§ For students who were unable to take the SAT or ACT due to COVID-19 cancellations, they are eligible to apply with a minimum Grade Point Average of 3.3 in high school (on an unweighted 4.0 scale), and do not need to provide standardized test scores.

Financial eligibility requirements:

§ To be financially eligible to apply, applicant's parent(s) or legal guardian(s) must have an AGI of \$85,000 or less on the 2019 tax return on which the applicant appears. For dependents beyond the applicant, we allow an additional \$5,000 for each claimed dependent and \$15,000 for each additional claimed dependent in college. Please visit DanielsFund.org for specific AGI examples.

Updated Scholarship Payment Model:

§ The Daniels Scholarship Program provides a four-year college scholarship that is unique to each student and varies depending on their Expected Family Contribution (EFC) and their choice of school and degree program. The scholarship pays **up to \$25,000 per year** toward the student's unmet need, after applying their EFC, other scholarships, and financial aid. Daniels Scholars may attend any accredited college or university in the United States.

§ To determine how much the Daniels scholarship will pay, students will need a complete understanding of the total cost of attendance at their college/university choice and all of the financial resources available to them, including their Expected Family Contribution.
