A Message from our Principal

Dear GCHS families and students,

The school year is completed! And this has been a year! I don't have to tell anybody that. Congratulations to our Seniors who have finished their credits and are prepared to walk with us in July--we are all looking forward to seeing you on July 31st. Thank you to *all* Wildcats for all for your work, your flexibility, for your grit and perseverance. All students adapted to their new environment with its new roles and expectations, and I commend *all* Wildcats. It was difficult, I know.

I don't know about you, but for me, something happened to my perception of time. I couldn't tell if each day was short or long; moments stretched out; hours vanished unpredictably. The days since lockdown at times felt like one long day; at other times it felt as if we have lived many months of this different kind of life in a moment.

I look at those lost segmented days before the world closed, days when I was fully dominated by clock-time, by back-to-back meetings and presentations and by hurried, adrenalin-driven and astonishingly crowded days, and I wonder where my eyes and ears were all that time.

Some days are still led by clock time—back-to-back video meetings still happen. And each day is supported by a bit of solitude early in the morning. All the same, I am more opened up to the ways that time and space stretch or contract when the timetable has loosened, when the world of events is so much emptier. And I appreciate times of solitude and reflection more now.

I hope you are all able to take time this summer to honor the important stuff—family, responsibilities, work—but are also able to take time for yourself, to relax, to reflect on who you are and what you want, what you want your priorities to be, to loosen time restraints and to just live in the moment.

We're not sure quite yet what next year will look like—we're hoping to be in-person 100% of the time, but we might have to create a hybrid model. We are waiting for direction and protocols from the State and from our County Health Department. We will be sure to get that information out to all Wildcats as soon as we can.

For now, enjoy your time off, enjoy your summer and your family and plan to come back to your Wildcat Family in August. We're looking forward to seeing you.

Sincerely,
Cary Smith, Principal

Graduation Information

Please note that in-person graduation for the class of 2020 has been officially postponed until the end of July. The tentative date for Greeley Central's Class of 2020 Graduation ceremony is Friday, July 31st at 8:00am at District 6 Stadium. There will more than likely be limits to the number of people allowed to attend for each student. As soon as more details are known, we will post those details.

Please see the letter from Mr. Smith to Greeley Central families of seniors/graduates by [clicking here](#).

Senior Class Photo

POSTPONED. We will notify you when a new date has been chosen to take this photo. We are looking at a senior class photo either before or right after the rescheduled graduation ceremony on July 31st. Once the determination of this information we will inform all seniors of this event. Please keep checking the school's homepage as well as the school's Facebook page and your student emails (the District will be keeping graduates' emails active through the end of July)..

Greeley Central Face Mask

Are you in need of a facemask? For only \$15 you can show your Wildcat pride and support your softball team by purchasing a mask today. **The deadline to order is June 8th** and masks should arrive about 2 weeks later (end of June). These are currently only available to be purchased online for the safety of everyone.

<https://www.customink.com/fundraising/greeley-central-face-mask>

Report Cards

Report cards have now been printed and should be mailed out to all students by Thursday, June 4th.

Honor Roll for Semester 2

The Greeley Central honor roll for Semester 2 is located here in this newsletter. Congratulations to you all!

GCHS AAMP REPRESENTS

COVID-19 Family Support

Or, you can [CLICK THIS LINK](#) to take you to the donation page.

COVID-19 FAMILY SUPPORT

Hosted by NHS

In the midst of COVID-19, a Central family needs help. One student's dad tested positive for the virus. She works to support her family as they face eviction.

We can help! To give, scan the code or send a check to Central for COVID-19 Family Support.

We know these are difficult times, but anything helps.

Athletics/Activities

All in-person activities have been postponed through the end of June (June 30th). The Weld County Health Department has extended a previous "no contact" rule for all coaches and students through July 1st.

For summer athletic workout schedules, please [click this link](#) and then look for your sport's workout schedule.

Band

Marching band is making its preliminary/tentative plans for the fall including band camp, auditions and preparing music for all-state and honor band auditions. For schedule details please find us on the BAND app <https://band.us/n/a4aa35663es1N>

Or our Marching Wildcats group on Facebook <https://www.facebook.com/groups/151912165909/>

For additional questions contact Mr. Farr dfarr@greeleyschools.org

We are also pleased to announce that GCHS alum Jaime Arreola has joined the Marching staff and will be coaching colorguard this fall!

Head Coaches for Greeley Central Sports are:

Football - Jeff Priestly (jeff.e.priestley@gmail.com)

Girls Volleyball - Marissa Hughes (mhughes3@greeleyschools.org)

Boys Basketball - Troy Graefe (tgraefe@greeleyschools.org)

Girls Basketball - Juliet Sheets (jsheets@greeleyschools.org)

Boys Soccer - Liam Duncan (lduncan2@greeleyschools.org)

Boys Golf - Zach Brockman (zbrockman@greeleyschools.org)

Co-ed Cross-Country - John Bintliff (jbintliff@greeleyschools.org)

Wrestling - Eric Penfold (eric@2mprinting.com)

Boys/Girls Track & Field (co-ed) - Marty Neibauer (mneibauer@greeleyschools.org)

Baseball - Zach Brockmann (zbrockman@greeleyschools.org)

Girls Soccer - Shannon Segovia (ssegovia@greeleyschools.org)

Girls Tennis - Steve Burch (stburch@greeleyschools.org)

Boys Tennis - John Schuttler (schuttlerj@hotmail.com)

Boys Volleyball - Marissa Hughes (mhughes3@greeleyschools.org)

Boys Swimming (**MUST** register at West) - Contact West for coaches information

Girls Golf (**MUST** register at Northridge) - Contact Northridge for coaches information

Fall Sports Registration:

Registration for Fall Sports will open on 7/1/2020. Information regarding Fall sports registration will be listed on the Greeley Central High School home page as we get closer to that date. Remember that all athletes must have a current athletic physical on file and have insurance to be able to participate in sports at Greeley Central High School. Athletic physical forms can be downloaded from our school's athletic webpage. Just click on the "Athletics" menu at the top of the homepage page, click on "Sports Registration and Supplemental Files", scroll to the bottom of the page and click on "Physical Form (required)" to download the form then print ([or click this link](#)). For more information email Sue Barnes, our Athletics/Activities secretary at sbarnes1@greeleyschools.org.

FRESHMAN TRANSITION PROGRAM

Please follow the link below to register for the Freshman Transition Program for this summer (summer of 2020). This program is held July 13th - July 23rd and is held Monday - Thursday, from 9am-1pm. Breakfast & lunch will be provided. As of May 26th, this program is still set to occur at the school, although there will be some changes to how it is run. If you have any questions please contact Amy Bekins by email at abekins@greeleyschools.org.

The form below should be filled out so our summer program coordinators will have an idea of how many students to expect and also what information students are in need of:

[CLICK THIS LINK TO FILL OUT FORM](#)

Please Join us for the

Greeley Central Freshman Transition Program

Do you want to:

Improve 9th grade success, growth and development?

The Greeley Central High School Freshman Transition program

- Provides a smooth transition to 9th grade at Greeley Central
- Engages students in the habits of success for academic excellence
- Develops a positive relationship with peers and teachers
- Promotes PRIDE, CLASS, and DIGNITY

JULY 13-23

Mondays-Thursdays
9:00 am – 1:00 pm

Thursdays are field trip days!! We are currently scheduled to go to Loveland Laser tag and the UNC ropes course. However those might change based on the Corona Virus Situation.

QUESTIONS PLEASE CONTACT AMY BEKINS (ABEKINS@GREELEYSCHOOLS.ORG)

To register fill out the google form posted on the schools webpage (or [CLICK THIS LINK](#)).

A MESSAGE FROM THE COUNSELORS

During this time many people are struggling because of the change in routine and connection. Please reach out for support as struggles arise. These local agencies are still accepting new clients for teletherapy:

North Range Behavioral Health: 970-347-2120

Heart Centered Counseling: 970-691-1880

Banner: 970-810-5454

Insurance, Medicaid, sliding scale self-pay

Insurance, Medicaid

Insurance

Due to school being virtual right now we are currently unable to provide immediate crisis support. If you are worried about the safety of yourself or a loved one please call 911.

****North Range Behavioral Health Crisis is still operating by phone and in person for free crisis services. Call (970) 347-2120 or go to 928 12th St****

FREE & REDUCED LUNCHES

Every year each student who wishes to be considered for free & reduced lunches must have their parent or guardian fill out a new application.

The best method of doing this is online. Completing your application online takes significantly less time and will facilitate a quicker turnaround time for determining your status.

Please click the link below to take you to this online application:

<https://d6applyformeals.greeleyschools.org/>

If you prefer to fill out a paper application you can pick this application up from the main office or go directly to Nutrition Services at the Service Center located at 2504 4th Avenue. Please note that filling out a paper application does take longer to process and get results.

Please note that students who have not had an application processed prior to one of the last days in September will have a "paid" status until approximately the end of the first week in October. After that date in October, the student's free & reduced status will be revoked, so please don't wait until the last minute to complete this application. Please check with Nutritional Services for all required due dates & information:

[Click here for the Nutritional Services Page](#)

SUMMER FOOD SERVICE PROGRAM

Greeley-Evans School District 6 Nutrition Services is offering a federally-funded Summer Food Service Program for children. To best continue to serve the community and practice social distancing during the summer of 2020, Nutrition Services is distributing **FREE** Breakfast & Lunch meals by a bus stop delivery method. Breakfast & Lunch will be served to any child between the age of 1 and 18 years old all summer long! There will be 2 sets of stops, morning and afternoon routes, Mondays-Thursdays. View all information on Summer 2020 stops by [CLICKING HERE](#). You can also find updates at our [Facebook](#) page.

www.greeleyschools.org/nutritionservices

<https://www.facebook.com/d6nutritionservices>

Any major changes to the distribution will be communicated to families. Minor changes to routes and stops may occur without notice but the most up to date information on serving locations will be posted on the District's Nutrition Services website given above. Their Facebook page also has the most up to date information so be sure to check that out as well.

We will also be partnering with the Weld Food Bank on Wednesday afternoons from 2:00pm-3:30 pm, at Northridge High School and the Service Center for food distributions.

The location for the food pickup at Greeley Central is located at the school bus stop at the North side of our school next to our staff parking lot.

Call the Hunger Free Hotline toll-free at (855) 855-4626 to be connected to food resources in Colorado.

Weld County Department of Health and Environment 2019 Novel Coronavirus (COVID-19) Prevention and Preparedness

General Respiratory Illness Prevention and Preparedness (COVID-19)

There is currently no vaccine to prevent Coronavirus Disease 2019 (COVID-19). The best way to prevent illness is to avoid being exposed to this virus. Please practice the following preventive and preparedness actions to keep you and your family safe:

Prevention

- Avoid close contact with people who are sick (keep about 6 feet away).
- Avoid touching your eyes, nose, and mouth.
- Stay home when you are sick.
- Cover your cough with your elbow or sneeze into a tissue, then throw the tissue in the trash—and wash your hands.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.
- Use a facemask if you are sick to help limit the spread of illness to others. If you are not sick, a facemask is not recommended. Facemasks should be used by people who show symptoms of COVID-19 to help prevent the spread of the disease to others. The use of facemasks is also crucial for health workers and people who are taking care of someone in close settings (at home or in a health care facility).
- Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty.
- Avoid travel to areas with [ongoing community transmission](#).

Preparedness

- Create an emergency contact list for family and friends.
- Frequently clean touched surfaces and objects with a regular household detergent cleaner.
- Ensure your family has an extra supply of necessary medicines and food.
- Identify a separate bedroom and bathroom (if available) for a sick family member to use.
- Plan for ways to care for those who may be at greater risk (e.g. underlying chronic illness)
- Plan for potential schedule changes at school and work.
- Avoid sharing personal household items with someone who is sick in the home.

For More Information

- For general questions about COVID-19 in Colorado, call CO HELP at (303) 389-1687 or 1(877) 462-2911 or email COHELP@RMPDC.org.
- For disease prevention and control, call the Weld County Health Department at (970) 400-2111.

Steps to help prevent the spread of COVID-19 if you are sick

FOLLOW THE STEPS BELOW: If you are sick with COVID-19 or think you might have it, follow the steps below to help protect other people in your home and community.

Stay home except to get medical care

- **Stay home:** People who are mildly ill with COVID-19 are able to recover at home. Do not leave, except to get medical care. Do not visit public areas.
- **Stay in touch with your doctor.** Call before you get medical care. Be sure to get care if you feel worse or you think it is an emergency.
- **Avoid public transportation:** Avoid using public transportation, ride-sharing, or taxis.

Separate yourself from other people in your home, this is known as home isolation

- **Stay away from others:** As much as possible, you should stay in a specific "sick room" and away from other people in your home. Use a separate bathroom, if available.
- **Limit contact with pets & animals:** You should restrict contact with pets and other animals, just like you would around other people.
 - Although there have not been reports of pets or other animals becoming sick with COVID-19, it is still recommended that people with the virus limit contact with animals until more information is known.
 - When possible, have another member of your household care for your animals while you are sick with COVID-19. If you must care for your pet or be around animals while you are sick, wash your hands before and after you interact with them. See COVID-19 and Animals for more information.

Call ahead before visiting your doctor

- **Call ahead:** If you have a medical appointment, call your doctor's office or emergency department, and tell them you have or may have COVID-19. This will help the office protect themselves and other patients.

Wear a facemask if you are sick

- **If you are sick:** You should wear a facemask when you are around other people and before you enter a healthcare provider's office.
- **If you are caring for others:** If the person who is sick is not able to wear a facemask (for example, because it causes trouble breathing), then people who live in the home should stay in a different room. When caregivers enter the room of the sick person, they should wear a facemask. Visitors, other than caregivers, are not recommended.

Cover your coughs and sneezes

- **Cover:** Cover your mouth and nose with a tissue when you cough or sneeze.
- **Dispose:** Throw used tissues in a lined trash can.
- **Wash hands:** Immediately wash your hands with soap and water for at least 20 seconds. If soap and water are not available, clean your hands with an alcohol-based hand sanitizer that contains at least 60% alcohol.

Clean your hands often

- **Wash hands:** Wash your hands often with soap and water for at least 20 seconds. This is especially important after blowing your nose, coughing, or sneezing; going to the bathroom; and before eating or preparing food.
- **Hand sanitizer:** If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol, covering all surfaces of your hands and rubbing them together until they feel dry.
- **Soap and water:** Soap and water are the best option, especially if hands are visibly dirty.
- **Avoid touching:** Avoid touching your eyes, nose, and mouth with unwashed hands.

Avoid sharing personal household items

- **Do not share:** Do not share dishes, drinking glasses, cups, eating utensils, towels, or bedding with other people in your home.

- **Wash thoroughly after use:** After using these items, wash them thoroughly with soap and water or put in the dishwasher.

Clean all "high-touch" surfaces everyday

Clean high-touch surfaces in your isolation area ("sick room" and bathroom) every day; let a caregiver clean and disinfect high-touch surfaces in other areas of the home.

- **Clean and disinfect:** Routinely clean high-touch surfaces in your "sick room" and bathroom. Let someone else clean and disinfect surfaces in common areas, but not your bedroom and bathroom.
 - If a caregiver or other person needs to clean and disinfect a sick person's bedroom or bathroom, they should do so on an as-needed basis. The caregiver/other person should wear a mask and wait as long as possible after the sick person has used the bathroom.
- High-touch surfaces include phones, remote controls, counters, tabletops, doorknobs, bathroom fixtures, toilets, keyboards, tablets, and bedside tables.
- **Clean and disinfect areas that may have blood, stool, or body fluids on them.**
- **Household cleaners and disinfectants:** Clean the area or item with soap and water or another detergent if it is dirty. Then, use a household disinfectant.
 - Be sure to follow the instructions on the label to ensure safe and effective use of the product. Many products recommend keeping the surface wet for several minutes to ensure germs are killed. Many also recommend precautions such as wearing gloves and making sure you have good ventilation during use of the product.
 - Most EPA-registered household disinfectants should be effective. A full list of disinfectants can be found [here](#).

Monitor your symptoms

- **Seek medical attention, but call first:** Seek medical care right away if your illness is worsening (for example, if you have difficulty breathing).
 - **Call your doctor before going in:** Before going to the doctor's office or emergency room, call ahead and tell them your symptoms. They will tell you what to do.
- **Wear a facemask:** If possible, put on a facemask before you enter the building. If you can't put on a facemask, try to keep a safe distance from other people (at least 6 feet away). This will help protect the people in the office or waiting room.
- **Follow care instructions from your healthcare provider and local health department:** Your local health authorities will give instructions on checking your symptoms and reporting information.

If you develop **emergency warning signs** for COVID-19 get **medical attention immediately**.

Emergency warning signs include*:

- Difficulty breathing or shortness of breath
- Persistent pain or pressure in the chest
- New confusion or inability to arouse
- Bluish lips or face

*This list is not all inclusive. Please consult your medical provider for any other symptoms that are severe or concerning.

Call 911 if you have a medical emergency: If you have a medical emergency and need to call 911, notify the operator that you have or think you might have, COVID-19. If possible, put on a facemask before medical help arrives.

How to discontinue home isolation

- People with COVID-19 who have stayed home (home isolated) can stop home isolation under the following conditions:
 - **If you will not have a test** to determine if you are still contagious, you can leave home after these three things have happened:
 - You have had no fever for at least 72 hours (that is three full days of no fever without the use medicine that reduces fevers)
 - AND
 - other symptoms have improved (for example, when your cough or shortness of breath have improved)
 - AND
 - at least 7 days have passed since your symptoms first appeared
 - **If you will be tested** to determine if you are still contagious, you can leave home after these three things have happened:
 - You no longer have a fever (without the use medicine that reduces fevers)
 - AND
 - other symptoms have improved (for example, when your cough or shortness of breath have improved)
 - AND
 - you received two negative tests in a row, 24 hours apart. Your doctor will follow CDC guidelines.

In all cases, follow the guidance of your healthcare provider and local health department. The decision to stop home isolation should be made in consultation with your healthcare provider and state and local health departments. Local decisions depend on local circumstances.

More information is available [here](#).
