Our Mission:

The Dos Rios staff, parents, and community are committed to empowering and encouraging students to become successful life-long learners and leaders in an ever-changing world. We will work together to create challenging and developmentally appropriate learning experiences that emphasize intellectual rigor and high academic standards. Personal integrity and democratic values will be fostered in our students to prepare them to become responsible, reflective and globally conscious citizens.

School Focus:

Dos Rios Elementary School is a candidate school* for the Primary Years Programme. This school is pursuing authorization as an IB World School. These are schools that share a common philosophy—a commitment to high quality, challenging, international education that Dos Rios Elementary School believes is important for our students.

**Only schools authorized by the IB Organization can offer any of its four academic programmes: the Primary Years Programme (PYP), the Middle Years Programme (MYP), the Diploma Programme or the Career-related Programme (CP). Candidate status gives no guarantee that authorization will be granted.*
