

[parentFirst] [parentLast],

District 6 will now be using an online program to verify important information about your student(s) prior to the 2020-21 school year. This will replace the paper forms you have received in the past for each of your students.

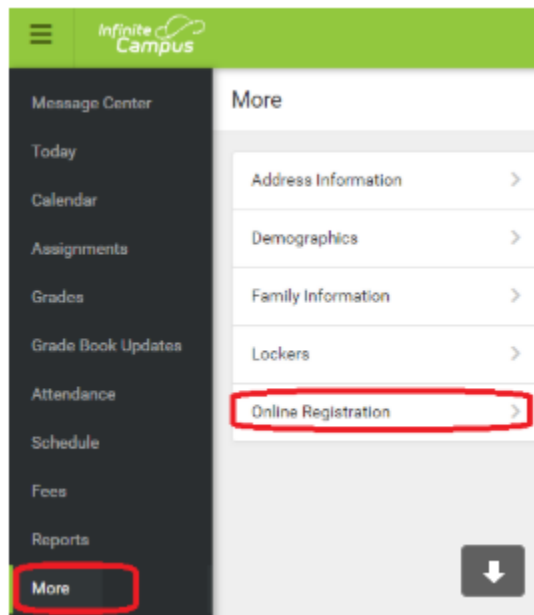

To access this program, sign in to the **Greeley-Evans Parent Portal** using the link and username/password provided below. The Parent Portal is a secure site that provides parents real-time access to important announcements, report cards, attendance, grades and more.

Login Site: www.greeleyschools.org/StudentDataUpdate

Username: [Username]

Password: [Password]

Once logged in, click '**More**' and then '**Online Registration**':

Thank you,
