Greeley Central High School News

A MESSAGE FROM OUR PRINCIPAL

Dear Parents and Community Members,

Happy October! It is hard to believe that Fall is already here. Central has had a lot of firsts this year—our first ever virtual staff meeting in the Spring; our first ever July 31st graduation at District 6 Stadium; a first virtual town-hall meeting with parents and families in the Fall. And thank you to all of the parents who attended our first ever virtual parent-teacher conferences! We will use the same set-up again on November 11th at our next conference date. Please plan to attend!

It has been a difficult start to a year in that we had no opening day assembly, no senior sunrise, no Homecoming parade or game or dance. And yet our students have been great—showing up the first day with masks on, cooperating with a pretty limited and locked-down schedule. They have done really well and are to be commended. The good news is that Football has returned to the Fall and our boys will be on the gridiron against Windsor beginning on Thursday, October 8th at 6:30pm!

Please know that teachers, counselors, and administrators are working quite hard to ensure that all students receive all of their credits during these first two quarters of the school year. With four classes each quarter for two quarters (0.5 credit per class), students will be able to earn 4 credits on their way to 22 for graduation. Student attendance is key as teachers are teaching quite a bit of content in short amounts of time. One trend we are noticing is that students are not logging in on their three days at home or, if they are, they are not completing the assignments. While we know this system is difficult to navigate, we need students and families to continue to persevere with us until the pandemic passes. Students should be in school, whether in-person or at home, 5 days a week *and putting in the same number of hours at home as if they were in-person.*

Parents, thank you for your continued support of the Wildcats and of your student(s) here. You are all a key ingredient to the success of the Castle. We appreciate those who volunteer extra time and attention to see that our students have a great high school experience. Thank you.

If you would like to contact me, my email is casmith@greeleyschools.org. You may also reach me by phone at 970-348-5009.

Sincerely,
Cary Smith, Principal

STUDENT SCHEDULES AND INFINITE CAMPUS PORTAL

Students should check their schedules on Infinite Campus as this will be the most accurate and up to date schedule available. There is an Infinite Campus mobile app for both students and parents. Instructions will be given out during our fall registration, on our website and also this newsletter (see flyers). You can also obtain the instructions and guide on the District website (www.greeleyschools.org) under the Families menu/Infinite Campus - Parent (or Student). The apps are easily identified by a capital "S" for the student portal or a capital "P" for the parent portal. Students will login using their school username and their student number (lunch number) as their password. If a student does not know their login information, please see someone in the main office.

Parents who have accessed the parent portal last school year (at a District 6 school) should use the same username as before. This username would have ended with an **_PG** (underscore PG). If you cannot get logged in please call the Main Office at (970) 348-5000 for a password reset.

FREE & REDUCED LUNCHES

Every year each student who wishes to be considered for free & reduced lunches must have their parent or guardian fill out a new application. The best method of doing this is online. Completing your application online takes significantly less time and will facilitate a quicker turnaround time for determining your status. Please click the link below to take you to this online application:

- [Titan School Solutions](#)

If you prefer to fill out a paper application you can pick this application up from the main office or go directly to Nutrition Services at the Service Center located at 2504 4th Avenue. Please note that filling out a paper application does take longer to process and get results. Please note that students who have not had an application processed by one of the last days in September will have a "paid" status until approximately the end of the first week in October. After that date, the student's free & reduced status will be revoked, so please don't wait until the last minute to complete this application. Please check with Nutritional Services for all required due dates & information:

20th ANNIVERSARY - HISTORIC BRICK WALL

The 2020-2021 school year will be our 20th year in our renovated Castle! The Class of 2000 spent their senior year at the "new" high school, Northridge, before it was officially called Northridge. For one year, Northridge was the home of Greeley Central.

In the fall of 2000, the remodel and addition to Greeley Central was complete and our students returned to the prestigious home of the Castle. This year was the first year the high schools in Greeley added a freshman class to the high school ranks.

So as we begin the fall of 2020, we embark on a continued adventure of school traditions, school pride, and 20 years ofcontinuing the LEGACY!

Check out our Historic Brick Wall, built during the 1999-2000 remodel of the Castle.

When the remodel of the Castle was completed, an historic brick wall was incorporated into our court yard area. This brick wall has room for 1000+ bricks that can be purchased to: **memorialize**

students, staff, a former alumni

who may have passed away, or even entire classes!

Although our homecoming pricing special has ended, there are still plenty of opportunities for you to be a part of Greeley history. Take a peak at some of the photos below in the brick wall photo gallery to check it out.

Click this link to go to the Brick Wall page for our special.

Get your brick now and let's show our Pride, Class, and Dignity!

SCHOOL IS GOING STRONG!

We are well into our first quarter of school for the 20-21 school year. This year, we are using a hybrid bell schedule so not all students will be in the building at the same time. The hybrid bell schedule we will be using follows an AA/BB schedule.

The way this will work will be when Group A is in-person at the school, then Group B will be online off-site. When Group B is in-person at the school, then Group A will be online off-site. On Wednesdays, all students will be online off-site.

- On Mondays & Tuesdays, **Group A** will be in-person and **Group B** will be online off-site.
 - On Thursdays & Fridays, **Group B** will be in-person and **Group A** will be online off-site.
- Groups have been determined by the last name of the student:

- **Group A = Last Names A - L**
- **Group B = Last Names M - Z**

We have listed each day's group on our website's upcoming events section.

PLEASE NOTE SCHEDULE FOR OCTOBER:

There have been a few modifications to our school schedule for October so please take a look at these changes. The first quarter will end on Friday, October 16th and we will begin second quarter on Monday, October 19th.

Please note that for the beginning of quarter two we will start the week off with Group A in-person/Group B online off-site on Monday, October 19th and Group B in-person/Group A online off-site on Tuesday, October 20th. This will allow students in BOTH groups to be able to meet with their quarter two teachers in-person before the Professional Development day for teachers on Wednesday, October 21st...**see schedule below.**

PICTURES FROM REGISTRATION

We have received the proofs for those students who took their photo at our registration dates in August (August 5th, 6th, & 12th). These proofs have specific codes for you to order your student's photo packages.

If you had ordered a photo package, those packages will arrive at the school shortly and we'll get those to your student during one of their In-Person school days. A majority of these photo packets have already been delivered to you or your student.

If your student is setup as an Online Only student (not the Hybrid schedule) then we will need someone from your household to stop at the main office and pick those photos up. We still have a few photo packets left to pick up.

ONLINE LEARNING PICTURE DAYS

We had our last photo re-take on Friday, September 21st and Monday, September 24th for our in-person students. For those online only students who were needing to get their photo taken or need re-takes, the district has set up two dates in October for you to get re-takes (online students only).

The dates are October 13th & 14th and **you MUST sign up ahead of time**. These photos will be taken at the Administration Building at 1025 9th Avenue in Greeley.

ATHLETICS/ACTIVITIES

WILDCAT SPECTATOR

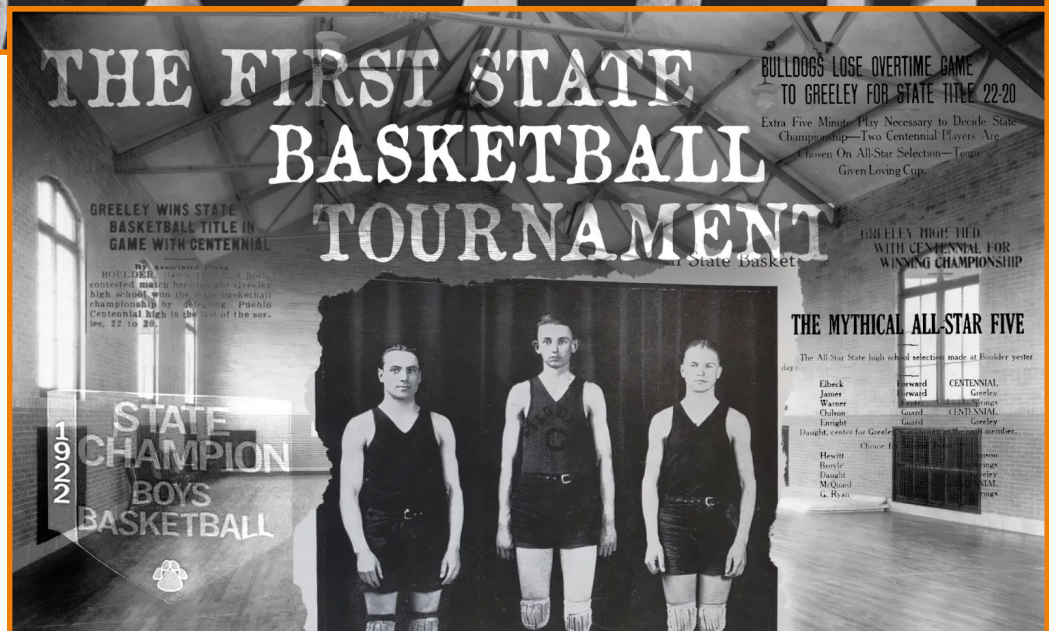

Welcome to the Greeley Central Athletics/Activities corner. Check out what we have coming up, what we've done, and even archives of some of our highlights from years-past.

Tales from the Archives

The 1922 basketball season was one that will forever be remembered in Greeley History. The beginning of the season looked gloomy for the Cats as coach Jones was tasked with developing a whole new squad, as the previous year saw all of its starters graduate after winning the state championship in 1921

(Not CHSAA sanctioned). The fresh look varsity team battled their way through a tough Northern Conference which sent them down to Boulder for the first official CHSAA sanctioned state basketball tournament. The event was held at the Armory Building on the campus of CU-Boulder and included Greeley High School, Fowler, Colorado Springs, Yuma, Gunnison and Pueblo Centennial. The Wildcats powered their way through the field to eventually beat Pueblo Centennial in overtime 22-20. The season, however, did not stop there. The Wildcats were then invited to attend the Intermountain Tournament in Salt Lake City, Utah and placed 3rd, defeating Missoula, Montana by a score of 41-28. They were, for the 2nd year in a row, considered one of the elite teams in the country. Cheers to old Greeley High!!

An Update from the Activities Director's Desk

Welcome to the 2020-21 school year. What a year it has become with CHSAA changing the sports around into 4 seasons. We are currently half-way through the Fall season with boys golf, boys tennis, cross country and softball competing. In the upcoming weeks, off season programs will begin workouts with the hopes of their seasons in the future.

A few things to begin working on as the winter season (boys basketball, girls basketball, and wrestling) approaches on January 4th:

1. Registration is open on our website and we request students athletes register before the season starts
2. Maintain passing grades as students are required to pass all of their classes to remain eligible

Spectators at Events:

Just a reminder that CHSAA has limited fan participation this year and requires the use of masks at all events. Events in District 6 are also limited. PLEASE keep an eye out for our spectator guidelines concerning football, cheer and marching band. New guidelines are in the approval process as of October 1st.

SPORTS REGISTRATION

We have four sports seasons this year. Our Fall season is now in session. Boys Golf, Softball and Boys Tennis have finished their seasons but Cross Country is still competing. Cheer and Football have recently begun their seasons with the first Varsity Football game being on Thursday, October 8th. The winter season (Basketball, Girls Swimming Wrestling) will start in January, immediately after the winter break. The sports that didn't take place this fall - Boys Soccer and Volleyball - will start their seasons in March. The traditional spring season (Baseball, Girls Soccer, Boys Swimming, Girls Tennis and Track) will begin in late April.

For your convenience, to register for sports at Greeley Central High School, click the link below:

<https://greeleycentral-ar.rschooltoday.com/>

Any student who wishes to participate in sports must register online using the sports registration link above and have an up to date physical as well as insurance. If your student wants to compete in swimming - either boys or girls, they will need to register with Greeley West.

If you are interested in attending meetings and growing GCHS Athletics, please email Sean Scribbick at **sscribbick@greeleyschools.org** or call 970-348-5000. **GO CATS!!**

PICKING UP & DROPPING OFF STUDENTS - MAP

Please drop students off at the West entrance (student parking lot) in the morning for school. This parking lot is designed for a better flow of traffic. The Faculty parking lot (located on the North side of the building) is not designed for high-volume traffic and by trying to drop your student off at the North doors creates a bottle-neck on 15th Street and in the parking lot itself. The West entrance (student parking lot) creates a safer area for your student to get into the building rather than having them walk across 15th Street in traffic. Thank you for your attention to this as we strive to keep the area safe for not only your student but for you as well.

ATTENDANCE

To report an absence for your student please call the attendance line directly at **(970) 348-5014**. If you do not get a live person, please leave a message with the following information: 1.) student's name, 2.) grade level, 3.) date of birth, 4.) reason for the absence/early release, 5) if picking up student, the time the student should be released. **NOTE THAT Due to COVID-19**, parents, guardians, and relatives will be stopped by security at either the West or North entrance. Only those listed on the student's contact information will be able to pick up students. **We ask you to call at least 1-hour in advance if you wish to pick up your student.**

Please note that during testing, field trips, or athletic events, your student may initially be marked absent until later that afternoon. Attendance for some testing or school events is delayed due to receiving final student attendance lists from the testing rooms or field trip chaperones/coaches.

We thank you in advance for your understanding.
