A Message from our Principal

Dear Parents and Community Members,

We have had a good start to the school year, but get ready for winter! We are completing our first 10 weeks of School, Seniors are signing up for FAFSA and applying to colleges in big numbers, fall sports are coming to an end, winter sports are about to start, and our Fall play is just around the corner. Please go to our website to see important dates for November!

Our second round of parent teacher conferences will be from 4-8 pm on Wednesday, November 6th. Our attendance was excellent at the first conference and typically our attendance decreases in November, but **WAIT!**

These conferences are important also. Your student is just past the midpoint of the first semester and these conferences can help prevent failures from happening!

Please don't assume your student is thriving; we currently have a high failure rate. **Please come and talk to your teachers and counselors.**

Great questions to ask:

- Is my student on track to graduate? *Failing classes at any time can put students off track for their 4 year graduation. **Parents of seniors, these are important conversations!***
- How is my student's attendance? *The number one cause of not being successful in class (or the workforce) is not attending! Don't assume--find out what your student's attendance is all about!*
- Is my student eligible for sports? *Is my student going to be able to participate in Winter or Spring sports with the grades he/she currently has? Remember that a student must pass at least 5 classes **AND** can only fail one (1) class. Now is the time to get those assignments turned in and study for upcoming quizzes and tests.*

If you ever have any questions or if you'd like to come in and talk or tour the building, please contact me.

I would love to meet and talk (970-348-5000).

Go Cats!
Cary Smith, Principal

Parent Teacher Conferences November 6

We will have our second Parent Teacher Conference on Wednesday, November 6th from 4pm-8pm. We will again utilize our arena style format for these conferences. Please enter through the West entrance to pick up report cards, teacher locations, and login instructions for the parent portal on infinite campus.

Cars, Careers and Community Expo November 7

GCHS will be holding a Cars, Careers, and Community Expo on Thursday, November 7th from 11:30am-4pm. The purpose of this is to create an opportunity for our students to connect with our community and our alumni. Our Cars, Careers and Community Expo hopes to celebrate the impact careers in local trades have on Greeley while also connecting our students to schools and workforce opportunities that will aid them in their futures. This event will be held in the Northwest student parking lot at Greeley Central.

We will be utilizing a modified Thursday bell schedule which will allow students to come see these opportunities first hand.

See our school's Facebook page for information (<https://www.facebook.com/greeleycentral/>).

GREELEY CENTRAL HIGH SCHOOL

CARS, CAREERS & COMMUNITY FEST

When: Thursday | November 7, 2019
Where: Greeley Central High School Large West Lot
Time: 11:30 AM- 4:00 PM

PURPOSE:

GCHS is seeking to create an opportunity to connect with our community and our alumni. Our Cars, Careers & Community Fest will celebrate the impact careers in local trades have on our Greeley community. This fun and energetic event will connect students to schools and local workforce opportunities that will aid them in their future career pathways!

WE ARE SEEKING:

- Individuals who are willing to bring an automobile for display in an afternoon car show
- Local businesses who are willing to promote their company and share how they started their business
- Food Truck Vendors
- Companies/ Organizations in:
 - Local Oil & Gas
 - Structural Trades
 - Graphic Design
 - Welding Technology
 - HVAC Professionals
 - Diesel Technology
 - Fire Science
 - Law Enforcement
 - Medical Services
 - Auto Sales, Repair and Restoration Businesses
 - Hair Stylist/Barber
 - Health and Wellness

Sports Registration for Winter Sports

Winter sports are just around the corner and registration for Winter sports opened on October 21st. Winter sports night will be Monday, November 11th at 6:30pm in the GCHS Library with Winter sports starting on Monday, November 18th right after school.

See the link on the school's home page or follow the link below. Students who have participated in sports at a District 6 high school will need to log in to their account and register for a winter sport. **ONLY WINTER SPORTS** are open to registration at this time. Winter sports include: Basketball (boys/girls), and Boys Wrestling. Girls Swimming is available, although those wishing to swim will need to register at Greeley West, as swimming is not offered at Central. Girls Wrestling is also available, although those girls wishing to wrestle will need to register at Northridge, as Northridge will be heading up the girls wrestling program this year.

Please note that prior to your student participating in ANY practice or games, registration must be completed online and you must be cleared through the Activities office. Mrs. Barnes will notify those parents/students who are missing information from their registration via email.

DO NOT WAIT UNTIL THE LAST MINUTE. Registration opened up on October 21st for all students (links located on our school's homepage).

For your convenience, to register for sports at Greeley Central High School, click the link below:

<https://greeleycentral-ar.schooltoday.com/>

Any student who wishes to participate in winter sports must register online using the sports registration link above. All students must have an up to date physical as well as insurance.

The GCHS Athletic Department is also looking for parents to join the school's athletic booster club (the Wildcat Foundation) for this year. If you are interested in attending meetings and growing GCHS Athletics, please email Sean Scribbick @ sscribbick@greeleyschools.org or call 970-348-5000.

Tutoring After School...and Saturday School

Need some help with a class or two? Need some extra time to get some other homework completed?

Well, you're in luck! Tutoring is available for GCHS students Tuesday-Friday (when school is in session) from 3:30pm-5:00pm in the Library Computer Lab (room 215).

If tutoring is cancelled we will announce the cancellation as soon as we know.

Questions? Contact Bre Staut (bstaut@greeleyschools.org), Julie Boecking-Rowell (jrowell@greeleyschools.org), or Justin Davis (jdavis@greeleyschools.org).

Also, Saturday School will be offered throughout the year. Dates are listed below and will be from 8am-11am on the remaining semester 1 Saturdays listed below. Help in all content areas will be provided. If you have questions regarding Saturday School, please contact Amy Bekins at abekins@greeleyschools.org:

- November 9th
- November 23rd
- December 14th

Senior News

We are still working on our FAFSA. What is FAFSA?

To apply for federal student aid, such as federal grants, work-study, and loans, you need to complete the Free Application for Federal Student Aid (FAFSA). FAFSA gives you access to the largest source of financial aid to pay for college or career school. In addition, many states and colleges use the student's FAFSA information to determine his or her eligibility for state and school aid, and some private financial aid providers may use the student's FAFSA information to determine whether the student qualifies for their aid. The Greeley Central Senior team is still helping our families complete this important step. Please reach out to them to make an appointment.

All senior students should have received an email invitation to join our senior class Google classroom which was sent to their school email. Please be sure that you accept the invitation, we will be updating it daily and sending important information this way.

Here you will be able to:

- Access instructions for completing your senior duties
Contact the senior team
- Download forms
- Access your senior checklist
- Scholarship Applications

*If you haven't received an invite use the code **um3r6ge** to become a member of the class. Every senior must join.*

Parents and guardians may request access to the Google classroom by emailing Ms. Boschmann at kboschmann@greeleyschools.org or Mrs. Koesler at ckoesler@greeleyschools.org.

If you are interested in looking at more scholarships for your child, please visit these user friendly scholarship search engines:

Bond Issue Information for the November 5th Election

This November's election is an important one for not only Greeley Central High School, but for the entire school District. Please see the ***Bond Letter to Parents*** found in this newsletter along with the ***Bond Fact Sheets*** for information. This bond measure is being proposed to address issues with our aging facilities, safety in our buildings, among other things. Please read these documents so that you can be well-informed on what the bond issue covers and what it doesn't cover.

Open Enrollment

Open Enrollment for the 2020-2021 school year opens November 1st. Students in transition grades (Pre-School, 5th Grade, 8th Grade) will receive letters from District 6 at the end of the month listing their 2020-21 boundary school and more information about Open Enrollment.

Please contact Admissions@greeleyschools.org for questions or more information. Open enrollment will remain open through December 20th, 2019 (see flyer in this newsletter). Please note that there are NO paper forms for open enrollment and all requests are to be submitted online through School Mint. Go to the web address given in the flyer [or click this link to start this process](#).

No School for Students Friday, November 8th

There will be no school for students on Friday, November 8th. Teachers will be in professional development all day. School will resume on Monday, November 11th. Enjoy the weekend.

Thanksgiving Break Begins Monday, November 25th

There will be no school for students or staff during the entire week of Thanksgiving. This year, Thanksgiving break begins on Monday, November 25th. School will resume on Monday, December 2nd with our normal Monday bell schedule.

Please note that we will still hold Saturday school on Saturday, November 23rd from 8am-11am in the GCHS Library for students who wish to get some work completed before going on break.

A Message from the Counselors

How to make an appointment with the counselor:

- Go to www.greeleyschools.org/greeleycentral
- Click Menu
- Click on Counseling Tab
- Scroll to find your counselor (all the way at the bottom)
- Click on MAKING AN APPOINTMENT WITH:
 - 9th grade- Mrs. Parsell
 - 10th grade-Mrs. Dillon
 - 11th grade-Mrs. Villarreal
 - 12th grade-Ms. Boschmann
 - 12th grade College- Mrs.Koesler

Please make sure to follow enter all of the information requested on the appointment screen and add the reason why you are making the appointment. This will help the counselors to be prepared for the meeting.

Cont.

Freshman:

My name is Sarah Parsell and I am the Freshman Counselor. In the second six weeks, our focus is getting those grades up! Tutoring is available to students after school Tuesday through Friday and is a great way to get in those missing assignments. We are also working on second semester schedules and will have Freshman finalized by the end of the month. Make an appointment with me if you have questions.

Sophomore:

My name is Sara Dillon and I am the Sophomore Counselor. At the end of October we took the ASVAB which with a score of 31 or higher checks off the new additional graduation requirements for both Math and English. I am working to finalize second semester schedules which I hope to have done by the end of the month. One focus right now is working with students who struggled in classes last year to try and get grades up so they can graduate on time at Central. Please encourage your students to take advantage of after school tutoring Tuesday- Fridays from 3:30 to 4:45 and Saturday Schools on November 9, November 23 and December 14 from 8am-11am. Please schedule an appointment with me for any questions or concerns.

Junior:

My name is Kendra Villarreal. I am super excited to be the Junior Counselor! It is exciting to be looking forward to graduation and accomplishing future goals with the class of 2021!

Currently, we are talking about career plans and ensuring our Juniors have completed the new Graduation Guideline requirements set by the state of Colorado. Students need to achieve scores on tests that show competency in Math and English. Many of our juniors have accomplished this requirement by scoring a 31 on the ASVAB. The next opportunity will be taking the SAT test in April. Students must earn a 500 in Math and a 470 in English to reach this requirement.

To prepare, students can access free SAT preparation activities on [khanacademy.org](https://www.khanacademy.org). Test practice books are also available online or at local bookstores.

To make an appointment to see me, go to www.greeleyschools.org/greeleycentral; hover over "Counseling", scroll down the page and click on "Make an appointment with Mrs. Villarreal. I can also be reached at 970-348-5020.

Senior:

My name is Katrina Boschmann, I am the Senior class counselor this year and Claudia Koesler is the College Counselor. If you have questions or need assistance with FAFSA, scholarships or college applications please make an appointment with Mrs. Koesler. If you have questions about credits, graduation requirements or scheduling classes please make an appointment with Ms. Boschmann. Currently we are located on the 2nd floor in room 226 at (970) 348-5116 and soon we will be moving into our newly renovated offices in room 113 across the hall from the attendance office. Our phone numbers will be changing at that time as well. Please be alert for those upcoming changes in how to find us. Please check-in for all appointments with Heather Endres in the counseling office and she will contact us, that way you won't miss us if we're not in the office!

Career Pathway Specialist:

My name is Lizette Guerrero and I am the Career Pathway Specialist at GCHS. I am excited to work with all grade levels to identify each student's interest and help align their post-secondary plans with their career goals. I'd like to invite you to our Cars, Careers and Community Fest happening on November 7th here at Central from 11:30 to 4:00! Visit our GCHS Facebook page for more details.

My office is located on the first floor of the Castle in room 117 and my office number is 970-348-5019. Feel free to reach out and see you at our festival!

Yearbook Information

We are excited to announce that the **2020 Greeley Central** yearbook is now on sale. It's the only book that captures the year's events, activities, friendships, experiences and memories. The book is on sale until **November 8th for the lowest price**. You may place your order for the yearbook at www.jostensyearbooks.com or with our school finance office. Make sure you do not miss out on this year's book as we sold out last year. This is one you won't want to miss!

Reminder that the Final Deadline for submitting your Senior's recognition or "Baby Ad" for the 2020 yearbook is November 19th. For more information on pricing and submission, please visit www.TheYearbookCompany.com

Deadline to submit your Senior Portrait for the 2020 Yearbook is November 15th. Please visit <https://www.greeleyschools.org/site/Default.aspx?PageID=3994> for instructions and submission of portraits.

Featured Photography Students

The works of three Greeley Central photography students were selected for the *2020 Gorgeous Glenmere Calendar*. Julian Avalos, Damon Magdaleno, and Maria Zavala entered images they captured during one of several walking field trips the photography classes take to Glenmere park during the semester.

By Julian Avalos

By Damon Magdaleno

By Maria Zavala

Unified and Special Olympics Bowling

The Wildcats have had a fantastic season bowling this fall! Our Unified CHSSA Team had our Regional Competition on October 16. Both teams scored very well, and we will find out on October 28th if we have a spot at the State Competition on November 8 in Denver. Our Unified team consists of athletes and partners. We bowl using the Baker format where each team member bowls just once, and it is a good time for all.

Our Special Olympics single regionals was also held on October 16. All of our students got a chance to participate and we all had a blast. Thanks to all the parents and caregivers who came out to support our kids. We can't do it without you!

FREE & REDUCED LUNCHES

Every year each student who wishes to be considered for free & reduced lunches must have their parent or guardian fill out a new application.

The best method of doing this is online. Completing your application online takes significantly less time and will facilitate a quicker turnaround time for determining your status.

Please click the link below to take you to this online application:

<https://d6applyformeals.greeleyschools.org/>

If you prefer to fill out a paper application you can pick this application up from the main office or go directly to Nutrition Services at the Service Center located at 2504 4th Avenue. Please note that filling out a paper application does take longer to process and get results.

Please note that students who have not had an application processed by one of the last days in September will have a "paid" status until approximately the end of the first week in October. After that date, the student's free & reduced status will be revoked, so please don't wait until the last minute to complete this application. Please check with Nutritional Services for all required due dates & information:

[Click here for the Nutritional Services Page](#)

ATTENDANCE

To report an absence for your student please call the attendance line directly at **(970) 348-5014**.

Please also remember to bring a photo ID with you when you come to pick up your child. Although some staff may know the parents of students, not everyone in the office may be familiar with you or your child.

We require at least one (1) hour's notice to release students so please plan ahead.

Thank you for your cooperation.

[CLICK HERE to go to the Attendance page.](#)

Please note that during testing, field trips, or athletic events, your student may initially be marked absent until later that afternoon. Attendance for some testing or school events is delayed due to receiving final student attendance lists from the testing rooms or field trip chaperones/coaches. We thank you in advance for your understanding.

PARKING ISSUES

Please be aware of where you are parking in each of the parking lots. There have been instances where emergency vehicles have needed to access the school and cars have been illegally parked in the lots, making it impossible for these vehicles to get where they need to be.

We realize that with the larger student population this year it is tougher to find available parking spaces. Please remember that in order to keep the flow of traffic through the parking lots, everyone needs to adhere to all parking signs and lines.

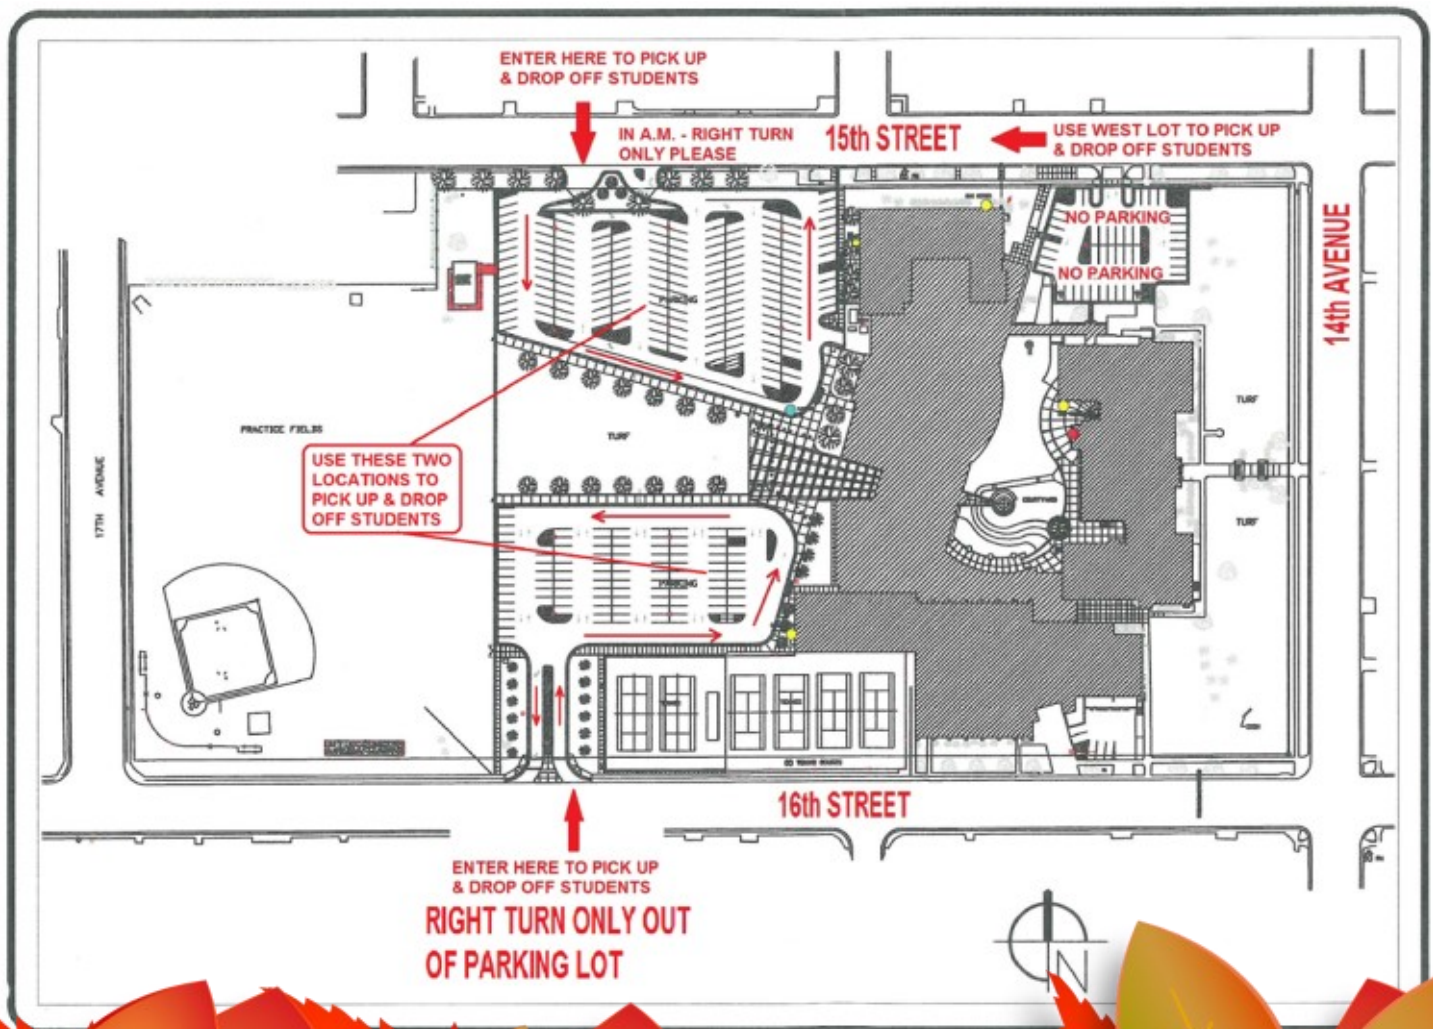

With the increased number of illegally parked vehicles this year, from this point on (April 5th, 2019), our School Resource Officers from the Greeley Police Department will be issuing tickets for those cars parked illegally.

STUDENT DROP-OFF

Please drop students off at the West entrance (student parking lot) in the morning for school. This parking lot is designed for a better flow of traffic. The Faculty parking lot (located on the North side of the building) is not designed for high-volume traffic and by trying to drop your student off at the North doors creates a bottle-neck on 15th Street and in the parking lot itself.

The West entrance (student parking lot) creates a safer area for your student to get into the building rather than having them walk across 15th Street in traffic. Thank you for your attention to this as we strive to keep the area safe for not only your student but for you as well

We will be blocking off the Faculty parking lot in the mornings and afternoons to try to eliminate this bottleneck. Please do not stop in the middle of the street (15th Street) to let your students run across traffic. This is not safe and is not legal. Please use the student parking lot for dropping off students.

Notes from the Health Office:

Flu season is right around the corner...

- The CDC recommends that everyone 6 months and older get vaccinated this season.
- Here are some other tips for staying healthy:
 - Wash your hands with soap and water frequently during the flu season.
 - Avoid touching your eyes, nose or mouth.
 - Cover your mouth or tuck it into your elbow when coughing or sneezing.
 - Avoid contact with people who are sick.
 - Don't share drinks or utensils with others.
 - Stay home with fever over 100.5 F, chills, head and body aches, or uncontrollable cough.
- For more information about flu prevention, <https://www.cdc.gov/flu/protect/habits.htm>

Vision/Hearing Screening

- We will be having Vision and Hearing screening day on November 6th. Please remind your student to bring and wear their glasses daily but particularly on this day.
- If you receive a Vision Referral Letter for your student in the mail, this means that your child did not pass the screening and needs further vision follow-up with a vision professional.
- Medicaid, CHP+, and private insurance cover vision exams and glasses. If you do not have insurance and need assistance with getting a vision exam or glasses for your student, please contact the health office for additional resources.

970.348.2026

Greeley Central Boys Soccer is City Champions

Congratulations on our boys soccer team for their cross town win against the Northridge Grizzlies. The boys beat the Grizzlies on a chilly Tuesday night on Oct. 15th with a final score of 1-0. With the win, our boys successfully became City Champions after beating Greeley West and Frontier Academy earlier this season. The boys finished the season with a record of 7-6-2 and will look forward to a great off season in preparation for next year.

Regional Cross Country and State Qualification

Congratulations to our cross country team on a strong finish at the regional competition on Thursday October 17th. The Lyon's regional course was a tough course set out to prepare athletes for the state meet. Although our girls and boys teams did not qualify for state as a collective, we did have an individual runner qualify for the state meet in Colorado Springs. Hermon Gebrehiwot (Pictured Below crossing the split mark) finished in 6th place in the 4A region 4 run and will compete at state on 10/26/2019. Good luck to Hermon and

SAT assessment	Score of at least 500 on Math
Concurrent enrollment course	Grade of at least a (C-) in an eligible Math course including MAT100 level or higher, or STAT100
Industry certificate	Career and Technical Education certificates as approved by the superintendent or designee
District Capstone	Implement district-wide by 2023

Colorado Higher Education Admission Requirements

Students planning to attend a four-year college or university in Colorado will need to complete the following classes in order to fulfill the Higher Education Admission Requirements. In addition to the Higher Education Admission Requirements, students must also meet the **Admission Eligibility Index**.

Meeting the Higher Education Admissions Requirements does not guarantee admission to a four-year public institution. Colleges and universities may have additional requirements.

We encourage EVERYONE to adhere to HEAR-Colorado's Higher Education Admission Requirements to ensure the opportunity for college admission.

Academic Area*	
English**	4 years
Mathematics (Must include Algebra I, Geometry, Algebra II or equivalents)***	4 years
Natural/Physical Sciences (two units must be lab-based)***	3 years
Social Sciences (at least one unit of U.S. or world history)	3 years
Foreign Language	1 year
Academic Electives****	2 years

Requisitos de Graduación

Requisitos de Crédito de Graduación del Distrito 6

Demostración de Habilidad en Matemáticas

Examen Accuplacer	Puntuación de por lo menos 61 en Álgebra Elemental
Examen ACT	Puntuación de por lo menos 19 en Matemáticas
Examen ACT WorkKeys	Puntuación de por lo menos 3 (Nivel Bronce) en Matemáticas
Colocación Avanzada (AP)	Puntuación de por lo menos 2 en Química AP, Estadística AP, Cálculo A/B AP, Cálculo B/C AP y/o Física I AP o Física II AP II
Serie de Aptitud Vocacional de las Fuerzas Armadas (ASVAB)	Puntuación de por lo menos 31
Bachillerato Internacional (IB)	Puntuación de 4 en Estudio de Matemáticas IB, Matemáticas SL o HL IB, Física IB y/o Química IB
Examen SAT	Puntuación de por lo menos 500 en Matemáticas
Curso de Inscripción Simultanea	Calificación de por lo menos una (C-) en un curso elegible de Matemáticas incluyendo el nivel MAT100 o más alto o el de STAT100
Certificado de industria	Certificados de Carreras y Educación Técnica según lo aprobado por la superintendente o persona designada
Proyecto Capstone del Distrito	Implementación a nivel distrito para el 2023

Requisitos de Admisión para la Educación Superior de Colorado

Los estudiantes que planean asistir a un colegio o universidad de cuatro años en Colorado necesitarán completar las siguientes clases para poder cumplir con los Requisitos de Admisión para la Educación Superior de Colorado. Además de los Requisitos de Admisión para la Educación Superior de Colorado, los estudiantes deben cumplir también con el Índice de Elegibilidad de Admisión.

El cumplir con los Requisitos de Admisión para la Educación Superior de Colorado no garantiza la admisión a una institución pública de cuatro años. Los colegios y universidades pudieran tener requisitos adicionales.

Animamos a TODOS a apegarse a los Requisitos de Admisión de Educación Superior de Colorado (HEAR, por sus siglas en inglés) para garantizar la oportunidad a la admisión universitaria.

Área Académica *

Inglés**	4 años
Matemáticas (debe incluir Álgebra I, Geometría, Álgebra II o equivalentes)***	4 años
Ciencias Naturales/Físicas (dos unidades deben ser con base de laboratorio)***	3 años
Ciencias Sociales (por lo menos una unidad de Historia de USA o Mundial)	3 años
Idioma Extranjera	1 año
Optativas Académicas****	2 años

Greeley-Evans School District 6

Dear Wildcat Families:

November 5 is a very important election day for Greeley-Evans School District 6, and I want to be sure our families have the factual information they need to make an informed decision at the polls.

A Citizen's Task Force asked the District 6 Board of Education to place a bond issue on the November 5 ballot. This ballot measure asks voters in Greeley and Evans to approve a \$395 million bond issue that can be used for building improvements, repairs and renovations, as well as equipment and furniture. It cannot be used for salaries or programs.

It has been 17 years since District 6 has built any additional schools, and, in nearly the same time, the district has grown by 7,000 students. District-wide our schools are 5,000 students over capacity, and 142 of our classrooms are portable buildings.

Overall, this bond issue will help District 6 to begin to address overcrowding and plan for future growth. Five schools have been recommended for demolition and a complete rebuild: Greeley West High School, Madison Elementary School, Scott Elementary School and Brentwood Middle School. The first two--Greeley West and Madison--will be demolished and rebuilt as larger schools with more capacity. As well, a new K-8 school will be funding to provide additional classrooms and relieve overcrowding.

Large additions will also be constructed at McAuliffe STEM Academy K-8 and Chappelow Arts Magnet K-8. Both schools are significantly over capacity and facilities such as gymnasiums, cafeterias and performing arts spaces are not adequate for the number of students.

If 4C is approved by voters, every school in District 6, including charter schools, will receive money for repairs and renovations, like heating and cooling upgrades, roof repairs, carpet replacement and asbestos abatement, paint in critical areas and improvements for accessibility to comply with the Americans With Disabilities Act. Every school will also receive money for upgrades to safety and security, including safe entryways at all schools and improved door hardware for interior doors.

Also, each school will be provided funding for instructional upgrades to be determined through a collaborative process that will include the school community. Improvements could include STEM labs, project-based learning spaces, furniture, classroom modifications, fine arts equipment and supplies, health and wellness equipment and spaces, or other capital improvements that support career and technical education programs.

I have again included the flyer that talks about how much our schools will receive from Bond Issue 4C. I ask that you take a minute to review this, and if you have any questions, please let me know.

If you would like more information, including commonly asked questions about Bond Issue 4C, the ballot please visit the District 6 website at www.greeleyschools.org/2019bond.

Thank you for taking the time to learn about this important ballot issue, and all the other local elections that will be on the November 5 ballot. This is an all mail-in election, and ballots will begin being sent to homes in Weld County on October 14. We encourage you to participate in this election. Thank you, Wildcats!

Estimadas familias de la Greeley Central Wildcats:

El 5 de noviembre es un día de elecciones muy importante para el Distrito Escolar 6 de Greeley-Evans y quiero asegurarme que nuestras familias tengan la mayor información que necesitarán para poder tomar una decisión informada al votar.

Un comité conformado por ciudadanos solicitó a la Mesa Directiva del Distrito 6 que colocara una propuesta "bond issue" en la papeleta electoral del 5 de noviembre. Esta medida electoral pide a los votantes en Greeley y Evans aprobar una propuesta de \$ 395 millones que podrán usarse para hacer reparaciones, mejoras y renovaciones de edificios escolares, así como también a equipos y muebles. No podrá usarse para salarios o programas.

Han pasado 17 años desde que el Distrito 6 construyó escuelas nuevas, y en ese mismo lapso de tiempo el distrito ha tenido un crecimiento de aproximadamente 7,000 estudiantes. En todo el distrito, nuestras escuelas tienen un sobrecupo de más de 5,000 estudiantes y 142 de nuestras aulas son edificios portátiles.

En general, esta propuesta ayudará al Distrito 6 a empezar a resolver el problema de sobrecupo y a planificar para el crecimiento futuro. Se nos ha recomendado que cinco escuelas sea derrumbadas y se vuelvan a reconstruir en su totalidad: la Escuela Preparatoria Greeley West, Escuela Primaria Madison, Escuela Primaria Scott y la Escuela Secundaria Brentwood. Las dos primeras, Greeley West y Madison, serán derribadas y reconstruidas como escuelas más grandes y con mayor capacidad. Así también, se utilizarán estos fondos para construir una escuela nueva K-8 que proporcionará aulas adicionales y resolverá el sobrecupo.

También se harán adiciones importantes a la Academia McAuliffe STEM K-8 y Chappelow Arts Magnet K-8. Ambas escuelas tienen un sobrecupo significativo y las instalaciones de sus gimnasios, cafeterías y espacios de artes escénicas no son adecuadas para la cantidad de estudiantes.

Si los votantes aprueban la propuesta 4C, todas las escuelas del Distrito 6, incluyendo las escuelas chárter, recibirán fondos para reparaciones y renovaciones, tales como mejoras a los sistemas de calefacción y aire acondicionado, reparaciones de techos, reemplazo alfombras y remover asbesto, pintar donde sea más necesario y mejoras para la accesibilidad en conformidad con la Ley de Americanos con Discapacidades. También cada escuela recibirá fondos para mejorar la seguridad, incluyendo la seguridad de entradas en todas las escuelas y cerrojos y equipo de las puertas interiores.

Además, cada escuela recibirá fondos para actualizar la instrucción; esto se determinará mediante un proceso colaborativo que incluirá a la comunidad estudiantil. Las remodelaciones podrán incluir laboratorios STEM, espacios de aprendizaje en base a proyectos, mobiliario, modificaciones en los salones, equipo y materiales para las artes, equipos y espacios para bienestar y salud, u otras mejoras importantes que ayudan a los programas de educación profesional y técnica.

Nuevamente adjunto he incluido el volante que habla sobre cuánto recibirán nuestras escuelas del Bond Issue 4C. Le pido que tome un minuto para leerlo, y si tiene alguna pregunta, hágamelos saber.

Si desea obtener más información, incluyendo preguntas más frecuentes sobre la propuesta 4C, el lenguaje utilizado en la boleta electoral, el estudio de necesidades de instalaciones o sobre el registro de votantes, visite la página de internet del Distrito 6 en la www.greeleyschools.org/2019bond.

Gracias por tomarse el tiempo para informarse sobre este importante tema de la papeleta electoral y sobre todas las demás propuestas o elecciones locales que se estarán en la papeleta electoral del 5 de noviembre. Esta es una elección por correo y el 14 de octubre se comenzarán a enviar las papeletas electorales a los hogares del condado Weld. Lo animamos a participar en esta elección. ¡Gracias!

Cary Smith, Director

2019 Bond Proposal

Greeley Central High School Investment Plan

1515 14th Avenue
Greeley, Colorado

Year constructed: 1927
Number of students: 1,545 (2018)
Building capacity: 1,261
Number of staff: 112
Student grade levels: 9-12

Square footage of main building: 207,991
Number of temporary portable classrooms: 0

PROPOSED REPAIRS AND RENOVATION IN THE 2019 BOND ISSUE

- Enhance safety and security, including improved entry
- Partial roof replacement
- Replace aging door hardware for improved function and security
- Remove and replace areas of worn carpet and flooring; abate asbestos where needed
- Paint and refinish walls and ceilings based on greatest need
- Replace boilers and cooling tower
- Accessibility improvements in accordance with the Americans with Disabilities Act (ADA)

PROJECTED BUDGET:

\$8,650,000 - \$10,110,000*

**Final budget will be developed in the design phase*

INSTRUCTIONAL/CAREER AND COLLEGE PREPARATION UPGRADES

Each school will be provided funding for instructional upgrades to be determined through a collaborative process that will include the school community. Improvements could include STEM labs, project-based learning spaces, furniture, classroom modifications, fine arts equipment and supplies, health and wellness equipment and spaces, or other capital improvements that support programs and students.

PROJECTED BUDGET:

\$1,500,000

Expenditure of these dollars will be unique to each building and will be overseen by the District 6 Department of Finance and the Bond Oversight Committee.

For more information, visit www.greeleyschools.org/2019bond

Greeley-Evans
WELD COUNTY SCHOOL DISTRICT 6

Arguments for:

- Greeley-Evans School District 6 schools are currently 5,000 students over capacity district-wide.
- District 6 has not constructed any additional, non-charter schools since 2003. The District has grown by 7,000 students in the past 20 years.
- The money from this ballot measure will provide much-needed funding for repairs and renovations of public schools, including charter schools.
- This ballot issue will also begin to address capacity issues by constructing a new K-8 and adding capacity to some schools.
- The State of Colorado does not provide specific funding to school districts for capital improvements, including new schools, major renovations and repairs, upgrades to security and safety, upgrades to systems such as heating and cooling, or renovations for programs. The only funding available for capital projects comes through state grants, which require significant matching funds and don't cover all needs.
- It is the responsibility of District 6 and the community to do everything possible to ensure students and staff are safe. This measure would pay for additional security measures, such as safe entryways, updated locks and door hardware and the removal of some portable buildings.
- A Bond Oversight Committee will be appointed to ensure that District 6 uses the money from the Bond to fund programs and learning opportunities as promised.

Arguments against:

- Taxes should not support schools because they only serve students, which is a small segment of the population.
- This measure would increase property taxes. Due to the Gallagher amendment, this puts a larger burden on business owners in the communities of Greeley and Evans.
- District 6 doesn't need additional revenue. It should make cuts to fund facility needs.
- There is not sufficient accountability or oversight on how this money will be used.
- It is the responsibility of the state to fund public education. This measure asks local property owners to take on some of that responsibility.
- Some may not agree with how District 6 has spent its money to this point, and believe there is room for better financial management.
- District 6 should find money from other sources, such as charitable organizations and grants.

Propuesta en la Papeleta Electoral "Bond Issue" del 2019

Plan de Inversión de la Escuela Preparatoria Greeley Central

1515 14th Avenue
Greeley

Año de construcción: 1927
Número de estudiantes: 1,545 (2018)
Capacidad del edificio: 1,261
Número de empleados: 112
Nivel académico: 9-12

Pies cuadrados del edificio principal: 207,991
Número de salones portátiles temporales: 0

RECOMENDACIÓN DE REPARACIONES Y RENOVACIONES EN LA PROPUESTA DEL 2019:

- Mejorar la seguridad y protección, incluyendo seguridad de entradas
- Reemplazo parcial del techo
- Para mejorar la funcionalidad y seguridad, reemplazar cerrojos y equipo antiguo de las puertas
- Reemplazar y remover partes de pisos y alfombras que estén desgastados; remover asbesto donde sea necesario
- Pintar y restaurar paredes y techos en donde sea más necesario
- Reemplazar boilers y unidad de refrigeración
- Mejorar la accesibilidad en conformidad con la Ley de Americanos con Discapacidades (ADA, por sus siglas en inglés)

Presupuesto Projectado:

\$8.65 millones - \$10.11 millones*

**El presupuesto final se desarrollará durante la fase de diseño*

REMODELACIONES A EDIFICIOS PARA MEJORAR LA INSTRUCCIÓN/PREPARACIÓN VOCACIONAL Y SEGUIMIENTO A LA UNIVERSIDAD

Cada escuela recibirá fondos para actualizar la instrucción estos cambios serán determinados a través de un proceso colaborativo que incluirá a la comunidad estudiantil. Las remodelaciones podrán incluir laboratorios STEM, espacios de aprendizaje en base a proyectos, mobiliario, modificaciones a los salones, equipo y materiales para las Artes, equipo y espacios para bienestar y salud u otras mejoras importantes que ayudan a los estudiantes y programas.

Presupuesto Projectado:

\$1.5 millones

Cada edificio usará sus fondos de diferente manera y serán supervisados por el Departamento de Finanzas del Distrito 6 y el Comité de Supervisión de la Propuesta.

www.greeleyschools.org/2019bond

Greeley-Evans
WELD COUNTY SCHOOL DISTRICT 6

Argumentos a Favor:

- A nivel distrito, las escuelas del Distrito Escolar 6 de Greeley-Evans actualmente tienen un sobre cupo de 5,000 estudiantes a nivel distrito.
- El Distrito 6 no ha construido ninguna escuela adicional, aparte de escuelas chárter desde el 2003. En los últimos 20 años el Distrito ha tenido un crecimiento de más de 7,000 estudiantes.
- El dinero recaudado de esta propuesta en la papeleta electoral proporcionará fondos muy necesarios para reparaciones y renovaciones de escuelas públicas, incluyendo las escuelas chárter.
- Esta propuesta también nos dará la oportunidad de empezar a resolver problemas de sobre cupo al construir una nueva escuela K-8 y así agregar más cupos en algunas escuelas.
- El estado de Colorado no proporciona fondos específicos para mejoras capitales a los distritos escolares, incluyendo escuelas nuevas, renovaciones y reparaciones importantes, actualizar sistemas de seguridad y protección, mejorar sistemas de calefacción y aire acondicionado o renovaciones de programas. Los únicos fondos disponibles para proyectos capitales provienen de subsidios estatales, los cuales requieren fondos complementarios significantes y aun así no alcanzan a cubrir todas las necesidades.
- Es la responsabilidad del El Distrito 6 y de la comunidad de hacer todo lo que esté a su alcance para garantizar la seguridad de estudiantes y del personal. Esta medida pagaría por medidas de seguridad adicionales, tales como seguridad de las entradas a los edificios, actualizar los cerrojos y equipo de puertas, y para quitar algunos de los edificios portátiles.
- Se nombrará a un Comité de Supervisión de la Propuesta para garantizar que el Distrito 6 utilice los fondos de la propuesta (Bond) para costear los programas, reparaciones, renovaciones y mejoras según lo prometido.

Argumentos en Contra:

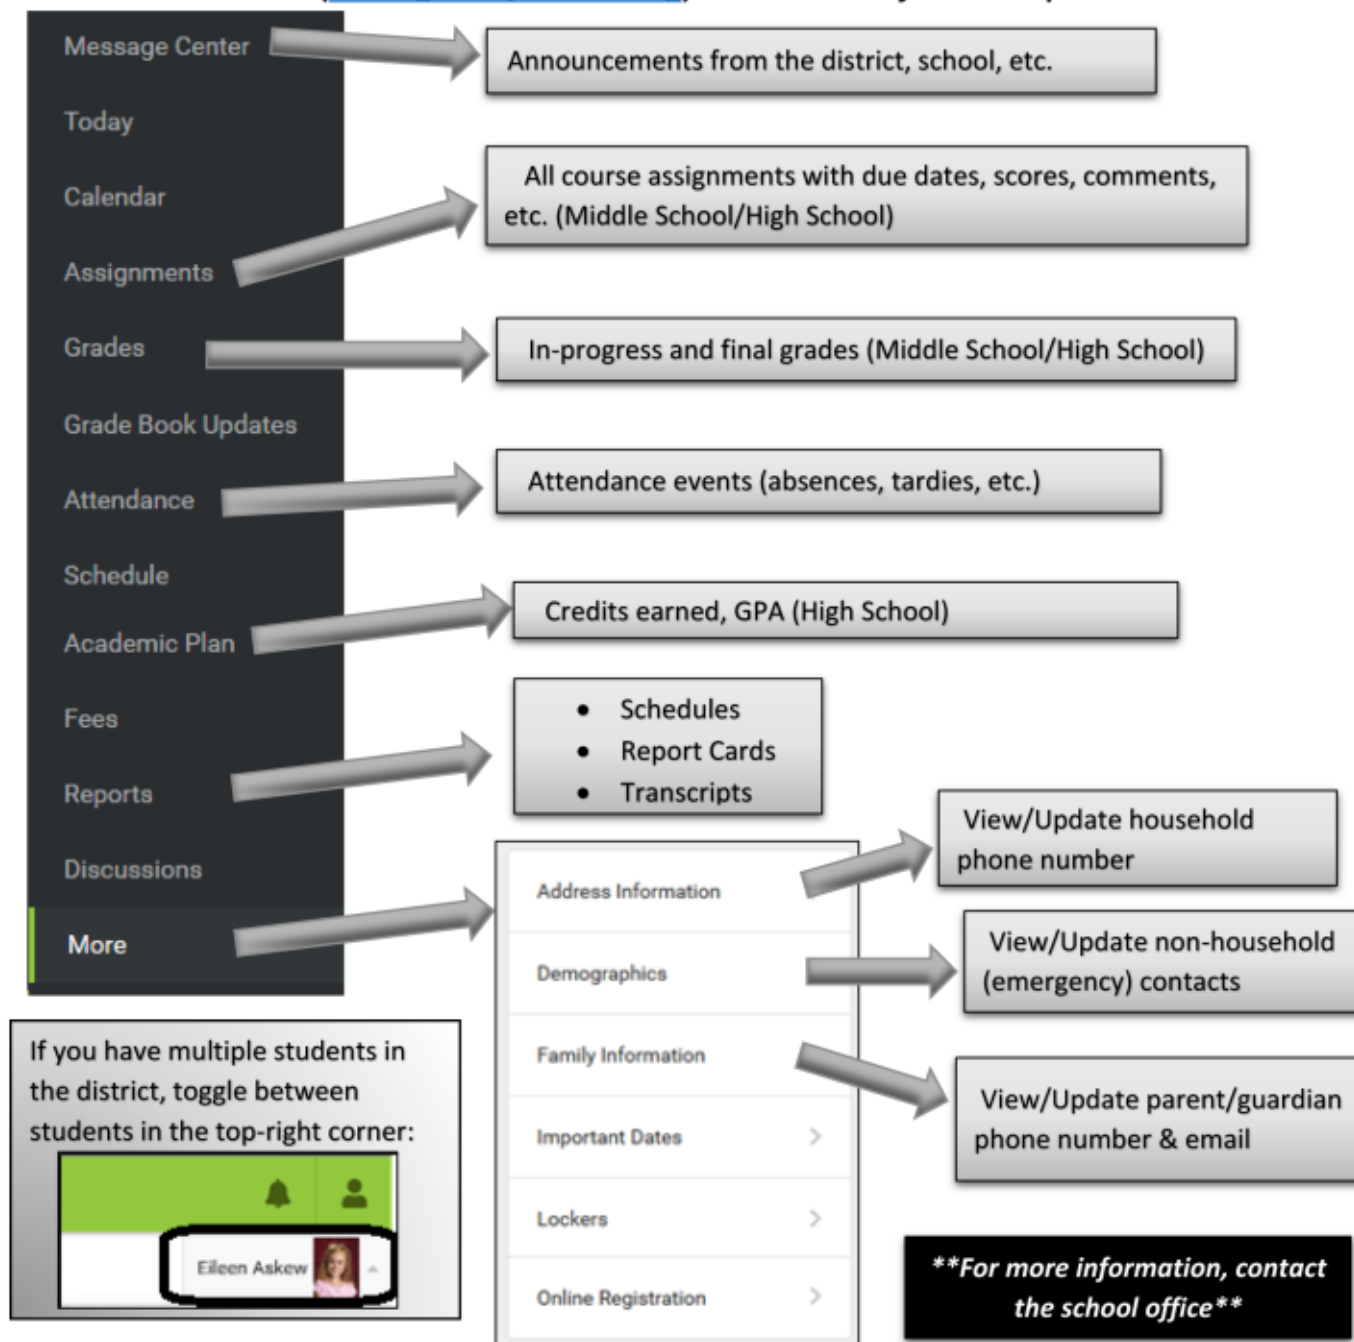

- Los impuestos no deben usarse para financiar las escuelas porque estas solo sirven a los estudiantes, los cuales son solo un pequeño sector de la población.
- Esta medida aumentará los impuestos prediales. La enmienda Gallagher causa que esto sea una carga más grande a los dueños de negocios en las comunidades de Greeley y Evans.
- El Distrito 6 no necesita ingresos adicionales. Deberá hacer recortes para poder financiar las necesidades de los edificios.
- No hay suficiente supervisión o claridad en cómo se utilizará este dinero.
- El estado tiene la responsabilidad de financiar la educación pública. Esta medida pide a los propietarios locales asumir parte de esta responsabilidad.
- Algunas personas pueden no estar de acuerdo en cómo el Distrito 6 ha usado el dinero hasta ahora, y creen que existe un margen para un mejor el manejo financiero.
- El Distrito 6 debe encontrar fondos a través de otras fuentes, tales como organizaciones sin fines lucrativos o subsidios.
