MATH COURSE FLOW CHART

- ❖ Pre Algebra is offered as an introduction to Algebra 1 if a student qualifies for it.
- ❖ If you would like to accelerate, Geometry can be taken over the summer after Algebra 1.
- ❖ Each course with * is offered as Dual Credit through UNC
- ❖ UNC registration and a grade of "C" or higher is required to receive UNC credit for each Dual Enrollment course.
- **AP Computer Science Principles is counted as an elective credit, not a math credit.
- A "C" or better in Algebra 2 is a pre-requisite for Dual Enrollment in Trigonometry, AP Stats, and College Algebra
- ❖ A "C" or better in Algebra 1 is a pre-requisite for Dual Enrollment in Math for Liberal Arts.
- ❖ A "C" or better in Algebra 1 is a pre-requisite for AP Computer Science Principles.
- ❖ After taking AP Calculus AB, consult advisor/counselor on what math courses are needed for desired major.
- ❖ After Algebra 2, students can double up on math classes if desired.
- Refer to https://www.unco.edu/registrar/graduation/fouryear-plans.aspx for UNC's math requirements for your major. We suggest you check with your desired college.
