## Message from the Principal

Dear Parents and Community Wildcats!

New Year! New Bell Schedule! New Students! New Staff! New logo! Welcome to the 2019-20 school year! Our teachers and educational assistants arrived back early in August for professional development and planning. We are off to a smooth start--students are where they need to be and are engaged and learning.

We would like to welcome 20+ new staff members in all areas of our school. I'm eager for you to meet them, perhaps at our first Parent/Teacher Conference on October 2nd.

We hosted the incoming class of 2023 on a Wednesday--447 strong (possibly the 2nd largest class in Central history). These freshmen were welcomed into the gym by our faculty for an assembly. Our Link Crew (Senior and Junior students) and seminar teachers lead building tours and team building activities. The day ended with a cookout provided by our teachers. The purpose was to make sure that these students felt confident on the first day of school.

We are launching a new Advanced Manufacturing pathway for students; we have a new state-of-the-art room that we love to show off. If you are interested in a tour, please let me know at [casmith@greeleyschools.org](mailto:casmith@greeleyschools.org). Or you can wait for Parent Teacher Conferences October 2nd and we'll show you then.

**I need help!** Parents would you like to attend my **School Advisory Council** (SAC)? We will meet 4-5 times each school year. Our building School Board representative also attends these meetings. We will discuss current issues related to GCHS. Reviewing the school improvement plan, budgets and student data are all apart of this process. Meetings are from 6-7 pm in my office--it's a chance to be sent to the principal's office! Dates will be established for Sept. and Nov., Feb. and March. Please email me at [casmith@greeleyschools.org](mailto:casmith@greeleyschools.org).

### **Sports Registration Now CLOSED for Fall Sports**

As of August 30th, Fall sports has **CLOSED** for any new registrations. Any new registrations will only be permitted after meeting with the Activities/Athletic Director **AND** the coach for that sport.

Winter sports is just around the corner and we will open up registration for Winter sports some time in October. Please keep checking the school's website for information. Winter sports night will be Monday, November 11th at 6:30pm in the GCHS Library with Winter sports starting on Monday, November 18th right after school.

The GCHS Athletic Department is also looking for parents to join the school's athletic booster club (the Wildcat Foundation) for this year. If you are interested in attending meetings and growing GCHS Athletics, please email Sean Scribbick @ [sscribbick@greeleyschools.org](mailto:sscribbick@greeleyschools.org) or call 970-348-5000.

## Student Schedules and Infinite Campus Portal

Students should check their schedules on Infinite Campus as this will be the most accurate and up to date schedule available. There is a new Infinite Campus mobile app this year for both students and parents. Instructions are included in your registration packet and also this newsletter (see flyers). You can also obtain the instructions and guide on the District website ([www.greeleyschools.org](http://www.greeleyschools.org)) under the Families menu/Infinite Campus - Parent (or Student).

The apps are easily identified by a capital "S" for student portal or a capital "P" for parent portal. Students will login using their school username and their student number (lunch number) as their password. If a student does not know their login information, please see someone in the main office.

Parents who have accessed the parent portal last school year (at a District 6 school) should use the same username as before. This username would have ended with an **\_PG** (underscore PG). If you cannot get logged in please call Phil in the Main Office at (970) 348-5003 for a password reset.

## **Health Office at Greeley Central High School**

Welcome back to school! Let us introduce ourselves.

Your School Health Clerk is Tina Alvarez and your Registered Nurse is Caryn Ishmael. The Health Office phone number is 970.348.5026.

Your health clerk is at school daily between 8 am and 4 pm. They are responsible for entering immunization and hearing/vision screening data, providing first aid and comfort care for students as well as administering medications and procedures to students once trained and delegated by the School Registered Nurse.

The School Registered Nurse is responsible for training staff on care of students with health or medical concerns, writing health care plans for students with health needs, and obtaining health histories for students with IEPs. The RN is available during school hours for consultation on student health concerns by health clerks and school staff. The School RN also participates on Special Education, Wellness, Mental Health and Crisis teams, and may assist teachers with health-related topic education.

Health is an important part of every student's education. We are here to support your child's health care needs and help them stay healthy, safe, and present in school so that they are ready to learn!

If your student has a health concern, your student is ill, or if you need resources for health care providers, the Health Office team can help! Give us a call!

## FREE & REDUCED LUNCHES

Every year each student who wishes to be considered for free & reduced lunches must have their parent or guardian fill out a new application.

The best method of doing this is online. Completing your application online takes significantly less time and will facilitate a quicker turnaround time for determining your status.

Please click the link below to take you to this online application:

<https://d6applyformeals.greeleyschools.org/>

If you prefer to fill out a paper application you can pick this application up from the main office or go directly to Nutrition Services at the Service Center located at 2504 4th Avenue. Please note that filling out a paper application does take longer to process and get results.

Please note that students who have not had an application processed by one of the last days in September will have a "paid" status until approximately the end of the first week in October. After that date, the student's free & reduced status will be revoked, so please don't wait until the last minute to complete this application. Please check with Nutritional Services for all required due dates & information:

[Click here for the Nutritional Services Page](#)

Free & Reduced Meals!

## PARKING ISSUES

Please be aware of where you are parking in each of the parking lots. There have been instances where emergency vehicles have needed to access the school and cars have been illegally parked in the lots, making it impossible for these vehicles to get where they need to be.

We realize that with the larger student population this year it is tougher to find available parking spaces. Please remember that in order to keep the flow of traffic through the parking lots, everyone needs to adhere to all parking signs and lines.

With the increased number of illegally parked vehicles, our School Resource Officers from the Greeley Police Department will be issuing tickets for those cars parked illegally.

## STUDENT DROP-OFF

Please drop students off at the West entrance (student parking lot) in the morning for school. This parking lot is designed for a better flow of traffic. The Faculty parking lot (located on the North side of the building) is not designed for high-volume traffic and by trying to drop your student off at the North doors creates a bottleneck on 15th Street and in the parking lot itself.

The West entrance (student parking lot) creates a safer area for your student to get into the building rather than having them walk across 15th Street in traffic. Thank you for your attention to this as we strive to keep the area safe for not only your student but for you as well.

## ATTENDANCE

To report an absence for your student please call the attendance line directly at (970) 348-5014.

Please also remember to bring a photo ID with you when you come to pick up your child. Although some staff may know the parents of students, not everyone in the office may be familiar with you or your child.

Thank you for your cooperation.

[CLICK HERE to go to the Attendance page.](#)

Please note that during testing, field trips, or athletic events, your student may initially be marked absent until later that afternoon. Attendance for some testing or school events is delayed due to receiving final student attendance lists from the testing rooms or field trip chaperones/coaches. We thank you in advance for your understanding.
