Attendance

Your student’s attendance is very important to us! Please make sure you have your students at school on time, and schedule appointments for after school when possible. If your student is going to be absent for more than 2 days, please stop by the office and pick up a pre-arranged absence form. When done ahead of time, this allows teachers to gather work that your student will miss and send it with them. Participation in the classroom has a significant impact on a student’s learning. The importance of regular daily attendance as a basis for academic achievement cannot be over-emphasized. Please remember to call the office regarding any absences before they occur or first thing in the morning.

Yearbooks

Pre-Order your 2017-18 yearbook now for $20 and save $5! The price will go up to $25 after Spring Break.

Winter is Here...

Please remember to contact the health office about medicine at school! This includes over-the-counter and prescription medicine. For example, cough drops! All medicine and over-the-counter products require a medication authorization form. This will allow us to give your student what they need at school! You can get this form from the office. Also, if your student has had a fever or has vomited, please keep them home for 24hrs to ensure we don’t spread germs.
Volunteer Policy

All volunteers in the Greeley-Evans School District must be at least 18 years of age, register online and pass a criminal background check before volunteering in a school. Once registered, volunteers can update their profile, change their volunteer preferences and change the schools where they volunteer. You can read the District Board Policy or the Frequently Asked Questions for more information. Exceptions may be made for district sponsored special events such as our School Kickoff Community Celebration or our Sprint into Summer 5K & Kids Fun Run. Please remember to register as a volunteer in order to help in your student’s classroom and chaperone field trips!
