Stand up, stand up Romero!  
Bring honor one and all.  
Stand up, stand up Romero!  
Let loose your mighty howl!

Strive everyday for knowledge and make your dreams come true\_\_\_\_\_

Stand up, stand up Romero!  
Our family's here for you!

Jon Cooney

Bella's family has had another fantastic year! It has been such a joy to see how our students at both campuses have grown throughout the school year. It has also been a pleasure to watch how the staff is so committed to supporting students and families. Parents have, likewise, been supportive and dedicated to our shared promise that every student will graduate high school and that all students' dreams will come true. I sometimes wish I could invent a time machine because I just can't wait to witness our students' accomplishments as they live out their future dreams. We will have forensic anthropologists, pro basketball players, doctors, military leaders, choreographers, and more. These are just a few of the dream declarations of our phenomenal students. Whichever dream is yours... Yes You Will!

p.s. I don't really want the fast-forward time machine because I couldn't stand missing a day of working with each student, staff member, and family member. Bella's family is my family. And yours!

Ashley Aragon

This year in Bella's Family has gone quickly, but filled with moments of joy, learning, and excitement. We have watched our students live the family values of Consistent Attendance, Positive Behavior, and Excellent Achievement. It has been exciting to watch our staff give exceptional effort to support each student in achieving their dreams. We have enjoyed watching parents support their child in living the family values and we will continue to watch our students grow and attain their dreams. Dream Declarations have been written by every student and I am thankful to get to work with our future teachers, dentists, and zookeepers, to name a few. Remember, when thinking about your dreams coming true...Yes You Will!
