

Hello Chappelow Families,

We appreciate all of your encouragement, support, and involvement throughout this past school year. We are excited to have our students back on our campus in a few weeks! The construction process is moving along and we are thrilled to see how our building will be growing and changing this fall. There will be design renderings to view during our Back to School Night on August 11th. Please contact me if I can provide any additional support. I can be reached at the following email address: ckieffer@greeleyschools.org
