

BUILDING ON THE BEST. . .MAKING IT HAPPEN!!!

The Harold S. Winograd K-8 School CUBS understand Mr. Winograd's motto, "Give until it feels good." They have contributed over \$1,800 so far in the coin collection competition. That is amazing generosity from our students and their families!!!

OPEN ENROLLMENT FOR 2016 – 2017

There was a letter regarding open enrollment in this week's Friday Folder for fifth grade and eighth grade students. A summarized version of the open enrollment letter is again included in this newsletter.

Greeley-Evans School District 6 offers students the opportunity to "open enroll" into schools outside of their neighborhood or home boundaries **The window for open enrollment requests for the 2016-2017 school year will be from November 2, 2015, through December 18, 2015.** Applications will be available at every District 6 school office, at the district's main office at 1025 Ninth Avenue, and at www.greeleyschools.org/openenrollment. **Completed applications must be submitted by 4:30 p.m. on December 18, 2015, at the district's main office, at your child's current school, or at the school you are requesting your child to attend.**

While the district is able to accommodate the vast majority of open enrollment requests, requests for enrollment in schools (or specific grade-levels in a school) that are at or above capacity may be declined. Students who are currently attending a school under open enrollment will automatically be re-enrolled into the school for the 2016-2017 school year, and those parents do not have to complete a new open enrollment application. However, **if your child is attending a school on transfer or changing levels fifth grade to sixth grade, for example, an open enrollment request must be submitted for the child.** On the other hand if a parent wishes to enroll a child back in their home school for the 2016-2017 school year, parents should complete a Discontinuation of Open Enrollment/Transfer Application and return it to their current school by December 18, 2015.

Open enrollment applicants will be notified in February of their application status. Parents of open enrollment students must provide transportation to and from their approved school. For more information about open enrollment, please consult the district website, www.greeleyschools.org/openenrollment, or call 348-6265.
