

5TH GRADE NEWS

Birthdays!

We are celebrating October birthdays on Monday, the 27th at 2:55 PM. If you are planning on bringing treats for your October kid, please let your student's homeroom teacher know prior to the party. We have students with peanut/nut allergies so please no treats made with or around peanuts. Also, please only bring store bought snacks.

Homework Counts

While we don't have specific grades in fifth grade, homework is an important component of our learning. Learning the skills and habits to get homework turned in is necessary to succeed next year. When students turn in all of their homework in a week, they play "Wheel of Homework" and win awesome prizes. Please check to kids' planners to see what they need to do.

Chappelow Goes

Chappelow goes is on Oct. 23rd this year at the UCCC.

Thank you for your support with all the rehearsals.

See the next page for some specifics.

Parrrtayyy!

Our Halloween parties will take place on Friday, October 31st. There will be some slight adjustments to the 5th grade schedule to allow us to have our parties in the afternoon. Please keep costumes school appropriate. (If you can question it, it is questionable!) We also have peanut allergies in our grade so please don't send anything containing or made around peanuts. All treats must please be store bought.

Fifth Grade will have specials first thing in the morning.

- 2:00 PM — Students will put on costumes.
- 2:15-2:30 PM — Students will dance to "Thriller."
- 2:30-3:00 PM — 5th Grade will watch the costume parade.
- 3:00 PM — 5th Grade parties start.

What we are Learning!

We will be transitioning from science to Social Studies. Our unit will center around the earliest inhabitants of our continent.

In writing, we will be transitioning to opinion writing.

Math will move from the basic algorithms to basic geometry. (area, perimeter, and volume.)

Report Cards

The trimester ends November 7th. Report cards will go home shortly after that.

Testing...Testing...

We are taking our Galileo Math and Reading tests the week of October 20th. These tests help us plan instruction and fill gaps in learning. The kids are going to do great!

Testing...Testing...

5th grade has been awesome about participating in school spirit activities. We had tons of kids wear hats on hat day, ride bikes and walk on "Walk/Bike to School Day," and we were so excited with how many of our kids donated to Bandfest! Keep up the good work!

Chappelow Goes

On the morning of the 23rd, we will be heading to the UCCC to have our final rehearsal before the performance that night at 6:30 PM. Watch for more information telling you when the specific call time is for Thursday night.

There will be a dress rehearsal performance Wednesday afternoon at 2:15 PM.

Tickets will go home Tuesday, October 21st. T-Shirts will be worn home on Thursday, October 24th. This prevents them from being lost or forgotten.

Thank you for all your support and patience.
