

BE THE CHANGE

GIVE YOUR TIME AS A TUTOR

Reading is the foundation of all learning – but in Colorado, 60% of third graders can't read at grade level. If students are not reading proficiently by the end of third grade, odds are against them for catching up and they become **4 times more likely to drop out** compared to their peers.

Be the change in your community and serve with AmeriCorps through **Colorado Reading Corps** as a literacy tutor. Commit to 9.5 months of service (35hr/week) and help struggling readers achieve grade-level reading proficiency and put them on a path of educational success.
