NEWS RELEASE

October 30, 2009

Open enrollment applications for 2010-11 accepted Nov. 2—Dec. 18

The “open enrollment” application period for the 2010-11 school year begins on Monday, November 2, and continues through December 18.

Parents who want their children to attend schools outside of their neighborhood attendance boundaries must submit an open enrollment application to the district by 4:30 p.m. on December 18. Applications are available at all school offices throughout the district, at the District 6 administration building (1025 Ninth Ave., Greeley), and online at www.greeleyschools.org. Parents can drop off their completed applications at the District 6 administration building or at the schools they are requesting their child attend.

Students who are currently attending a school via the open enrollment process must complete another application for the 2010-11 school year.

The only restriction on application approval is the physical capacity of a building or program to house students. District 6 will not approve requests for open enrollment into schools (or specific grade-levels in a school) that are at or above capacity.

District 6 has been able to accommodate the vast majority of open enrollment applications in recent years.
