Greeley Central High School News

A MESSAGE FROM OUR PRINCIPAL

Happy holidays and Merry Christmas! This is the season of what I hope is joy and happiness leading into our winter break. Our semester is quickly winding down – as I write, we have a bit less than two weeks and then a week of finals, and then our semester is over. Meanwhile our winter sports teams are just beginning their schedules with both girls and boys basketball, wrestling and swimming. We have had our choir singing in New York at Carnegie Hall, hosted a forensics tournament at the Castle, acknowledged a former Wildcat while being honored by Vestas, fund-raised for breast cancer, hosted an Alma Project Cultural Celebration with our Mexican American Studies students, collected food donations for the needy, and marched and cheered in the parade of lights to name just a few activities. The cats have been busy. It is wonderful to see the commitment and involvement of both staff and students.

As we wind down, it is very important that we finish this semester well, meaning we pass all our classes. We want to keep everybody here at Central to walk across our stage at graduation, but sadly, some students are off track to make that happen and some have already had to transfer schools. It is imperative that we show up these last two weeks, work hard, take advantage of Saturday school and after-school tutoring, then show up well-prepared for finals week. Credits in high school matter!

From my administration and myself, we want to wish everybody a blessed season. May you all be blessed with joy, family, community and good food this season. We appreciate you all and appreciate serving such a great community—the Wildcat Nation!

Please visit our website to get a snapshot of life at our school (www.GreeleySchools.org/GreeleyCentral). Exploring our links, you'll find out more about curriculum, programs, and daily events at the Castle.

ATHLETICS/ACTIVITIES

WILDCAT SPECTATOR

Welcome to the Greeley Central Athletics/Activities corner. Check out what we have coming up, what we've done, and even archives of some of our highlights from years-past.

Tales from the Archives

From the 1960 SPUD, we take a look at one of the most successful sports years in Wildcat history. Not only did the Wildcat football team win the state championship, the boys basketball team also won the state championship.

Here's what was written in the 1960 SPUD:

"The Wildcats had a most successful football year, winning all their conference games by a most decisive score, to gain the conference crown. The conference championship gave the Wildcats a berth in the state playoffs against East High of Denver. A well deserved victory moved Greeley into the finals against Golden. On a cold, snowy, wind swept field the Wildcats won their first state crown since 1951, and completed their first undefeated season since 1929. Hats off to a great coaching staff and team."

Tales from the Archives (continued)

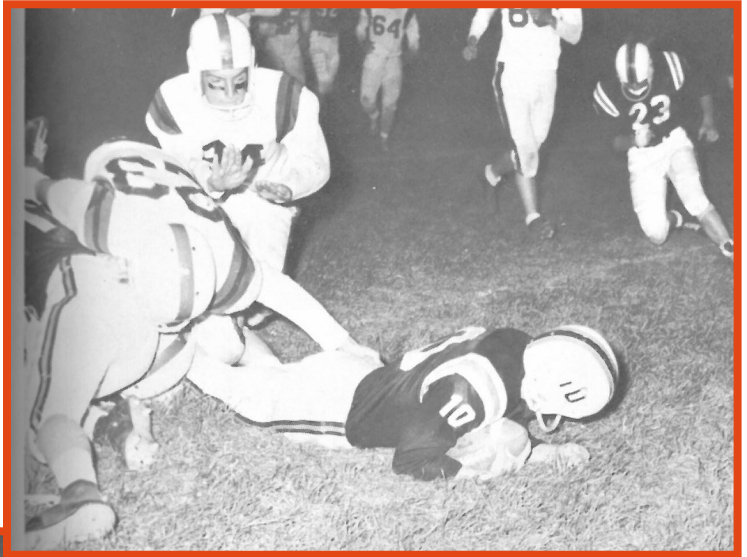

"Greeley dominated the All-Northern Conference team this year by placing seven players on the squad. Four other players received honorable mention.

Receiving spots on the 22 man squad were **Gary Lucas, Doug Anderson, Ed McDowell, Ron Troudt, Jim McKay, Ted Somerville** and **Ralph Cowan**. **Troudt, McKay, and Cowan** are repeaters from last year.

The remainder of the Wildcat starting eleven, which included **Bill Bibby, Terry Williams, Ron Brunner** and **Manuel Ortez**, received honorable mention."

"Honored by selection to this years all state team were: **McKay, Somerville, Cowan, McDowell** and **Anderson**. **Lucas** and **Troudt** were second team selections.

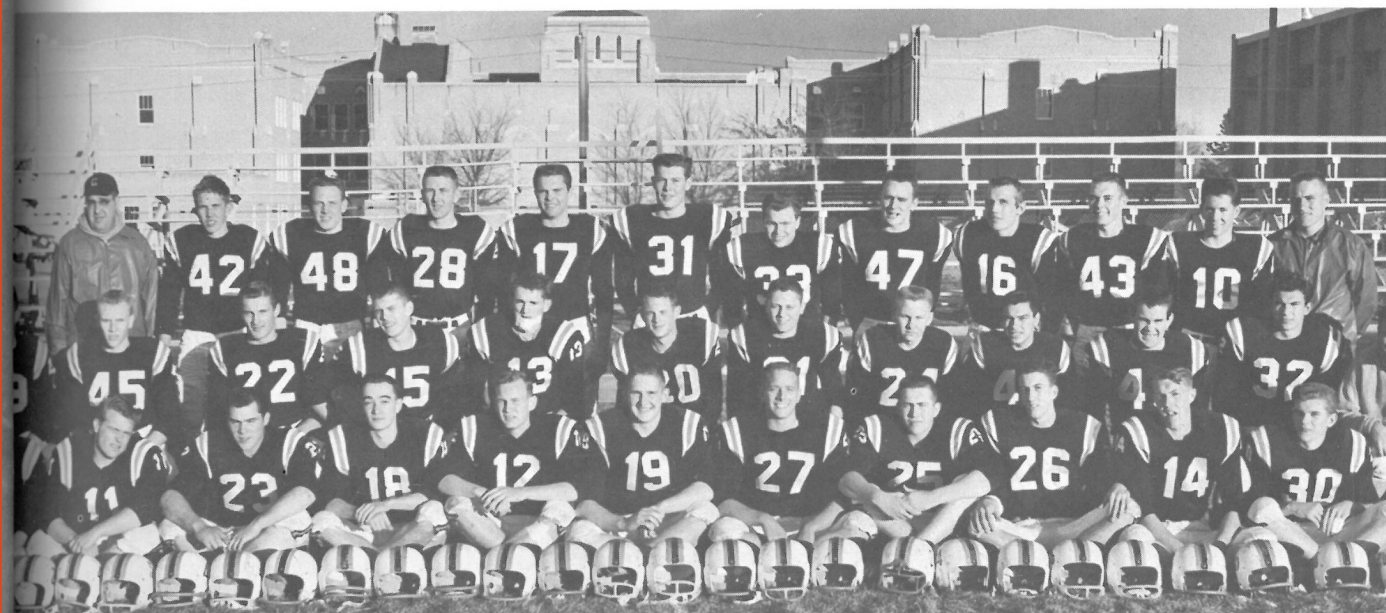

Somerville, classy halfback, won further honors for his school when he was chosen winner of the Ninth Annual Thom McAn Trophy. This award is given to the number one high school football player and scholar in the state. He was also presented the Buffalo Club award as the outstanding prep football player in the state as chosen by the C.U. alumni athletes. However, his greatest laurel of the year was his selection to the all-American prep football team."

Tales from the Archives (continued)

A Squad

Top Row — From left — Coach Pete D'Amato, Mark La Grone, Bill Bibbey, Gary Lucas, Terry Williams, Jim McKay, Ralph Cowan, Ted Somerville, Ron Trout, Gary Moore, Dick Hill, Student Coach Jerry Schwank. Second Row — Bill Babb, Ross Addison, Dick Farr, Andy Kintz, Dennis Roth, Dick Blake, Ron Brunner, Truman Hall, Manuel Ortiz, Rick Booth, Don Gettman, Head Coach Bud Davis. Front Row — Leslie Grimes, Bill Baber, Blaine Barnhart, Morey Haymond, Fred Schroeder, Ed McDowell, Doug Anderson, Dennis Swedlund, Jack Le-Cuyer, Jack Cox, Jeff Shafer.

Greeley 19, Arvada 6

The 1959 football team opened with a resounding victory over Arvada. The passing and running of **Jim McKay** as well as the running of **Cowan**, **Booth**, and **Somerville** provided Greeley with their margin of victory. The player of the week was **Doug Anderson**.

Greeley 40, Adams City 0

For the third time in three years the Wildcats have defeated Adams City. Early in the game **Ted Somerville** grabbed a 60 yard pass from **McKay** to open the scoring. From this point on, Greeley dominated the game and Adams City was unable to recover. The player of the week was **Manuel Ortiz**.

Greeley 40, Sterling 0

The Wildcats opened the conference season with an impressive win over the Sterling Tigers. The lopsided score gave an early indication of the Greeley High football might. The player of the week was **Bill Bibbey**.

Greeley 41, Fort Morgan 12

An early Fort Morgan touchdown might have been a stumbling block for the Wildcat eleven, but the determined play of **McKay** and **Cowan** provided the necessary spark to put the Wildcat scoring machine back in action and defeat the Fort Morgan team. The player of the week was **Gary Lucas**.

Greeley 66, Loveland 0

The Loveland Indians seemed to be no match for the Greeley Wildcats. Successive touchdowns by **Cowan** and **McKay**, early in the first quarter set the pattern for the evening's play. Shortly after the beginning of the second half the entire first unit was benched and the second unit continued the onslaught. The players of the week were **McKay**, **Cowan**, and **Somerville**.

Greeley 20, Longmont 7

In the 1959 homecoming tilt with Longmont, the Wildcats managed to grind out their fourth straight conference win on a cold sloppy field. The game was marred by many mistakes by both teams. The player of the week was **Terry Williams**.

Greeley 34, Fort Collins 14

Forecasters predicted that the margin of victory at the Greeley-Fort Collins game would be small, but the Wildcat eleven would not be denied. On a surprise sneak play, **Jim McKay** scored the first touchdown in the second quarter. After the half time intermission two Lambkin touchdowns put the Wildcats behind 14 to 7. After a series of plays by both teams, the Wildcats managed to pull ahead. At this point of the game the Wildcats completely demoralized the Lambkins and turned the game into a near rout. The player of the week was **Ed McDowell**.

Greeley 39, Englewood 0

Sensing a possible conference championship and state playoff berth, the Wildcats turned full fury on the Pirates. Both teams had difficulty moving the ball in the first quarter, but by half time the team was leading 19-0. The second half saw the team explode in one of their familiar rallies of 20 points to make the final tally read 39-0. The player of the week was **Ron Brunner**.

Greeley 46, Boulder 6

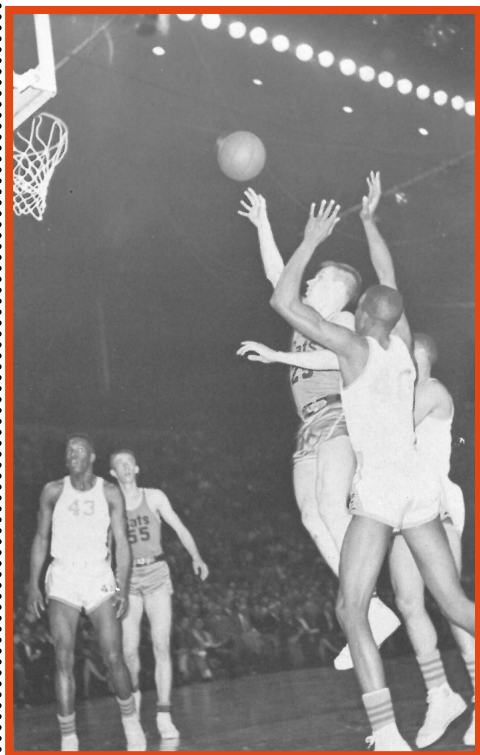

Greeley scored twice in the first quarter with high chinook winds pelting the Wildcats in the face. Scoring the first six times the Wildcats got a hold of the ball, put the game well out of reach. The player of the week was **Ron Trout**.

Tales from the Archives (continued)

And then there was the Wildcat boys basketball team. Again, from the 1960 SPUD:

"Sensational! - that's the word for the 1960 Greeley High basketball team. Breaking records seemed to be the norm for this year's cagers. The Wildcats added to their laurels a sixth consecutive Northern Conference championship, an undefeated Conference record, a scoring record of 106 points in one game, and an eleventh straight State Tournament

berth. These achievements were attained through determination, teamwork, and superior coaching. In true Wildcat fashion, the 1960 team finished the season in an admirable manner."

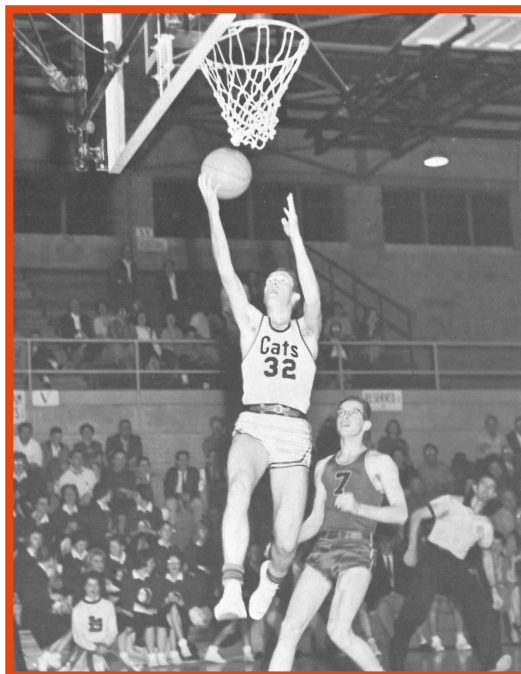

"For the fourth year in the past five, the Wildcats captured the state AAA championship. On the first night, Greeley played Trinidad and came out on top with a score of 79-57. The second game Greeley handed Manual a 57-49 defeat. The final game with East High was perhaps the most exciting in tournament history. Greeley trailed East through the first three quarters of the game but came back with a burst of determination to pull ahead in the closing seconds of the game. The final score was Greeley 66-East 64."

AN UPDATE FROM THE ACTIVITIES DIRECTOR'S DESK

Hello Wildcat athletes, musicians, thespians & families,

As the semester begins to wind down and comes to an end, I wanted to take a moment and thank you for all your support this semester during our fall and winter sports and activities. We have had a successful year with numerous all-conference selections, all state nominees and our kids worked hard in the classroom, on the field and on the stage. I hope you all get a moment over the holiday break to relax, celebrate and focus on family!

When we begin the next semester, I hope you all consider coming out to our athletic competitions, musical and theater productions, and celebrate the wonderful things our students are doing. Have a restful break and we hope to see you all very soon!

Happy Holidays and Go Cats,

Roderick Set Great Record in Greeley Hi

Floyd Roderick was the greatest athlete ever turned out at Greeley high in the opinion of Paul Lodwick, now superintendent of schools at Erie who was in Greeley Friday to watch his school's speedball team annex the senior high school championship on Jackson field. Lodwick has been in touch with the local situation for the past 20 years and in that period no man has come up to compare with Roderick as a football and track star. Lodwick attended school and played on the same teams with Roderick.

It was the great work of Roderick that made possible a Greeley victory in the state track meets for 1914 and 1915. Not since then has any school disputed the supremacy of Fort Collins in the sport. In 1915 Roderick scored 25 points in the state meet thru his own efforts, a record that has never been approached by any other state high school athlete.

That same year Fort Collins managed to tie Greeley in their annual Northern Colorado track meet but in the state tourney were unable to keep up with Roderick and his mates.

"The only reason Roderick does not hold an all time record for the 440," said Lodwick, "is because he took part in too many other events. Often he would slow up in this race and let another Greeley man catch up with him so that they could finish in a tie."

Roderick competed in the 220, 440, high jump, broad jump, javelin and discus. In 1915 he went to the national meet at Chicago and tied for first in the high jump despite the fact that he had been unable to train for a month previous to the tourney.

When it came to football Roderick was fully as versatile. He played on both the line and in the backfield. He was big enough to make a hard plunging back and was fast enough to dash away in the open field.

"Roderick lived out in the country near Gill," Lodwick explained. "He peddled a bicycle to school every morning and back home after practice in the evening. He bought his own football suit when he first went out for sport and when equipment was limited at Greeley high," the school administrator continued.

As had been expected Roderick of Greeley was the star and the whole thing and naturally he took Greeley into first place.

STUDENT SCHEDULES AND INFINITE CAMPUS PORTAL

Students should check their Semester 2 schedules on Infinite Campus as this will be the most accurate and up to date schedule available. There is an Infinite Campus mobile app for both students and parents. Instructions will be given out during our fall registration, on our website and also this newsletter (see flyers). You can also obtain the instructions and guide on the District website (www.greeleyschools.org) under the Families menu/Infinite Campus - Parent (or Student) (or click these links - [English](#) / [Spanish](#)).

The apps are easily identified by a capital "S" for the student portal or a capital "P" for the parent portal. Students will login using their school username and their student number (lunch number) as their password. If a student does not know their login information, please see someone in the main office.

Parents who have accessed the parent portal last school year (at a District 6 school) should use the same username as before. This username would have ended with an **_PG** (underscore PG). If you cannot get logged in please call the Main Office at (970) 348-5000 for a password reset.

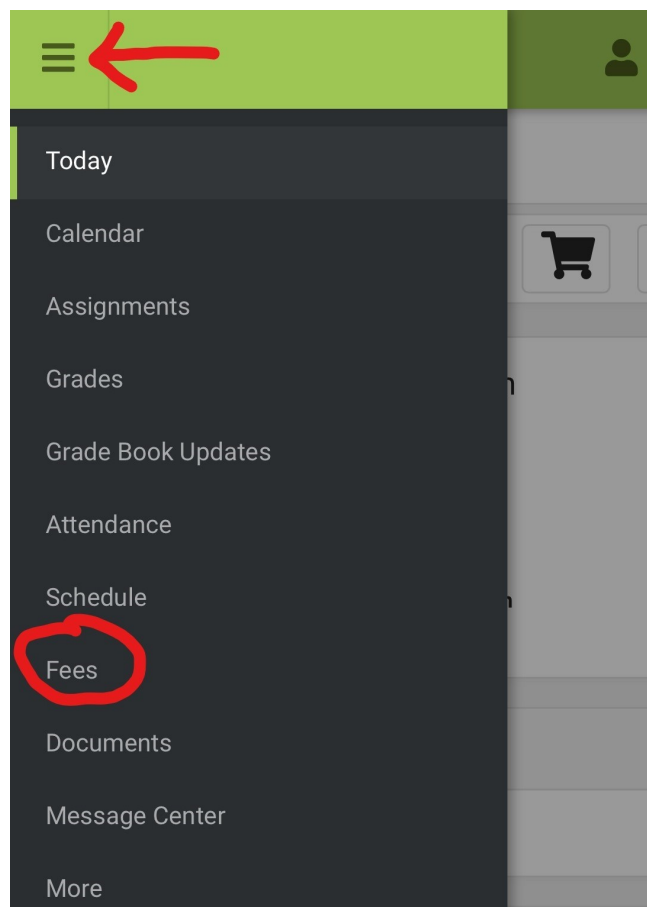

CHECKING FOR STUDENT FEES

As we finish up semester 1, please start checking to see if your student may owe any school fees.

Although there may be items your student still has checked out (i.e., current season's uniform, current class's textbook, current Library book, etc.), there may be some items that have been posted to your student's fees from a previous semester or a previous school year. Please check Infinite Campus (either through the Student portal or the Parent portal) to view these outstanding items. To view these items, once logged in to Infinite Campus:

- At the top left of the screen, click the menu icon (see the left red arrow in the picture to the right).
- Click the menu item labeled **"Fees"** (see the red circle in the picture to the right).
 - The default shows all **"Unpaid"** fees. If your student currently has fees due they will show up here.
 - To see what fees have been paid during this school year you can change the **"Type"** at the top right to **"Paid"**. To view all fees incurred (paid & unpaid) for this school year, change the **"Type"** at the top right to **"All"**.
- To pay outstanding fees, please utilize the **District 6 Web Store**, which can be located under the main picture of our school website: <https://www.GreeleySchools.org/GreeleyCentral>

FROM THE HEALTH OFFICE

Meet your School Registered Nurse and Health Clerk. Welcome to the Health Office!

- Your School Health Clerk is **Tina Alvarez** and your Registered Nurse is **Caryn Ishmael**. The Health Office phone number is 970.348.5026.
- Your health clerk is at school daily between 8:00 am and 4:00 pm. They are responsible for entering immunization and hearing/vision screening data, providing first aid and comfort care for students as well as administering medications and procedures to students once trained and delegated by the School Registered Nurse.

IMMUNIZATION REQUIREMENTS

"It's the Rule! Shots Before School!"

- Colorado Law requires all students attending Colorado schools and licensed child care to be vaccinated against certain diseases, unless an exemption is filed.
- **All 6th Grade students must have had an additional Tdap immunization between 5th and 6th grade.**
- ***Students who are non-compliant with vaccines received a letter in early October and will be required to complete these immunizations prior to early November in order to stay in school.***
- **If you are unsure if your child has their immunizations, contact your school health office at 970.348.5026 to check on their immunization status.**

FLU SEASON IS RIGHT AROUND THE CORNER... LET'S PREVENT THE SPREAD OF ILLNESS - TOGETHER!

Here are some tips for staying healthy and preventing the spread of illnesses:

- **Get your flu shot!** The flu vaccine is recommended by the CDC for everyone 6 months and older.
- **Stay home when you are sick.** When exhibiting illness symptoms

such as fever over 100.4, chills, head and body aches, or uncontrollable cough- stay home to prevent others from catching your illness! It is also important to avoid close contact with people who are sick. Your child must be fever free without medications and no longer presenting with vomiting & diarrhea for at least 24 hours to attend school.

- **Avoid touching your eyes, nose, or mouth.** Germs spread this way. Don't share drinks or utensils with others.
- **Cover coughs and sneezes.** Use a tissue to cover coughs and sneezes, then dispose of the tissue. When a tissue is not available, cough or sneeze into your elbow.
- **Wash hands for 20 seconds with soap and warm water.** If you cannot wash your hands, use alcohol-based hand sanitizer with at least 60% alcohol.
- **Clean and disinfect surfaces or objects.** Clean and disinfect frequently touched surfaces at home, work or school, especially when someone is ill.
- **Consult your primary care provider with any symptoms of significant illness.** The doctor will speak with you about possible treatment options. Provide a doctor's note to the school if your child will be absent due to illness.

FREE & REDUCED LUNCHES

If you haven't yet had a chance to complete a Free & Reduced Lunch application, we encourage you to do so. Our Board of Education voted to fund free meals for all students for the 22-23 school year, **but in order to get the free meals for your student(s), an application must be completed.** If you won't qualify, or don't think you'll qualify, as long as you complete the application your student will be able to eat meals for free at the school.

If you do qualify, you will receive a letter via email stating your application status. Once you provide a copy of this letter to the GCHS Finance Office (Nancy Kern), your student(s) will be exempt from athletic participation fees (\$75 per student per sport). **If this letter is NOT provided, you will be responsible for the full fee amounts.**

*Use District Name: ***Greeley-Evans Weld County School District 6 (Colorado)***

AFTER SCHOOL TUTORING/SATURDAY SCHOOL

Does your student need a little extra help with some classes? Does your student need to catch up on a class or two? There are plenty of opportunities to get that extra help. Not only do we have Seminar three days a week, we offer after school tutoring as well as Saturday school.

After school tutoring is held after school (go figure) Tuesdays through Fridays from 3:45pm to 5:00pm. Teachers keep a seating chart as well as attendance for those that take advantage of this opportunity. There are some days where we may need to cancel after school tutoring based upon teacher conflicts, meetings, or other events. We will make announcements to students over the intercom regarding any cancellations there may be.

Saturday school will be held from 8:00am to 11:00am in the GCHS Library and is open to anyone that needs help with their classes or are just needing a quiet place to study.

Below are the semester 1 dates we have setup as of this newsletter:

- Saturday, September 10
- Saturday, September 24
- Saturday, October 15
- Saturday, October 29
- Saturday, November 5
- Saturday, November 12
- Saturday, December 3
- Saturday, December 10

The contact for After School Tutoring is Justin Davis (jdavis@greeleyschools.org).

The contact for Saturday School is Jordan Miller (jmiller4@greeleyschools.org).

ATTENDANCE GUIDELINES - AT LEAST 1 or 2 HOURS NOTICE

Please be aware that there are times when the office staff are short-staffed or we do not have staff or students available to send passes to your student when given no notice ahead of time. Most appointments scheduled for your student are setup by you, the parent/guardian, long before the time of the appointment. Please don't wait until the last minute to call in for your student to be released from school.

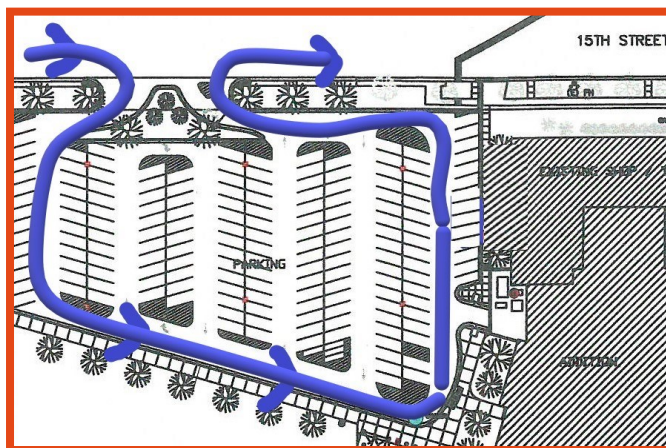

Your student may be taking an exam in a different classroom than normally scheduled, be in a P.E. class that is on a run around the school or on our practice field, or may be in a meeting with a counselor, administrator or other staff member.

Locating your student in short notice is sometimes impossible to do.

This school year we have seen an overwhelming amount of phone calls for not only attendance issues but early releases for students at the last minute. We ask for your patience as we try to handle your phone calls throughout the day. If your appointment or early release is in the afternoon, please call in the morning so we can prepare a pass for your student and allow us to track down your student throughout the day.

We understand there are emergencies that do occur and we do our best to accommodate for these situations. School ends at 3:40pm EACH DAY so releases AFTER 3:00pm may not be possible. PLEASE PLAN AHEAD!

Also, please use the **WEST STUDENT PARKING LOT** (see map above) to pick up and drop off your student(s). Thank you!
