1:35-1:45	BREAK	1:45-2:55	Math
1:45-2:55	Math	2:55-3:10	Closing Circle
2:55-3:10	Closing Circle		

**Clever:** Please log in to Clever from our Meeker website, choose Schoology, then go to Homeroom AM.

**Schoology:** You will access Schoology from Clever after clicking on our Meeker website.

**ST Math:** Every 2nd grade student should solve 60 puzzles a week.

**Lexia:** Every 2nd grade student should spend time on Lexia each day while online. Your teacher will email you the units needed each week for your child. Green students need 4 units, Yellow students need 10 units, and Red students need 15 units each week to make their goal. Colors are chosen by their Lexia progress.

**Expectations for Remote Learning:** We will have a packet for pick up 24 hours after notification. We can bring the packet out to the car if you call the office. We will also have the Schoology class open within 24 hours as well. Students should be online during class hours. Monday: 8:30-3:10, and Tuesday-Friday: 7:30-3:10.

**What happens when there is a sub?** If there is a sub, we will be unable to have a meeting open. Please work on your packet, as well as ST math and Lexia.

**What happens when your child can not get on?** If there is technical difficulty. Please message your teacher on class dojo or through email. Then work on your packet, ST math, and Lexia.
