"Engage, Empower, Inspire"

21st Century Attendance Secretaries

Attendance Secretaries: The 21st Century Attendance Secretaries are a very important part of the team. They are responsible for collecting and maintaining student/teacher/parent/volunteer attendance information at each school site. They worked diligently in meeting district, state and federal requirements relating to attendance reports. The Attendance Secretaries from left to right are: Irene Trevino (Centennial), Kelli Pepper (Prairie Heights) and Laura Burfeind (Northridge).

Thank you for all that you do!

"Thank You" Transportation

Thank You: We, at 21st Century Schools, want to recognize our fabulous transportation department. We would like to thank them for their commitment to the safety of our students, what a job! by Diane Elkins, Shirley Dupre, Salvador Gonzalez and many others. The courtesy and caring shown by everyone while trying to be accommodating, still resulted in everyone getting where they needed to be, when they want to be there. Through it all, one trait shines through and that is patience. Although everyone does not have this rare characteristic, we in Greeley-Evans School District 6 have a transportation staff with an abundance of it. **Thank you!**
