Spring Break Bee Wise
Pollinator Camp

Learn about pollinators and enjoy making pollinator-friendly projects that engage Science, Technology, Engineering, Arts, and Math STEAM - through project-based arts in nature!

Colorado State University, U.S. Department of Agriculture and Colorado counties cooperating, Extension programs are available to all without discrimination.

Fun hands-on activities include:
- Exploring the habitats of bees, bats and other pollinators in photos
- Dissecting flowers
- Crafts: building a humming bird feeder, using beeswax to make candles, lip balm, and more!
- Includes daily snacks & lunch
