

McAuliffe STEM Academy 6<sup>th</sup>/7<sup>th</sup>/8<sup>th</sup> Families,

This Friday, September 6<sup>th</sup>, we are kicking off our fall fundraiser. The Parent-Teacher Organization has chosen to have the middle school students sell chocolate bars again this year. We would love your family to participate as the money raised goes directly back to the school and supporting the students.

Please be aware that the school cannot accept any chocolate back, even if the case is unopened. Each case holds 60 bars and each bar is sold for \$1.00, so the student is responsible for turning in \$60.00 per case by the deadline. The attached permission slip must be returned to the fundraiser coordinator or the office before any chocolate will be sent home.

If you have any questions, please contact Jeanette Cullup at (970) 405-7021. Thank you!
