BOX TOPS FOR EDUCATION UPDATE

Included with last week’s newsletter was a Box Tops for Education flyer. Instead of clipping Box Tops for Education from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. There is a new and improved, user-friendly Box tops mobile app which is available now. In addition, you can still clip the traditional Box Tops and send them to school. Please make sure that each clip has a valid expiration date. We have already received one check from Box Tops and look forward to others as everyone begins to use the new and improved Box Tops for Education App. As always, thanks for your help and support.
