

Harold S. Winograd K-8 School. . .Navigating the Future in a World of Opportunities!!!

Thanks to everyone who continues to support and encourage their child(ren) during Remote Learning. Having a daily schedule, holding high expectations, and providing reassurance as they participate in their learning all make a difference. Students are MOST successful when we work together to facilitate their learning. Thanks to each of you for supporting and encouraging our students to attend school every day, to learn always, and to make thoughtful choices. Together we can make a difference for each of the CUBS!!!

REMOTE LEARNING

Thank you for supporting your child(ren) in their remote learning. We will engage in the Remote Learning teaching and learning process through Tuesday, June 30, 2020. We miss ALL of you and enjoy your participation during instruction and conferences. We hope to see you soon!!!

ATHLETICS AND ACTIVITIES

Several individuals have asked about what is happening with athletics, activities, and events as a result of ongoing school closures. The following is from an e-mail that was sent to Athletic Directors on Friday, April 24, 2020.

“In line with Governor Jared Polis’ announcement Monday, our district made the difficult decision to cancel in-person learning for the remainder of the 2019-2020 school year. This closure includes all in-person athletics, activities and events that would have taken place through the end of the school year.

In addition, all in-person athletics and other activities that normally begin after the end of the school year, are postponed through June 30. This action is being taken because the District sincerely believes it is the safest decision for our students, staff, coaches, and families, and is in the best interest of our community at large. The District is in close communication with our local health department and is continually monitoring this situation. We will provide any updates as they become available.

For 8th grade students making the transition to high school, if you are already registered to attend Greeley Central, Greeley West, or Northridge, you can expect to receive information from that school in the coming week, to make a "virtual" connection with coaches and/or sponsors of respective teams or groups that you have interest in connecting with and staying up to date on information from those groups. If you should need more direct assistance from one of the high schools, please contact that school's athletic/activities director or the District athletic director:
