

Culinary Life Skills Request Form

9th – 12th Grade Classrooms
2019-2020 School Year

Culinary Life Skills is a program created specifically for Greeley Evans School District 6. This program gives high school students the knowledge and tools to make healthy choices and be independent in the kitchen. Each lesson is designed following the Colorado Academic Standards 2020. The lesson includes a nutrition education session followed by a related hands-on cooking demonstration. Upon completion of the lesson, students will get to enjoy the food they created!
