

Understanding Your Gifted Child From the Inside Out: A Guide to the Social and Emotional Lives of Gifted Kids

Come and join us for an engaging and encouraging look at raising gifted children today. Information will be shared on the issues of perfectionism, self-advocacy, underachievement, mindfulness, and the impact of technology on gifted kids' relationships. Real-life stories will be featured about the lives of gifted children and how they and their parents recognize and enjoy the many intellectual talents and social and emotional insights they possess.
