BRIGHT FUTURES GRANT PROGRAM

The Bright Futures program was designed with one objective in mind—strengthening the vitality of the Weld County community through its workforce. By nurturing and supporting our young generation, we are building a strong foundation for a stable economy. Understanding the importance of trade skills as well as academic skills, the Board of Commissioners designed the program to financially assist students who pursue post-secondary education or training from an accredited higher-education institution or certified training program. The program is funded by taxpayers for qualifying Weld County residents who have graduated from high school, GED recipients and honorably discharged U.S. Veterans, after 2016. Qualified and accepted recipients receive financial assistance for pursuing post-secondary education or training from a Title IV accredited higher education institution or certified training program.

Greeley Central High Senior Bulletin

Wildcat Graduation ★ Saturday, May 25th @ 8:00 AM ★ Dist. 6 Stadium

Congratulations, Class of 2019!

Wildcats,

As you prepare for the final weeks of your high school career, I want to personally thank each and every one of you for the contributions you have made to the Castle. As our seniors and as my first graduating class as Principal, you have been strong leaders to our younger students by modeling for them what it means to be a Wildcat, and your impact has been immense. I hope you will leave this place knowing that you have achieved all of the goals you set forth for yourself when you first joined the Wildcat family and that you have seized every opportunity possible.

With that said, in these few final weeks, you have a number of responsibilities. The purpose of this bulletin is to provide you with the detailed information you will need to know as we approach graduation day. Please read it thoroughly, and if you have questions, please contact one of the administrators immediately.

Most importantly, please do not lose sight of your academic obligations. Grades do matter, and most of you still need to successfully complete specific courses to cross the graduation stage in May. We cannot and will

not walk any student who does not meet the minimum requirements for graduation, so please do not put yourself in an unfortunate and compromising situation. You have worked too hard the last four years to let it slip away in these final few weeks.

Many seniors have yet to order their caps & gowns. Please see Mrs. Lackey to get this taken care of immediately. You will not walk at graduation without a cap and gown.

Whether you will be attending college, joining the military, or jumping into the workforce, we wish you the best of luck in your future endeavors. We genuinely believe that the staff here has provided you with the skills and guidance you need to lead productive lives. We are excited to see the mark you make on our world as we know you will always act with Pride, Class, and Dignity. Best wishes!

Once a Wildcat, Always a Wildcat.

Mr. Smith
