Harold S. Winograd K-8 School. . .Where something extraordinary is happening!!!

Last Friday was the 2019 Weld County School District 6 and Friends Arts Walk showcase. The talents of hundreds of students from twenty five schools throughout the district were featured. More than nine hundred students created works of art were on display and will continue to be on display in businesses, restaurants, and galleries in and around downtown Greeley. Many of these pieces of art work were created by the students at Harold S. Winograd K-8 School.
