Class Group Picture Day
Lifetouch will be at McAuliffe February 28th to take a group photo of your student’s class. No order necessary! Every student will receive a photo at no charge. Feel free to dress your student up! Also, any new students, or students who missed picture day, will be able to get their photo taken for the yearbook. You may also order photos for these students by getting an order form from McAuliffe’s office. If your student is new and is in PM Kindergarten, please stop by the school between 8:45-9:45am for an individual picture.

Remember to stop by McAuliffe’s lobby during Parent Teacher Conferences! Mr. Layden will have the Book Fair up and running!
District 6 Volunteer Policy

All volunteers in the Greeley-Evans School District must be at least 18 years of age, register online and pass a criminal background check before volunteering in a school. Once registered, volunteers can update their profile, change their volunteer preferences and change the schools where they volunteer. You can read the District Board Policy or the Frequently Asked Questions for more information. Exceptions may be made for district sponsored special events such as our School Kickoff Community Celebration or our Sprint into Summer 5K & Kids Fun Run. Please remember to register as a volunteer in order to help out in your student's class and attend field trips! Visit www.greeleyschools.org and click the button! Questions? Feel free to contact McAuliffe's Office Manager, Tiffany Wortham, at 970-348-1901 or twortham@greeleyschools.org.

S.T.E.M. Donation

Stop by McAuliffe starting December 5th to make a donation to our S.T.E.M. program. Each donation will help McAuliffe create a ‘Makers Space’ for students. This space will allow students to be hands-on and creative. It will encourage them to experiment, build, tinker, and design! Every donation counts as we further implement S.T.E.M. We appreciate the support of all of our families!

5th Grade Ads

February 3rd is the last day to submit a picture of your student with a ‘blurb’ attached. Please remember to e-mail them to JVincent@greeleyschools.org or drop them off to Mrs. Wortham in the office.

Legos for S.T.E.M.

Help support our blossoming S.T.E.M. program by adopting a Robot today! With each robot our fleet gets bigger! LEGO Mindstorm and LEGO education help foster critical thinking and creativity skills in students. Stop by the office or visit www.legomindstorms.com for more information. Thank you to the Suntych and Meyer families for their recent donations!

5210 Challenge

The month of February will be the 5210 challenge at McAuliffe. Students will begin keeping track of their calendars starting Wednesday, February 1st. Students who collect 60 checkmarks will receive a t-shirt celebrating their healthy success. All calendars will be due on the final day of February. Families wanting to complete the challenge can pick a calendar up in the main office.
Thank you for all of the donations so far! We’re well on our way to a Maker’s Space!
