Dear Chappelow Families,

Happy Valentine’s Day! You may have noticed some surveyors around the Chappelow campus this week. We are in the beginning stages of the building process which is slated to begin in the summer 2021! As we receive additional information to share on the upcoming building process, we will be sending it out to our school community. Please take a moment to review the information in this week’s update.

**Pick-up and Drop-off Procedures**

Creating a safe environment for all who enter our parking lot is a high priority. We ask your help by adhering to the following:

**Only approved daycare vans are allowed to load and unload in the daycare van area (see the attached map).** During drop-off and pick-up times, cars will **not** be allowed to utilize the van area. We issue a set number of daycare van passes each year to avoid overcrowding of this space. If you require a daycare van pass, please contact our front office.

**The east lot is reserved for staff parking.** Parents are asked to NOT use this lot for drop-off or pick-up unless specifically approved by the front office. Students are unable to enter the building through the staff entrance on the east side of the building as that entrance is always locked.

**The south lot is for dropping off and picking up students.** This is designed to be a “moving lane.” Please join the back of the line, slowly moving forward until you reach the school-designated drop off/pick-up location. After dropping off or picking up your student, please immediately proceed to the stop sign, where there is a right-hand turn lane. For everyone’s safety, you will only be permitted to turn right out of the south lot. **If you would prefer to walk your child into the building, you will need to find a parking space in the south lot. You must then park, exit the car with your child, and escort them across the crosswalk.**

**Pulling into a parking spot only to drop off your child will not be permitted.** Cars left unattended along the curb are subject to ticket and tow by the Evans PD.
1. Staff parking
2. Daycare vans only
3. This is a one-way entrance into the front parking lot. A single lane will be formed.
4. Parent drop-off and pick-up exit. **Right Turn Only**
5. District busing area only.
6. This will become a slow-moving lane for drop-off or pick-up. Please be patient and move slowly along the curb to pick up your child.
7. Students will wait for parent pick-up in the front of the school. This procedure works better if your child is ready and waiting for his/her ride.
8. Parents, overflow staff and volunteer parking. Due to the size of our staff, this area may also be utilized by staff. Parents may park and walk to area #7 to pick up students. **Students will **not** be allowed to enter the parking lot without an adult.**

**MORNING ARRIVAL PROCEDURES**

The front doors will be unlocked from 7:50-8:10 a.m. to allow students to walk to the playground and/or the cafeteria through the main hallway. If students are going to the playground then they will go to the left at the end of the main hallway. For students going to breakfast, they will go to the right at the end of the hallway.

**All parents/guardians must sign in at the front office upon entering the building. If you need to escort your child to a classroom, the playground, or the cafeteria you will need to sign in and wear a name tag for the duration of your visit.**
February Menus
Did you know that you can sign-up to receive our breakfast/lunch menus for each month by email? Please visit the following link for additional information on all things related to District 6 food services. [https://greeleyschools.nutrislice.com/menu/](https://greeleyschools.nutrislice.com/menu/)

Health Tip for February
Happy February, Chappelow families! Our staff and students have the opportunity to participate in the 5210+ Challenge this month. Your students should be coming home with a calendar to check off when they are making healthy choices for body and mind. Please encourage them to participate, and if possible make the healthy choices together as a family!
