

# Dorland- 3rd Grade

## Remote Learning Information

Please use the following Zoom link to access every class session. The teacher will let you into the classroom once she has begun the lesson. Students should use the chat feature to interact with the teacher or ask any questions they may have. If a child is going to be out multiple days, the parent/guardian can pick up any materials that the student may need to follow along with the class between 2:00pm and 3:00pm beginning on the second day the student is out.
