Inclement Plan Reminder

If the following weather conditions are occurring, then our campus will implement our inclement weather plan (heavy rain, snow, sleet, hail, and/or temperatures below 17 degrees with unsafe wind-chill levels).

Unless the weather is inclement, children will remain outside until school begins. If for medical reasons your child must stay inside, please send a note from your doctor. During severe weather we will have the children enter the building to their designated area until the first bell rings for school to begin. If there is inclement weather during the day, the children will remain in their classroom during recess times. When District 6 decides to delay the opening of school or cancel a school day, the decision will be made with the safety of our students in mind. The decision will be made by 6:30 a.m. Listen for school announcements on KFKA 1310 AM, KVVS 1170 AM, KGRE 1450 AM, and KUAD 99.1 FM. The Denver television stations will also have information if school will be closed. There will also be a message on the main District 6 [website on weather/closures](#) or Facebook Page.
