### **Volunteer Recognition – President’s Volunteer Service Award**

Greeley-Evens School District 6 has a robust volunteer program that we are now able to track through our volunteer management system, which requires volunteers to register and undergo a background check, as well as track their volunteer hours.

During the 2016-17 school year, we have had 16,000 hours of service logged by 2,850 volunteers. There have been 1,405 new volunteers registered just this school year. In addition, more than 40 applicants have been denied access as volunteers since 2012 because of issues discovered on their background checks. This system is an important tool for keeping our students safe.

Schools that have logged the most volunteer hours are: Heiman Elementary School, 2,241; Monfort Elementary School, 1,890; Dos Rios Elementary School, 1,829; Chappelow Arts Magnet K-8, 1,408; Meeker Elementary School, 1,308; and McAuliffe STEM Academy K-8, 1,085.

We honor our most devoted volunteers with the President’s Volunteer Service Award. Gold award winners donate more than 500 hours for adults; more than 250 hours for young adults. Silver winners donate between 250-499 hours for adults, or 175-249 for young adults. Bronze winners donate between 100-249 hours for adults or between 100-174 hours for young adults. There are also awards for younger children who volunteer.

Here are our outstanding volunteers awarded the Presidential Volunteer Service Award for the 2016-17 school year:
