

# Dos Rios Elementary School

## Welcome to Dos Rios!

*Every day our dedicated teachers deliver effective, challenging instruction that is relevant to our students' future aspirations. We continually look at ways to differentiate instruction and build academic relationships with students to support their achievement.*

*At Dos Rios, we have highly effective educators who are recognized as leaders in our school and in the district. We clearly understand the importance of preparing our students.*

### Our Mission:

The Dos Rios staff, parents, and community are committed to empowering and encouraging students to become successful life-long learners and leaders in an ever-changing world. We will work together to create challenging and developmentally appropriate learning experiences that emphasize intellectual rigor and high academic standards. Personal integrity and democratic values will be fostered in our students to prepare them to become responsible, reflective and globally conscious citizens.

# Education for a Better World:

Dos Rios Elementary School is an authorized International Baccalaureate World School. We seek to foster international mindedness and intercultural understanding through a constructivist, inquiry-based approach to learning. We are part of a continuum of schools, K-5, in Greeley-Evans School District Six that are committed to high quality, challenging, international education, which we believe is important for our students, local and global communities.

Dos Rios students can progress through the IB Continuum and earn an IB Diploma through the Middle Years Programme at Brentwood Middle School and Middle Years Programme and Diploma Programme at Greeley West High School. For further information about the International Baccalaureate Organization and its programmes, visit <http://www.ibo.org>.
