

BUILDING ON THE BEST. . . MAKING IT HAPPEN!!!

The third grade community service project to support The Guadalupe Community Center and Shelter project is complete. The official numbers are 266 toothbrushes and 376 tubes of toothpaste collected. Thank you for encouraging your child(ren) to bring these items to donate to The Guadalupe Community Center and Shelter. The CUBS certainly know how to “Give Until It Feels Good.”

Thanks to fifth grade for facilitating their community service project, Healing our Heroes for The Rocky Mountain Hyperbaric Association for Brain Injuries. The CUBS contributed \$238.01 to this worthy cause. Thanks for generously giving to others, CUBS.

Sixth grade student, Galilea Lyons, represented Harold S. Winograd K-8 School at the Longs Peak Science and Engineering Fair. Galilea was one of two middle school participants from K-8 and traditional middle schools in Weld County School District #6. Congratulations, Galilea – we are proud of you!

NATIONAL SCHOOL BREAKFAST WEEK

The week of Monday, March 7, 2016 through Friday, March 11, 2016 is National School Breakfast Week. Our district and our school are celebrating the school breakfast program with the “Wake Up to School Breakfast” campaign. School breakfasts are healthy, convenient, and for less than \$2 per meal on average it is a great bargain. Did you know that school breakfasts always include fruit and veggies; more whole grains; fat-free or low-fat milk; and limits on calories, fat, and sodium? At Harold S. Winograd K-8 School the following activities will occur during National School Breakfast Week so please mark your calendars.

Monday, March 7, 2016 – Coloring Contest
Tuesday, March 8, 2016 – Celebrity Servers
Wednesday, March 9, 2016 – Tray Dot Surprise
Thursday, March 10, 2016 – Bring a Friend for a \$1 Breakfast
Friday, March 11, 2016 – Smoothie Bike

COMMUNITY SERVICE PROJECTS

Each of the nine grades at Harold S. Winograd K-8 School participates in community service projects or community service as a part of their Vision of COURAGE experience.

Mrs. Henderson’s seventh grade reading class has pledged \$1000.00 to the “Iron Giraffe Project” for the “Water for South Sudan.” This money will purchase a drill for drilling water wells in the South Sudan. Our students learned about this project because they read the book, “A Long Walk to Water” about Salva Dut. If you are interested in contributing to this project, please call Mrs. Henderson at 348-2680.

The Harold S. Winograd K-8 School COURAGE Team is collecting green non-perishable food items until Friday, March 25, 2016. Some food item ideas are cans of green beans, cans of green olives, cans of peas, and/or jars of pickles. The winning grade level will receive a “pot of gold” from the COURAGE Team. All non-perishable food items will be donated to the Weld Food Bank.
