

# welcome

Welcome to Greeley-Evans School District 6, serving nearly 20,000 children in the cities of Greeley and Evans. We are the 13th largest school district in the state and the 3rd largest employer in Weld County, with more than 2,800 full- and part-time employees.

Our district has 14 elementary schools, four middle schools, two K-8 schools, three high schools, two alternative high schools, one online school and four charter schools.

District 6 is rich with diversity and we are very proud of the work we are doing to educate every child.

We encourage our community to be involved in its schools. Our Schools Matter, Get Involved initiative includes many programs aimed at connecting our community of learners with the greater communities of Greeley and Evans.

Whether an individual, a business or an organization, here are some of the ways to help improve the education of our students.

## Did you know?

You can "sponsor" a school and become their community partner by volunteering, donating and sharing throughout the school year. Contact the Schools Matter-Get Involved coordinator at 970-348-6223.

## RE·LA·TRIX @

Greeley-Evans School District 6 recently launched a district-wide volunteer management and registration service. The Relatrix system will simplify how schools keep track of volunteers, notify the volunteers about opportunities, and record where and how long visitors are in our schools. As part of the new program, all volunteers must also pass a background check to comply with our safety guidelines.
