

BUILDING ON THE BEST. . . MAKING IT HAPPEN!!!

Thank you to all of our students who contributed to Wags and Wishes, the first grade community service project. As a result of everyone's generosity, our four legged friends at the Weld County Humane Society are well fed and warmer this holiday season.

Thanks, also, to all of our middle school students for their contributions to the COURAGE Team Thanksgiving baskets. Thanksgiving baskets were assembled and delivered to families on the Saturday before Thanksgiving. Thanks for showing compassion to all of the CUB families.

LATE ARRIVALS AND EARLY DEPARTURES

From Monday, November 2, 2015 through Monday, November 30, 2015 five hundred ninety three students either arrived late to school or left school early. In an eighteen day window that is approximately thirty three students who were either late to school or who left school early. These numbers do not include students who were absent. While we know that emergencies occur and appointments can't always be made outside of the school day, please make sure that students are at school when the bell rings and that they stay at school until the bell rings at the end of the day. Your help is appreciated and makes a difference in your child(ren)'s education.

OPEN ENROLLMENT FOR 2016 – 2017

A summarized version of the open enrollment letter is again included in this newsletter.

Greeley-Evans School District 6 offers students the opportunity to “open enroll” into schools outside of their neighborhood or home boundaries **The window for open enrollment requests for the 2016-2017 school year will be from November 2, 2015, through December 18, 2015.** Applications will be available at every District 6 school office, at the district's main office at 1025 Ninth Avenue, and at www.greeleyschools.org/openenrollment. **Completed applications must be submitted by 4:30 p.m. on December 18, 2015, at the district's main office, at your child's current school, or at the school you are requesting your child to attend.**

While the district is able to accommodate the vast majority of open enrollment requests, requests for enrollment in schools (or specific grade-levels in a school) that are at or above capacity may be declined. Students who are currently attending a school under open enrollment will automatically be re-enrolled into the school for the 2016-2017 school year, and those parents do not have to complete a new open enrollment application. However, **if your child is attending a school on transfer or changing levels fifth grade to sixth grade, for example, an open enrollment request must be submitted for the child.** On the other hand if a parent wishes to enroll a child back in their home school for the 2016-2017 school year, parents should complete a Discontinuation of Open Enrollment/Transfer Application and return it to their current school by December 18, 2015.

Open enrollment applicants will be notified in February of their application status. Parents of open enrollment students must provide transportation to and from their approved school. For more information about open enrollment, please consult the district website, www.greeleyschools.org/openenrollment, or call 348-6265.
