Greetings Parents, Guardians, and Students,

As we begin this new school year at Centennial, we want to extend to each of you a warm welcome. At Centennial, we are committed to providing the students and parents in our community with a challenging and rewarding educational experience. Learning is our number one priority.

Each year we continually search for ways to improve. We are committed to the belief that all students will learn and succeed and that success breeds success. Our goal is for each of our students to be able to read, write, and do math at or above grade level. In order for that to occur, we believe parents and teachers must become partners. As partners, together we can provide a nurturing, challenging, disciplined environment in which all students will achieve and be successful.

The Centennial parent handbook intends to make useful information available to families and answer questions that come up during the school year. Weld County School District 6's policies, regulations and behavior matrix (including but not limited to those in this handbook) also apply at Centennial Elementary and keep our attendance, conduct and discipline as consistent and fair as possible. Although this handbook references district policies and regulations, the actual language of the referenced policies and regulations is controlling over the language in the handbook. By sharing expectations and responsibilities, we hope to be able to work closely with you to support the growth of your children. Please do not hesitate to call us (970) 348-1100 if you need additional information or clarification of material in this handbook. Effective schools are characterized by strong partnerships between school and home to help children become successful.

We encourage you to read this with your child. If you have any questions or if we can be of service please call or stop by the school office at your convenience.

Sincerely,

Angie McDowell
Principal

Assistant Principal

Centennial Mission Statement

Our mission is to create a collaborative academic community in order to empower all learners to meet high expectations and to believe in their own ability to achieve success.

Centennial Vision Statement

Our vision is to create a dynamic school designed to close the achievement gap and prepare scholars to enter, succeed in, and graduate from college or be career ready. We believe that success in the classroom is closely linked to hiring and retaining great teachers and leaders. We will invest heavily in the training of our educators and building systems that help leaders to lead, teachers to teach, and students to learn. We work hard to ensure that students are engaged and challenged with rigorous work because every minute matters. We will know we are successful when our scholars are fully engaged and working to their fullest potential.

The school will achieve its vision by offering the following:

- Student-centered, data-driven instruction
- Differentiated and personalized instruction
- High expectations of achievement for all students
- Positive, caring, and nurturing relationships
- A safe, respectful, and positive learning environment
- Opportunities for student creativity, critical thinking, and problem solving
- Engaging learning experiences
- Reduced risk of academic failure and promoted risk taking
- Productive partnerships between parents, students, and community
- The belief that all students can succeed

Centennial Creed

We believe that:

Students have a right to learn and teachers have a right to teach.

As a Centennial Eagle I will:

- Attend school every day.
- Respect myself, others, and property.
- Be responsible for my actions.
- Keep myself and others safe.
- Be the best that I can be.

Together we will cooperate to learn and to teach. We are here to learn.

Home of the Eagles

Weld County School District 6 Mission, Vision, Beliefs, and Goals

Mission

Engage, Empower, Inspire

District 6 provides every student with a personalized, well-rounded and excellent education in a safe, caring environment.

Vision

District 6 educates today's students in partnership with families and communities to succeed in tomorrow's world.

Values & Beliefs

Our students come first.

We put our students at the forefront of all we do. Our dedicated educators and staff work on behalf of each student so all students achieve excellence.

We know every child can achieve.

We believe every student should have access to resources and opportunities to support their learning success. Through learning, students develop the knowledge and skills to excel preparing them for an increasingly competitive world.

We commit to excellence, innovation and continuous improvement.

We value creative thinking, use of technology, collaborative problem solving, responsiveness and accountability, to increase student success and organizational effectiveness. In all of our work, and at every level, we commit to being an effective and efficient organization responsible to all stakeholders.

We ensure safe and healthy schools.

We believe a healthy and safe environment for students and staff is essential for learning; it is the cornerstone for student achievement.

We view diversity as an asset.

We embrace and celebrate our similarities and our differences with our students and our staff. Embracing diversity and understanding how our cultures influence and enrich learning is important for our organization.

We provide opportunity and choice.

We believe a comprehensive education provides strong academics with varied opportunities, such as music, the arts, athletics, and career and technical education. We commit to ensuring our students identify and access the learning path that best meets their needs, interests, and dreams.

We partner with families and communities.

We believe everyone has a role in educating future generations. Family and community involvement are critical for every student's success.

Goals

Student Learning and Achievement

Students will engage in a challenging, personalized, well-rounded education preparing every student to be college and career ready with the skills needed to be successful in the community and world.

Strengthening Partnerships

District 6 will increase engagement and interest in learning through community and school partnerships with our students, parents, and community to enhance student success.

Climate and Culture

We will cultivate a safe and supportive learning environment for all, embracing our diversity, honoring and engaging all stakeholders, and promoting safety.

Operational and Organizational Effectiveness

We will be innovative and accountable to the community, through measurable outcomes and continuous improvement.

Welcome to Our School

Home / School Communication

Parent and community communication is very important to the success of our school program. We would like to keep you highly informed, involved, and a part of the education of your child. We realize this close communication cannot happen by any single method. Monthly newsletters, report cards, conferences and our school/district website are a few means by which we hope to meet this challenge. We will continue to use the automated calling system, Parent Link, to inform parents of events, emergencies, or important information. Since this system uses the phone numbers that we have on file, please make sure you keep these numbers current. Parent Link makes the calls in English and Spanish and sends the messages at 5 pm (unless there is an emergency). If you miss the call, the automated system will leave a message.

We would like our parents to keep us informed of any contact information changes that may take place. This information is crucial in times of emergency. If your contact information (address, phone, emergency contacts, etc.) should change during the year, it is important that you let the office know so we can keep the information current.

Telephone

Parents should arrange to pick up children after a special activity, intramurals, choir, etc., prior to the student coming to school. Parents should call the school if there are changes to how their children will be picked up from school. School secretaries will make every effort to deliver important messages to the child. We will not call children to the telephone except in **emergencies**. We will allow students to use the telephone to request clean clothes, lunch money, or other emergencies. Forgotten homework, library books, etc., usually do not constitute an emergency.

Homework

Homework is an important part of a student's development at Centennial Elementary. Teachers assign homework for a number of reasons. Teachers will choose the amount of homework according to the students' age and instructional level.

- To reinforce concepts that have been introduced and practiced in school.
- To assist a pupil in acquiring progressively better home study techniques.

For the benefit of your child, it is very important that we work together in this important aspect of school. In the lower grades, taking the time to read to your child or listening to your child read every night is one of the most important things that you can do for your child. In the upper grades have your child establish a regular 30 minute reading time just before going to bed. We thank you for checking with your child each day regarding homework, to build in him/her the satisfaction of knowing he/she can handle this responsibility. Great satisfaction comes from being a responsible person.

Classroom Parties

Teachers have classroom parties for Fall Festival, Winter Break, and Valentine's Day. The classroom teacher contacts parents about assisting with the parties. If you would like to donate your time, call your child's teacher. We hope that all parents will find a way to participate in the school parties.

Birthday Parties

Your child may want to celebrate his/her birthday at school by bringing a treat. District Six requests that all treats be commercially prepared and wrapped. Please note that celebrating a birthday is not required, nor are treats expected. Please make sure all treats follow our nutrition policies. Students may share treats in the classrooms during the last 10 minutes of the day. Another way to celebrate a birthday is to donate a book or game to the classroom or school library in the child's name.

Field Trips

Field trips are a fine way to acquaint students with various ideas first hand. Each grade level may take 1-2 field trips per year and it should correlate with their grade level standards. Parents will be informed of the field trip and will give parental permission.

Extended Day Programs

Centennial is proud to be working to enrich and educate students before and after school as part of the 21st Century Extended Day Learning Program. Please check with the office and on the website for additional information about these programs. There will be a variety of enrichment opportunities for our students.

Lost and Found

We place lost items in the lost and found box in the cafeteria. Put your child's name on all clothing, backpacks, lunch boxes, etc. Include the last name and at least the first initial of their first name (Doe, J.). Please check the lost and found anytime you visit school. Please do not permit your child to bring extra money or other valuable items to school. Trading items with other students is not permitted. Much valuable instructional time is often lost due to conflict over rightful ownership of even small items.

Attendance and Safety

District 6 Attendance Policy

It is our philosophy that significant learning for all students is provided each time class is held in Weld County School District 6. This educational opportunity is provided because of in-class participation and high-quality instruction. The benefits of this experience cannot be fully replaced. Consequently, regular and punctual attendance is an important criterion for success in school and absences are detrimental to effective learning.

Excused Absences

- Excused absences are defined as any absence from school due to temporary illness or injury and any other reason deemed acceptable by the school administrator. Parents must call the office to excuse an absence within 48 hours. The school administrator may require verification, such as a physician's statement when absences become habitual.
- The school administrator may call a meeting with the student and their parent or guardian if the child has four excused absences from school in any month, or ten excused absences during any school year. Together we will create a plan to ensure students are in school, learning at high levels.
- Excused Absences Include:
 - Temporary illness or injury
 - Prearranged absence approved by an administrator
 - Extended absences due to physical, mental or emotional disability
 - School-sponsored field trips or activities
 - A work-study program under the supervision of the school
 - Extreme inclement weather
 - Emergency, serious illness or death in the family
 - Participation in religious observances
 - Any absence that occurs when the student is required to be in court or in the custody of the court or law enforcement authorities

Unexcused Absences

- Unexcused absences are absences which are not reported to the school by a parent or guardian within 48 hours, or not judged as excused by the school administration.
- Students who have four unexcused absences in any month or ten unexcused absences during any school year may be called "Habitually Truant" and may be referred to the Youth and Family Connection.

Tardies

- All students need to be in their classrooms by 7:40 am. Any student arriving after 7:50 am is tardy and will be required to go to the office to receive a tardy slip. Only students who are ill or have a written doctor's appointment note will be excused. Students dismissed at or before 12:00 pm will be marked absent for a half day.

Perfect Attendance Award

- Students who have no absences (excused or unexcused) and no tardies are eligible to receive a perfect attendance award.

Parents are encouraged to notify the school for student absences, but the absence will be “excused” by the school according to the above guidelines. When a student has reached four excused absences from school in any month or ten excused absences during any school year, the school shall either require a meeting or other form of communication between the student’s parent guardian and appropriate school personnel to review and evaluate the reasons for the student being habitually absent from school. A plan may be developed for the student with the goal of assisting the student to remain in school. When practical, the student’s parent/guardian may participate with school personnel in the development of the plan.

Any pre-arranged absences must be pre-approved by the school administrator. If you have any questions regarding attendance, please call (970) 348-1100.

Centennial Elementary School Student Dress Code

The Centennial Elementary School uniform dress code aligns with the Weld County School District 6 dress code. We believe that a school uniform helps keep all students focused on learning and helps keep them safe. *Centennial administrators reserve the right to amend any of the rules listed below if it is felt that a student’s appearance interrupts instruction or interferes with a student’s feeling of safety at our school.*

Centennial School Student Dress Code Expectations 2020-21

Uniform	Expectations	Not Allowed
Shirts	<ul style="list-style-type: none">● Colors: white, gray, yellow, or black● Can be short or long sleeved● Polo or button down shirt with a collar	<ul style="list-style-type: none">● Other colors, patterns, prints● Shirts without a collar● Hoodies
Pants, shorts, or skirts	<ul style="list-style-type: none">● Colors: dark blue, black, or khaki (tan)● Black or khaki denim allowed● Shorts, skirts, and jumpers should be within 1” of the knee	<ul style="list-style-type: none">● Other colors, patterns, prints● Blue jeans● Sweat pants or workout shorts● Baggy/saggy pants
Shoes	<ul style="list-style-type: none">● Soled shoes or sandals must be worn at all times.● Shoelaces must be tied at all times.	<ul style="list-style-type: none">● Bedroom slippers● Laces tucked in the shoe.

Other Considerations:

- If students have dirty or ripped pants or shirts, please send them to the office.
- Clothing with slogans or pictures advertising drugs, alcohol, sexually inappropriate statements or gang symbols will not be allowed in the school or on the school campus.
- Stripes, logos, words, pictures, designs and/or brand names on shirts or pants are not permitted if they are larger than about a quarter.
- Students will be asked to remove their coats, jackets, sweatshirts, hoodies, etc., while in the building.
- Hats, caps and handkerchiefs should be removed upon entry of school.
- Belts should be worn in an appropriate size and length.
- Clothing should completely cover any and all undergarments. Undergarments should not be a color

that can be seen through the uniform shirts.

- Parents may purchase clothing wherever they wish (i.e. uniform store, local businesses, etc.). Clothes purchased must follow the uniform dress code requirements.

Non-Compliance with the Centennial Elementary Dress Code

- It is an expectation at Centennial Elementary School that every student will be dressed within compliance of the dress code guidelines every day of school to curb any or all behavioral issues related to a student's appearance.
- If a student is sent to school out of uniform:
 - Parents are expected to call the office to notify the school of the reason.
 - If parents do not call the office, the parents will be called by the office.
 - Parents will be expected to bring appropriate uniform clothing to the student.
 - If parents cannot bring appropriate uniform clothing to the school in a timely manner, the school staff will make an attempt to clothe the student appropriately in a uniform from the bank of clothing supplied to the school.
 - The borrowed clothing will be returned to the health clinic at the end of the school day.

Greeley-Evans School District 6

Non-Negotiable Universal Student Dress Code Expectations

- 1) Any clothing item or accessory that causes a disruption to school safety, personal safety and/or the learning environment may result in discretionary intervention by school administrators.
- 2) Tattoos, clothing or accessories that display drugs, sexual innuendos, inappropriate language, alcohol, tobacco products or gang connotations are not permitted. Tattoos displaying any of these must be covered at all times.
- 3) No hats permitted inside of the school building during the school day. If "hoodies" are worn, the hood may not be worn inside of the school. (Religious headwear exceptions)
- 4) Sunglasses or dark glasses, absent a verified medical condition, are not to be worn or displayed inside of the school building.
- 5) Trench coats are not permitted anywhere on school property.
- 6) Soled shoes or sandals must be worn at all times (For example, no "bedroom" slippers or similar footwear).
- 7) No exposed undergarments, inappropriately sheer, tight or low cut clothing that bare or expose traditionally private parts of the body including, but not limited to, the stomach, buttocks, back, breasts or cleavage is not permitted.
- 8) No shaved or notched eyebrows (Absent a verified medical condition).
- 9) No red or blue unnatural hair color or belts.
- 10) No clothing or belt buckles that display the numbers 13, 14, 18, 31, 41 or 81.
- 11) No solid red or solid blue shirts (Other than designated school uniforms).
- 12) No red or blue "Dickies" or "Southpole" brand pants, shorts or shirts.
- 13) No red or blue bandana or any color bandana that is draped on clothing or hanging out of a pocket.

School Based Positive Behavior Interventions and Support (PBIS)

Our School-wide Climate Plan is designed to help create a climate of safety, teamwork and cooperation, academic excellence, and respect. The plan is based on seven guiding principles. We believe these principles will create an optimal learning environment for the students at Centennial Elementary School. The guiding principles are as follows:

- I. Clear **expectations** for student behavior.
- II. Clear and consistent strategies for **teaching** appropriate behavior.
- III. Clear and consistent strategies for **encouraging** appropriate behavior.
- IV. Clear and consistent consequences that **discourage inappropriate** behavior.
- V. A support system and individual behavioral programs for students with unique or exceptional needs.
- VI. Clearly designed methods for **evaluating** and **revising** the plan.
- VII. The characteristics and philosophy of the behavior plan will be **communicated** to the students and parents.

At Centennial, we blend school wide PBIS and explicit instruction to provide every student the tools to succeed behaviorally. PBIS has been shown to have both short and long-term beneficial effects on academic achievement, decreased discipline, aggression, crime, school attachment, and drug use. All students and staff are taught how to be Safe, Organized, Achieving, and Respectful in all school settings. When students follow these basic rules, results for their behavior include positive recognition, rewards, and self-satisfaction.

Student Conduct and Discipline

Centennial believes in Positive Behavior Interventions and Support to help us to be as effective as possible so children learn to make positive behavior choices and work through any interpersonal problems they may experience. According to Board Policy JIC regarding student conduct, every student is expected to follow accepted school rules of conduct and to show respect for and to obey persons in authority. Certain behavior, especially behavior that disrupts the classroom, is unacceptable and may result in disciplinary action by an administrator. The administrator will follow the district student conduct and discipline code for inappropriate behaviors and the student will receive appropriate consequences for the behavior. The code shall be enforced uniformly, fairly, and consistently for all students. The discipline philosophy at Centennial Elementary School is intended to help all students act responsibly and respectfully toward others in our school community.

Bully Prevention

Bullying is the use of coercion to obtain control over another person or to be habitually cruel to another person. Bullying can occur through written, verbal or electronically transmitted expression or by means of a physical act or gesture. Bullying is prohibited on district property, at district or school-sanctioned activities and events, when students are being transported in any vehicle dispatched by the district or one of its schools, or off school property when such conduct has a connection to school or any district curricular or non-curricular activity or event.

A student who engages in any act of bullying is subject to appropriate disciplinary action, including suspension, expulsion and/or referral to law enforcement authorities. The severity and pattern of the bullying behavior, if any, shall be considered when disciplinary decisions are made.

Teachers who observe or become aware of bullying shall take appropriate steps to intervene and/or report such behavior to the school principal. Parents and students who become aware of bullying are encouraged to report it to the school administration.

Anti-bullying efforts are aligned with PBIS and are evidence-based practice. Centennial has developed a comprehensive plan that will further address practices that promote awareness, focus on prevention, and help us respond in consistent and appropriate ways. The School Board has adopted Policy JICDE regarding bullying prevention and education in schools. Board policies are revised as state laws and regulations change.

Student Use of the Internet

Weld County School District 6 encourages students to use the Internet and electronic communications, such as e-mail, to help them with their schoolwork. Using the school computers and the Internet is a privilege, not a right. Students have no expectation of privacy when using the school's computers. Students shall use district computers and computer systems in a responsible, efficient, ethical, and legal manner. Students are expected to follow these rules:

- Use the Internet only when the teacher has given permission.
- Tell the teacher immediately if they unintentionally access inappropriate material while using the Internet or electronic communications.
- Never log in with someone else's name and password.
- Never give others personal information while using the Internet or electronic communications unless specifically approved by the teacher or counselor.
- Never arrange face-to-face meetings with persons met on the Internet or through electronic communications.
- Do not use the internet or electronic devices to bully, harass, threaten, demean, or promote violence or hatred against another person or group of persons.

- Do not vandalize technology equipment or the district network. This will result in cancellation of privileges and may result in school disciplinary action and/or legal action.
- Only use licensed software provided by the school and not load any personal software onto the computer.

Student Email Accounts

Greeley-Evans Weld County School District 6 will provide a free email account for every student. Having an email account will allow students to email teachers questions and receive classroom updates. Depending on the teacher, students may also be able to turn in assignments using email.

All students will receive training on appropriate use of email before teachers provide them with their usernames and passwords. Training will include: dealing with potential bullying, handling email from unknown senders, general email etiquette, and informing students that email messages leave a permanent digital record. Parents are encouraged to use CommonSense Media resources to learn how to support their children as they navigate the online world. Resources can be accessed by visiting the following website (<http://www.commonsensemedia.org>).

If you do NOT want your student to have a district provided email account, you may fill-out a “Student Electronic Mail (email) Opt-Out Form” in the office of any district school. Otherwise, your child will be assigned a school email account.

Acceptable use of email falls under the Board of Education policy governing student use of the Internet and electronic communications. Policy JS states that no student shall access, create, transmit, retransmit, or forward material or information:

1. That promotes violence or advocates destruction of property including, but not limited to, access to information concerning the manufacturing or purchasing of destructive devices or weapons.
2. That contains pornographic, obscene, or other sexually oriented materials, either as pictures or writings, which are intended to stimulate erotic feelings or appeal to prurient interests in nudity, sex, or excretion.
3. That harasses, threatens, demeans, or promotes violence or hatred against another person or group of persons in violation of the district’s nondiscrimination policies.
4. That uses inappropriate or profane language likely to be offensive to others in the school community.
5. That is knowingly false or could be construed as intending to purposely damage another person’s reputation.
6. That contains personal information about themselves or others, including information protected by confidentiality laws.
7. Using another individual’s Internet or electronic communications account without written permission from that individual.
8. That impersonates another or transmits through an anonymous remailer proxy.

If you have questions, please contact the school administrator.

Student Use of Cell Phones and Other Electronic Communication Devices

Students may carry electronic communication devices but these devices must be turned off inside school buildings, on school buses, at school-sponsored activities and on field trips. Electronic communication devices with cameras are prohibited in locker rooms, bathrooms, or other locations where such operation may violate the privacy rights of another person. Ordinary use of electronic communication devices in school situations disrupts and interferes with the educational process and is not acceptable. Electronic communication devices

include cell phones, walkie-talkies, tablets, and any other telecommunications device that emits an audible signal, vibrates, displays a message, or otherwise summons or delivers a communication to the possessor. The school/district shall not be responsible for loss, theft or destruction of electronic communication devices brought onto school property.

It is the student's responsibility to ensure that the device is turned off and out of sight during unauthorized times. Violation of this policy and/or use that violates any other district policy shall result in disciplinary measures and confiscation of the electronic communication device. Confiscated devices shall be returned to the student or parent only after a conference with the parent/guardian, student and school personnel.

Please remember: the school is not responsible for electronic devices (including phones) that are lost or stolen, so we encourage students not to bring them at all. As a result, we will NOT interrupt academic time to perform classroom searches.

Weather Closure

In the event that schools are closed due to extreme weather or other situations, parents can tune in to local radio, television stations, or go online to Weld County School District 6's website at www.greeleyschools.org to find out about school closures the morning of the day in question. The announcement regarding the closure of school is broadcast by approximately 6:00 a.m. Please do not call the school. It is extremely important that the telephone lines be kept open during times such as these.

Health and Medical

Health Services - Who are we?

- District 6 has **School Health Clerks** who are the main care-givers in health offices in all district and charter schools. They perform first aid and care for ill children, administer medications, perform health screenings, manage immunization and health records. They are available to answer questions and are able to contact School Registered Nurse Consultant at all times. Health Clerks have taken a health clerk training course and have yearly CPR, First Aid, Medication Administration, and other trainings as needed for specific student health needs.
- District 6 has **School Registered Nurse Consultants** who work as a team with health clerks, school administration and staff to provide physical, mental, and social support to help children learn. School Registered Nurse Consultants are trained with an RN-BSN and have obtained School Nurse licensure through CDE. School Nurses are responsible for preparing health care plans, documenting health histories, collaborating with special education team on educational plans, delegating to unlicensed personnel who provide care for students, assisting with health education units, consulting with outside health providers and agencies.

Illness/Injury, Emergency Information

- Accidents/Illness/Injury -Health office staff or other qualified personnel will administer first aid for any ill or injured student. If needed, parent/guardians will be contacted and in extreme cases, 911 may be called.
- Emergency information - **PLEASE KEEP EMERGENCY CONTACT INFORMATION UPDATED WITH THE FRONT OFFICE STAFF.** We need to be able to contact you if your child is ill or injured.

Medications

- If your child must have medication of any type during school, including prescription or over-the-counter medicine (pills, syrups, cough drops, eye drops, creams, ointments, inhalers, injectable), you have three choices:
 - Parents/Guardians may come to school and give it to their child at the appropriate time.
 - Parents/Guardians and health care providers may complete and sign a physician authorization form. The medication must be in a pharmacy-labeled bottle or original packaging with instructions.
 - Parents/Guardians may discuss with their health care provider an alternative schedule so the medication can be given outside of school hours.
- Medications of any sort (over the counter or prescription) are not to be in the possession of students, except for those with written authorization from their health care provider, their family and school registered nurse consultant.
- If your child will need any medication or treatment at school, please obtain a copy of the physician authorization form from the health office or download from health services website <http://www.greeleyschools.org/Page/8183>

Health Questionnaire / Students with Health Concerns

- Health questionnaires - It is extremely important that parents/guardians complete the annual health questionnaire and **Emergency Information** form.
- Students with known health concerns - School Registered Nurse Consultants write Health Care Plans (HCP) for students that require specific procedures at school.
 - All students who have diabetes, seizures, severe allergies, severe asthma or who have any medication (prescription or over the counter) in school should have a HCP. Other disorders may also have specific precautions which would require a HCP. PLEASE contact the school Health Clerk or School Nurse if you have concerns about your child's health.
 - Students with Severe Asthma, Severe Allergies, Seizure Disorder or Diabetes - forms are available from health office or on health services website for physician completion <http://www.greeleyschools.org/Page/8183>

Immunizations

- Immunizations are an important part of our children's health care and Colorado Law requires that children going to school be vaccinated to prevent vaccine-preventable disease. Students are not permitted to attend school without meeting immunization requirements or having a signed personal, medical, or religious exemption.
- If parents have concerns about immunizations and vaccine safety, visit www.ImmunizeForGood.com . The Colorado Immunization Program's website is located at www.ColoradoImmunizations.com.
- Schools work hard to ensure compliance with the immunization laws. Your help in providing updated immunization records at school registration and when your child receives additional vaccine(s) is greatly appreciated.

Screenings

- Hearing and vision screenings are conducted annually by health services staff including District Audiologist. The following grades are screened: Pre-K, K, 1, 2, 3, 5, 7, and 9, all new students, and students with special education needs - per the State of Colorado guidelines.
- Glasses when prescribed by an eye care professional are extremely crucial to student success. Please make sure students wear them daily at school.
- Students who do not pass vision screening will receive a “referral” for follow-up care. Students who do not pass hearing screening will continue to be monitored by school audiologist.

Loaned Clothing

- The health office has a limited supply of extra clothing for accidents. Please wash and return these clothes at your earliest convenience.

Parent Health Resources

- Health office staff members are happy to assist parents in finding health information and access to health care.

School Wellness

- Research shows that children perform better in school when they eat healthy and are physically active. To support academic achievement and healthy living, District 6 offers exciting wellness opportunities for both students and employees. Please visit www.greeleyschools.org/wellness.

When to keep your child home / Exclusion from school for health reasons

Healthy Children Learn Better. The following Exclusion Guidelines will be utilized to determine if a student should be sent home because of illness.

Symptom	Exclusion Guidelines
Cough	Recommended for students experiencing severe, uncontrolled coughing or wheezing, or difficulty breathing.
Diarrhea	Recommended for students with other symptoms in addition to diarrhea such as: vomiting, abdominal pain, fever, the diarrhea cannot be contained in a toilet, there is blood or mucus in the stool. Student should be diarrhea free for 24 hours without medication before returning to school.
Fever (defined as a temperature >100.5 F orally)	Recommended if the student has symptoms in addition to the fever such as a rash, sore throat, vomiting, diarrhea, etc. Student should be fever free for 24 hours without medication before returning to school.
Rash	Recommended if student has symptoms in addition to the rash such as behavioral change, fever, joint pain, bruising not associated with injury, or if the rash is open and oozing.
Stomach Ache Abdominal Pain	Recommended if the pain is severe, if the pain appears after an injury, or if the student had symptoms in addition to the stomach ache such as vomiting, fever, diarrhea, etc.
Swollen Glands	Recommended if the student has symptoms in addition to the swollen glands such as difficulty breathing or swallowing, fever, etc.
Vomiting	Generally recommended if the student has vomited more than 2 times in 24 hours, if the vomit is green or bloody, if the student had a recent head injury, or if the student has symptoms in addition to the vomiting such as fever, diarrhea, stomach ache, etc. Student should be vomit free for 24 hours without medication before returning to school.
Earache	No exclusion necessary
Headache	No exclusion necessary. Contact nurse if headache is persistent, severe, is accompanied by other symptoms or if the student has a health care plan.
Lice	Exclusion is for children found with live head lice only. Data does not support school exclusion for nits (lice eggs).
Contagious Illness	Students on antibiotics for contagious illnesses, such as strep throat, tonsillitis, bronchitis, pinkeye or pneumonia, must stay home until antibiotic has been taken for 24 hours. All skin lesions must be covered by a bandage or clothing during the school day. This may include impetigo, ring worm, scabies, and other fungal, bacterial or viral skin infections.

Other considerations	Consider exclusion if: <ul style="list-style-type: none"> - The student is unable to participate comfortably in usual activities - The student requires more medical care than the school personnel are able to provide - The student has a high fever, behavioral changes, persistent crying, difficulty breathing, uncontrolled coughing, or other signs suggesting a severe illness. - The student is ill with a potentially contagious disease and exclusion is recommended by a health care provider, the state or local public health agency.

Playworks

During all of our recesses at Centennial, we are implementing Playworks. Playworks is a program that promotes environments of **respect** and **inclusion** while creating **healthy communities** through **healthy play**. During the school year, we will be explicitly teaching positively structured, inclusive games to play on the playground so that students are safer and have more fun at recess.

We have observed an increase in the number of students playing games together on the playground. Our students are happier and have more fun at recess. The kids are excited about playing and are consistently finding way to solve problems within the games by using 'Ro Sham Bo' or starting over again instead of arguing. Playworks has also helped to avoid arguments, fights, and hurt feelings. We will continue to teach more games to our students and provide them with additional choices for positive play at recess.

Playground Safety

General Rules

- Play nicely with each other. No fighting, play fighting or wrestling.
- Use respectful language.
- Line up immediately when you hear the bell or whistle.
- Walk on paved areas.
- Running is permitted on the grass only.
- Wood chips need to stay on the ground. Do not throw woodchips.

Slides

- One student may use the slide at a time.
- Slide on your bottom with your feet first.

Swings

- One student may use a swing at a time.
- Sit on your bottom.
- Swing back and forth- do not twist.

Play Structures

- Pushing and shoving is not permitted.

Footballs, Basketballs, Soccer balls

- Use equipment appropriately.

Nutrition

Nutrition Services Letter

Weld County School District 6 Nutrition Services Department is taking a proactive approach to offering healthier and fresher foods for the students in our community. Our ‘home-cooked’ meals are prepared fresh daily utilizing whole, natural ingredients. Eliminating processed foods and replacing them with items made ‘from scratch’ has allowed the department to significantly reduce the amount of sodium, preservatives and other artificial ingredients that are served to our students. In addition, the Nutrition Services Department continues to expand its Farm to School Program by purchasing fresh produce from local growers. This provides our students with the freshest fruits and vegetables possible, while also supporting the local community. If you ever have a question, concern or want to give some general feedback, please contact us at schoolfood@greeleyschools.org or call the Nutrition Office at (970) 348-6600.

Nutrition Services aims to “*Fuel the Future of Our Students*” with healthy, nourishing foods that provide their bodies with the nutrients they need to grow, learn and succeed in the classroom! Thank you for allowing your student to dine with us. Here is some additional information about our program:

Breakfast/Lunch

Breakfast is served each morning at school. Hot lunch is also served each day. School menus are posted on the district website. If students bring a sack lunch, please do not send pop or food in glass containers. Parents are welcome to join their children for lunch. Please make sure you check in at the office to receive a visitor’s badge before you join your child in the cafeteria.

Free & Reduced Meal Benefits

Your student(s) may qualify to receive their breakfast and lunch meals for free or at a reduced rate. Meal Benefit Applications are mailed to each district household approximately 30 days prior to the start of the new school year and are also available in the school office and cafeteria and online on the district’s website. Only one application per household is necessary. Application processing can take up to 10 business days with families responsible for all meal costs until the application is approved. Once approved, meal benefits are in effect for the entire school year and carry over for the first thirty (30) days into the next school year.

Wellness Policy

Research shows that children perform better in school when they eat healthy and are physically active. To support academic achievement and healthy living, Weld County School District 6 offers exciting wellness opportunities for both students and employees. With devotion to wellness programming for the entire district, healthy initiatives are changing behaviors for life. District 6 has strategies in place to improve eating habits, increase physical activity, and provide a healthier school atmosphere. For more information about the wellness program, please visit www.greeleyschools.org/wellness.

Walking To and From School

Your child's safety is a major concern of the school district, whether he/she is in school or out of school. It is important children learn to be safe at an early age. Parents should talk to their children about safety measures.

1. Allow yourself enough time to arrive at school no earlier than 7:40 a.m.
2. Walk on the sidewalk.
3. Cross only at intersections protected by adult crossing guards.
4. Obey the crossing guards.
5. Refuse to enter or approach strange automobiles.
6. Proceed directly to school or home before beginning to play.
7. Be considerate of smaller children.
8. Be respectful of the neighbors and their property.

Bicycle Safety Rules

All students may ride bicycles to and from school. We strongly recommend that students wear helmets when riding bicycles to and from school. Students are highly discouraged from riding their bicycles to school on icy and snowy days. Upon arrival at school, please make sure that your child has an adequate lock for his/her bike. Bicycles are not to be ridden on the playground, blacktop, or sidewalk. The school is not responsible for bikes that are vandalized or stolen.

If a student is found to be in violation of these rules, a staff member will give the student one warning. A teacher will also communicate this warning to the parents. If a second infraction occurs, the child may not be permitted to ride a bicycle to school for 30 days.

Students riding skateboards, scooters, or roller blades must follow the same rules as those riding bicycles. Skateboards and rollerblades should be stored in a location that will not disrupt learning. Scooters should be locked in the bike racks. Again, we strongly recommend that students wear helmets when riding bicycles, skateboards, scooters or roller blades to and from school.

Getting Involved

Parent Visitors

In order to help ensure a safe, secure environment at our school, all outside doors will be locked during the regular school day. All visitors should use the intercom system located at the front main doors of the school to gain entry into Centennial. Every visitor will sign in and will be asked to wear a Centennial badge. The visitor badge will let everyone know that you have checked in.

Parents are welcome to come to school any day to visit their child and even eat lunch with us. Please refrain from bringing infants and younger siblings when visiting the classroom as younger children often distract the attention of both the visitor and the class. An adult must accompany student visitors. Visits from out-of-town students, friends and relatives are discouraged. Due to liability issues, non-Centennial students cannot accompany your student to school.

Volunteers

Parent and community involvement is an important connection to a positive educational environment. We invite our Centennial families to volunteer and we have a variety of opportunities for our parents to do this. Please visit the office for an application and additional information on volunteering. When our parents are involved, all of our school community will benefit. A cooperative effort between school and home has a positive impact on your child's academic growth. Please contact the office for more information.

School Accountability Committee

Our School Accountability Committee meets several times throughout the year in the school library. We are always looking for parents and community members who are willing to serve on this committee. Meetings are held from 4:00-5:00 p.m.

- September 10, 2020
- November 12, 2020
- May 13, 2021

Parent Engagement Meetings

Centennial will have several Parent Engagement Meetings this year. These meetings allow our school community to unite in learning and fellowship for the evening. The event goes from 5:00 p.m. - 7:00 p.m. We hope you will join us this year.

- September 10, 2020
- November 12, 2020
- May 13, 2021
