Revised Board Policy Manual is Now Online

Now that the Board of Education has completed its year-long review and update of the entire Board Policy Manual, the revised and updated policy has been posted on the District 6 website, www.greeleyschools.org. The manual is posted under the Board of Education link on the website.

To save costs and resources, the district will not print numerous paper copies of the policy manual as it has in the past. Persons interested in board policy are encouraged to view the manual online.
