Memo:

To: D6 Facilities Planning Team

Date: Wednesday, January 2nd

Subject: **December 3rd Community Workshop**

**I hope you all had a fabulous Holiday Season and a great start to 2019!** Attached in this memo are the artifacts from our December 3rd Community Workshop. Also a reminder that our future workshops will be on the following dates: **1/23/19, 2/6/19, 3/6/19, 4/10/19**. All will be in the same location (first floor of the Administration Building) and run from 4-7pm.

By the time that we meet on January 23rd, our Facilities Assessment should be completed. This work has been occurring every Thursday since early October. Principals will also have completed a Gap Analysis Survey for their building. Although these are found within the PowerPoint, I pulled out the Shared Vision and the Facility Principles as reminders of some of our work.

## SHARED VISION

"We see **sustainable** district facilities that utilize **innovative design** to create flexible learning spaces that encourage collaboration, culturally relevant community areas, indoor/outdoor **integrated learning**, and natural light. We see an environment that is adaptable to **future needs**; creating an environment that utilizes **progressive technology** and maximizes **safety** and security while capitalizing on community **partnerships** and resources and that **celebrates the diversity** of the community."
