Remember, you can follow your class schedule in [Infinite campus](#).

For **Zoom Courses**, login to [Schoolology](#) (IT Recommends → Schoolology) and click the correct class tile. The first thing you see will be the link to join the Zoom Class:

Click on the icon. You will be directed to a Zoom appointment page where you will see a list of future class meetings. Find today's meeting at the top and click on the link under topic. Wait for the teacher to start the class and let you in.

For classes on **Edgenuity**, you must login to the website and complete assignments during that assigned block. There is NO ZOOM LINK for those classes (although teachers do have office hours or seminars where you can talk to them. [Find their contact info here](#) and on the schoolology page for the course). You also need to make sure to "Check In" on Infinite Campus to mark yourself present to each course that is NOT on ZOOM. Do not check-in for zoom courses.

Music, Art and PE/Health courses are taught live in ZOOM on Tuesday and Thursday only. On Monday, Wednesday and Friday, students are responsible to login to Schoology, complete any assigned asynchronous work and “check in” for attendance on IC within the first 5 minutes of the class period. Failure to check-in will result in an absence for the period.

Middle School Personalized Learning Class requires a “self-check-in” in Infinite Campus Monday-Friday during the first 5 minutes of class, and students fill out the form located in the **Schoology Class** daily.

STUDENT DIRECTED LEARNING - DAILY Required Meeting for All Secondary Students (SDL)

- During this mandatory 45 minute instructional block, all students report to oneHigh School Zoom meeting.
- Upon entering the Zoom Meeting, students will be required to Check-In within the first three minutes of class through Infinite Campus. Attendance will be verified by office personnel the following day of school through a Zoom Attendance Log.
- This time is to be used to work on homework, projects, catch up on Edgenuity or other class work.
- Advisory teachers will monitor students, conduct mentor meetings, and/or hold workshops.
- Content teachers, school counselors, administrators, CLD and Special Education teachers will host small group/individual support sessions during this time utilizing breakout rooms by individual invitation targeting specific academic and wellness goals.

NOTE: Students should not complete the “check-in” for any live-taught Zoom class. This is a violation of school policy and may result in suspension.
