COMMUNITY SERVICE PROJECTS

Each of the nine grades at Harold S. Winograd K-8 School participates in community service projects or community service as a part of their Vision of COURAGE experience.

Mrs. Henderson's seventh grade reading class has pledged \$1000.00 to the "Iron Giraffe Project" for the "Water for South Sudan." This money will purchase a drill for drilling water wells in the South Sudan. Our students learned about this project because they read the book, "A Long Walk to Water" about Salva Dut. If you are interested in contributing to this project, please call Mrs. Henderson at 348-2680. As of the printing of this newsletter, the seventh grade students have collected \$463.84.

Second Grade students will be collecting non-perishable food for the Weld Food Bank as their community service project. Their project will run from Friday, March 18, 2016 through Friday, March 25, 2016. Thanks for your generosity in supporting the second grade project.

After Spring Vacation from Monday, April 4, 2016 through Friday, April 6, 2016 fourth grade students will be helping with the school store every day before school. They will be selling "animal-themed" items for that week only. All of the proceeds from the school store for that week will be donated to the Wild Animal Sanctuary. Your generosity is appreciated.
