This is a traffic code violation and we have had multiple instances where buses are not able to pull in to pick up students due to parents/guardians parking illegally in these spots.

Please drop students off at the West entrance (student parking lot) in the morning for school. This parking lot is designed for a better flow of traffic. The Faculty parking lot (located on the North side of the building) is not designed for high-volume traffic and by trying to drop your student off at the North doors creates a bottle-neck on 15th Street and in the parking lot itself.

The West entrance (student parking lot) creates a safer area for your student to get into the building rather than having them walk across 15th Street in traffic. Thank you for your attention to this as we strive to keep the area safe for not only your student but for you as well

We will be blocking off the Faculty parking lot in the mornings and afternoons to try to eliminate this bottleneck. Please do not stop in the middle of the street (15th Street) to let your students run across traffic. This is not safe and is not legal. Please use the student parking lot for dropping off students.

Young Adult Job Fair - March 11

Employment Services of Weld County and the City of Greeley would like the opportunity to announce the Annual Young Adult Job Fair:

Greeley Stampede, McDonalds, and Fritzler Farms are just a few companies that are hoping to meet their potential employees at the Job Fair on Wednesday, March 11th. Young adults ages 15-24 years old that are looking for employment should mark their calendar and plan to attend. This event will be held at the Island Grove Event Center (421 N. 15th Avenue in Greeley) from **5:00pm to 7:30pm** on Wednesday, March 11th. The event is **free** to attend. Social Security numbers are needed. You should pre-register at connectingcolorado.com and don't forget... **dress appropriately and bring your resumes!**
