

WINOGRAD CUBS. . .BUILDING ON THE BEST...MAKING IT HAPPEN!!! This has been a FANTASTIC opening of school. Thank you for having your child(ren) here on the first three days of school. Attendance is critical to student achievement so developing an attendance habit makes a difference for our students. Also, thanks for driving carefully in and out of our parking lots. There are many students who attend our school on open enrollment so their families provide transportation. Driving carefully along the curb to either drop off or pick up students is very helpful and we appreciate your attention to student safety.

2015 – 2016 INFORMATION PACKETS

If you didn't pick up and complete an information packet during K-5 Assessment or 6-8 Registration, there is a packet of information for you included with this week's Friday Folder. In the packet there is a blue Enrollment Verification Sheet, a Technology Agreement, a Health Information Sheet, a Transportation Packet, and a Parent Teacher Conference Preference Sheet. Please pay special attention to the yellow sheet in the Transportation Packet. It explains the use of video cameras on the school bus. Whether or not your child(ren) ride the bus to and from school, this information is pertinent because of field trips, athletics, and the After School Program. Please complete, sign, date, and return all forms by Friday, August 28, 2015.
