Welcome back Jaguars!

The first day of classes will be Thursday, August 20th for BB cohort or Thursday-Friday students, August 24th for AA cohort or Monday-Tuesday. Please check Infinite Campus to determine your students cohort. Students whose schedule has Monday/Tuesday classes are AA, Thursday/Friday classes are BB. Students will be divided into three "Prides." Students who have a class with Rich will be Pride 1, students who have a class with Randee will be Pride 2, and students who have a class with Riley are Pride 3.

Pride 1 will start at 8:00am, Pride 2 & 3 will start at 8:10am. **Masks are a non negotiable**, and must be on, covering nose and mouth upon arrival. Temperatures will be taken upon arrival, if your student has a temperature of 100 or higher they will be sent home. Students will need to stay on marked "x" on the ground in front of the school while waiting to have their temperature taken. Pride 1 will be dismissed at 3:20 and Pride 2 & 3 will be dismissed at 3:30.

Students cannot leave campus once they have entered the building; this includes lunchtime. Cafeteria cold lunches will be delivered to classrooms, or students may bring a sack lunch. Please take a moment to complete the free and reduced lunch application, this is an important step in registration and we ask that you complete it whether you think you will qualify or not, and regardless of if your student plans on eating school lunches. The application can be completed at <https://family.titank12.com/> it only takes a few moments to complete.

Content will be delivered to students in person and online, both learning modes will be delivered via Schoology. All students will have a Chromebook that they will need to bring back and forth to school and are responsible for, students and parents will need to sign a Chromebook and Technology agreement. Students will receive their Chromebook their first inperson day of hybrid learning, they will be responsible for this device for the remainder of the year. Students will follow the classes and room numbers on their schedule.

August 18th from 9-11 am and 1-3 pm will be Chromebook handouts for students who are registered for fully remote learning. Please pull up in front of the school, have the students' full name written on a sheet of paper, please stay in your car, a device will be brought to you. **This is for online students only**, hybrid students will receive their Chromebook the first day of in person learning. Information on online learning and schedule will be provided along with device pick-up.

Transportation will have limitations this year, if you can drop off and pick up your student please do. City busses are still available for students, but city bus space is limited. Masks will be required on city busses as well.

This year will be like none we've had before, but we are ready and willing to tackle whatever the future holds. We look forward to seeing your students' masked face on the 20th (BB, Thursday/Friday) or 24th (AA, Monday/Tuesday)!

Thank you and welcome back!

Larry Green, Principal  
Rebecca Garcia, Assistant Principal
