

# Remote Learning Plan

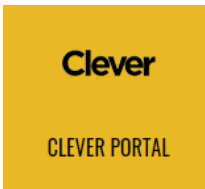

## Kindergarten

### Expectations for Remote Learning:

- We encourage that the students complete their own work, you may support them, but please refrain from doing the work for them.
- When doing a live RMSE lesson please make sure they are in a quiet place with no distractions and they stay muted, unless otherwise instructed.
- We know that this is not easy, so please let us know how we can better support your student.
- Please let your homeroom teacher know the best way to contact you during remote learning.
- Please do NOT call the office with questions, contact your child's teacher.

**You will access everything you need through Clever. Have your child log into their computer as they would at school. Most children are able to do this independently. Have them log into Clever.**

**Clever:** Open the internet on the computer. Most of our students will have a bookmark for Clever. If they don't, or it doesn't work, go to the Meeker Elementary Website <https://www.greeleyschools.org/meeker> and in the lower right corner there will be a link for Clever. Your child's username is the first part of their email (their first initial followed by their last name and in some cases a number). Their password is their student number which consists of 6 numbers. Most students know this from memory.

### Schoology:

Schoology is accessed through Clever. (See how to log into Clever above.) Once you are in Clever, you will click on the Schoology icon. (The Schoology icon will be on the same page as ST Math and Lexia Core 5 which they log into daily.) Once In Schoology, you will click on the picture of your homeroom teacher. Once you are in the "classroom" you will see a link under **materials** to our Zoom meeting (It looks like a little picture frame.). Click the zoom link and then the teacher will let you into the meeting.

**Lexia: Digital Content, 30 minutes** (Completed on Computer Independently) This digital content is part of your child's reading instruction. It is designed to adjust based on how your child answers questions. Please help your child understand the concepts, but don't provide the answers for them. If you help your child too much, when they return to school they will be very frustrated because the content will be too difficult for them to do independently.

Lexia Core 5 will be accessed through Clever. (See how to log into Clever above.)

This is the icon the student will need to click on to access Lexia Core 5.

**ST Math: Digital Content, 30 minutes** (Completed on Computer Independently)

This digital content is designed to adjust based on how your child answers questions. Please help your child understand the concepts, but don't provide the answers for them. If you help your child too much, when they return to school they will be very frustrated because the content will be too difficult for them to do independently.

ST Math will be accessed through Clever. (See how to log into Clever above.)

This is the icon the student will need to click on to access ST Math.

ST Math

**Videos:** These videos are available for your child to watch before or in between ST Math and Lexia.

▶ **Skip Counting by 10 Song for Kids**

▶ **Count Together by 10's | Counting Workout for Kids | Jack Hartmann Counting by 10s**

▶ **Count by 5's | Grandma and Grandpa at the Beach | Jack Hartmann**

▶ **Alphabet Song | ABC Song | Phonics Song**

▶ **7 Days In a Week | Jack Hartmann**

▶ **12 Months of the Year | Exercise Song for Kids | Learn the Months | Jack Hartmann**

▶ **If You Know All the Seasons | Four Seasons Song for Kids | The Kiboomers**

▶ **Four Seasons Song | Jack Hartmann**

▶ **The Feelings Song**

# Schedule:

## **Morning Meeting 8:25 (ALL STUDENTS)**

### **Reading:**

- Interactive Read Aloud
- Sight Words (video)
- Letter Naming (video)

## **RMSE: 9:00-9:30 (small groups) (ALL Students can remain on the zoom meeting)**

### **9:30-10:00 (small groups) (ALL Students can remain on the zoom meeting)**

- We sent home 5 Lessons for each group
- Instruction virtually in small groups (scheduled by your child's homeroom teacher)

## **Break: 10:00-10:15 (don't log off)**

## **Math: 10:15-10:45 (ALL STUDENTS)**

- Counting Videos
- Days of the week
- Months of the year
- Seasons of the year

## **ST Math / JiJi: 10:45-11:15 (independently)**

## **Lunch: 11:15-12:15**

## **Lexia: 12:15-12:45 Core5 (independently)**

## **Specials: 12:55-1:45 (ALL STUDENTS - accessed through specials tab on schoology)**

## **Snack / Break: 1:45-2:00 (independently)**

**Independent Work: 2:00-3:00** Students will complete their RMSE worksheet independently and practice reading their stories to you. Have your student sound it out, then say it fast. They can also complete any other work that was not completed earlier.

If you are managing multiple schedules, please feel free to move their independent work times as long as they are meeting the 30 minutes in each digital content.
